**Being Santa Claus** Sal Lizard, Jonathan Lane, 2012-11-08 A veteran Santa reveals heartwarming true stories and lessons from his twenty-year career spreading Christmas magic. With the holiday shopping season beginning earlier each year, more than ever. Americans are struggling to remember the true meaning of Christmas. And who better to deliver the gift of Christmas inspiration than a man who has spent the last two decades playing Santa? Sal Lizard was in his twenties when his beard and hair turned completely white. Today he appears everywhere from malls and parades to schools and hospitals. And— from his custom-made red velvet suits to the mistletoe that hangs from the rearview mirror in his Santa-mobile—he is Santa Claus three hundred and sixty-five days a year. In *Being Santa Claus* Sal reflects on his experiences with both children and adults including: Christmas magic is all around us: We don't always see it, but it is there, shaping and enriching our lives. Sometimes you need to go that extra mile: Santa Claus is the one person who can't even use a blizzard as an excuse not to honor his commitments, and Sal teaches adults the importance of always showing up for our children. Even a small child can make a big difference: Sal has met some impressive children over the years, and he's learned that you don't need to be a grown-up to make an impact on the world around you. In *Being Santa Claus* Sal shares these lessons, along with often heartwarming, occasionally heartbreaking, and sometimes downright hysterical stories from his twenty-year career as Santa.

*The Christmas Encyclopedia, 4th ed.* William D. Crump, 2022-12-16 From the manger of Jesus Christ to the 21st century, this encyclopedia explores more than 2,000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop-culture subjects. Entries detail customs and traditions from around the world as well as classic Christmas movies, TV series/specials and animated cartoons. Arranged alphabetically by entry name, the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens, Louisa May Alcott, Hans Christian Andersen, Pearl Buck, Henry Van Dyke and others. All things Christmas are available here in one comprehensive volume.

**While You Were Speaking** Maria Hoagland, 2021-03-29 Love at Second Sight ♥ She had a crush on the celebrity but fell in love with his brother. ♥ Lucy Morrowitz has two dreams: 1. Reopen the Starlight, a drive-in theater inherited from her parents. 2. Marry her celebrity crush—motivational speaker, Carter Hughes. Only problem? Neither goal is attainable until Carter accepts her invitation to speak at the Harvest Ranch spring cleanup. Suddenly, neither dream feels out of reach. There's nothing Zachary Hughes envies about his brother—until he meets his fiancée. Because of Lucy, Zach reaches for more: 1. A job he looks forward to every day. 2. A town where he's known for himself. 3. The perfect person to spend his life with—someone who laughs with him, challenges him, accepts him, loves him. Someone like Lucy. The big question is--will these dreams bring happiness? ♥ A fresh take on a classic rom-com, this sweet small-town romance will have you dreaming of an evening spent at the drive-in with your sweetheart. ♥

*The Practically Romantic Groom* Maria Hoagland, 2019-02-11 ♥ ♥ When words don't come easily . . . ♥ ♥ The town's florist and the local divorce attorney--could they be more at odds? They were each other's first real crush and first kiss, but they've just been friends for years. Should they give it another chance? Cobble Creek's divorce attorney, Isaac Murphy, is not interested in romance. Quite the opposite, in fact. As a supportive brother for his sister raising a daughter with selective mutism, Isaac has seen enough disappointed hearts and broken marriages to know love takes more than a bouquet of roses or flowery phrases. No, Isaac is all about being pragmatic when it comes to relationships. As the small-town florist, Brooke Holt is passionate about romance in everything from picnics to horseback riding. A closet musician, she pours her romantic dreams into writing country love songs—which she might even share someday, if she weren't stricken with a severe case of stage fright. When Brooke's brother shows interest in Isaac's sister, what starts as a friendly wager between Brooke and Isaac to prove whose way is right brings out their competitive streaks and

rekindles their old high school friendship. As feelings start to turn into something more, though, expressing those feelings seems like an awfully risky gamble. ♥ Come take a walk down Main Street Cobble Creek where neighbors pick up a treat at the old-fashioned soda counter, window-shop at boutiques, pick up flowers for their friends, and enjoy the small-town arts festivals and outdoor concerts. This clean and wholesome sweet small-town romance comes with a happily ever. Books in the Cobble Creek Romance series in order: The Inventive Bride The Practically Romantic Groom The Combustible Engagement A scene or two in Santa Cam also take place in Cobble Creek, Wyoming. ♥

*Cyber Worship in Multifaith Perspectives* Mohamed Taher,2006 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.
