

Santa Coming Live Wallpaper

Jill Suzanne Shook

The Physics of Christmas Roger Highfield, 2008-12-14 Why might Rudolph's nose have been red? Why do we actually give Christmas gifts? Why has smell become an important component in the Christmas shopping experience? Roger Highfield, science editor of London's Daily Telegraph and co-author of the highly acclaimed *The Arrow of Time*, has taken a long-overdue look at our most cherished holiday from the rigorous (but highly entertaining) viewpoint of a scientist. What are the thermodynamics involved in cooking a turkey? What are the likely celestial candidates for the Star of Bethlehem? Is the concept of a virgin birth scientifically feasible? What happens to us physically when we overindulge in alcohol? How does snow form? Why are we always depressed after Christmas? How does Santa manage to deliver all those presents in one night? (He has, in fact, little over two ten-thousands of a second to get between each of the 842 million households he must visit.) *The Physics of Christmas* is that rare science book that manages to be as delightful as it is informative.

Can Reindeer Fly? Roger Highfield, 2015-09-24 How does snow form? Why are we always depressed after Christmas? How does Santa manage to deliver all those presents in one night? (He has, in fact, little over two ten-thousandths of a second to get between each of the 842 million households he must visit.) This book contains information on how drugs might make us see flying reindeer, how pollution is affecting the shape of Christmas trees, and the intriguing correlation between the length of our Christmas card list and brain size.

The Treasure of the Santa Ritas Michael Alvarez, 2001-04-25 Seventeen-year-old Matt Bowden is convinced that his uncle didn't commit suicide. Matt believes his favorite uncle's murder has something to do with the book he was writing about Southwest mines and treasures. Matt is determined to find out who killed Uncle Jonas and why. Matt returns to his uncle's house and searches for a clue. He copies all of his uncle's computer files on the new book he was writing and also finds a phone message from a man named Art Fogle, a university history professor. Matt soon learns that Fogle was killed in a hit-and-run accident, only hours before Matt found his murdered uncle. Just a coincidence, or is there a connection between Art Fogle's and Uncle Jonas' deaths? Matt asks the soon-to-retire homicide detective, John Pawlowski, for help. From his uncle's files, Matt learns that Uncle Jonas borrowed a valuable Spanish document--alluding to a fortune in gold and silver--from a Mrs. Garcia. Matt goes to see the Mexican woman and meets her granddaughter, Susan Martinez. With his uncle dead and the Spanish document missing, Matt agrees to help Susan find her grandmother's treasure document. The trail leads Matt and Susan to a man named Phil Simpson, a local authority on Southwest mines and treasures. After their visit, Simpson dies mysteriously, when his house burns down. Detective John Pawlowski is now convinced that all three deaths are tied to the missing Spanish document. All Matt, Susan and John have to do now is stay one step ahead of the killer and find the Spanish treasure before anyone else is murdered.

Dear Santa, Please Come to the 19th Floor Yin,2011-09-29 Willy wants to cheer his best friend, Carlos, up. And what better way to do so than a Christmas visit from Santa Claus himself? But when Santa answers Willy's e-mail pleading with him to visit the 19th floor of their inner-city apartment building, he doesn't quite know what is in store for him. Yin and Chris Soentpiet, the author-illustrator pair who created the ALA notable *Coolies*, bring us a heartwarming and modern Christmas story with the lush illustrations that Soentpiet fans have come to love.

Rockbridge Ann Allen,2011-12-07 The child of a small town in Midwest America tells of growing up in Rockbridge in the 1930s. Anecdotes recount childhood exploration, adventures, mishaps, and rebellion with friends, neighbors, and family. My piano teacher lives across the alley while down the alley Betty Jean had a partially opened pack of Lucky Strike and we proceeded to light up. Winter brings skating on creeks and sledding until the orange ball of the sun slipped behind the cold watery sky. Alongside these tales are reflections by the child, revealing and honest. They contrast attitudes of the 1930s with childhood perception.

Making Housing Happen, 2nd Edition Jill Suzanne Shook,2012-09-19 The growing housing crisis cries out for solutions that work. As many as 3.5 million Americans experience homelessness each year, half of them women and children. One in four renters spends more than half of their income on rent and utilities (more than 30 percent is considered unaffordable). With record foreclosures and 28 percent of homes underwater, middle and low-income homeowners are suffering. Many congregations want to address this daunting problem yet feel powerless and uncertain about what to do. The good news is that churches are effectively addressing the housing crisis from Washington State to New York City--where an alliance of sixty churches has built five thousand homes for low-income homeowners, with virtually no government funding or foreclosures. This book not only presents solid theological thinking about housing, but also offers workable solutions to the current crisis: true stories by those who have made housing happen. Each story features a different Christian denomination, geographic area, and model: adaptive reuse, cohousing, cooperative housing, mixed-income, mixed-use, inclusionary zoning, second units, community land trusts, sweat equity, and more. Making Housing Happen is about vision and faith, relationships, and persistence. Its remarkable stories will inspire and challenge you to action. This new edition includes significant new material, especially in light of the ongoing mortgage crisis.

It's Christmas, David! David Shannon,2016-09-27 The bestselling star of *No, David!* turns Christmas traditions upside down with laugh-aloud humor. Readers of all ages will vividly remember trying to peek at hidden gift packages; writing scrolls of wish lists to Santa; and struggling to behave at formal Christmas dinner parties. Always in the background, we know Santa Claus is watching, soon to decide if David deserves a shiny new fire truck or a lump of coal under the tree. From playing with delicate ornaments to standing in an endlessly long line for Santa, here are common Christmas activities--but with David's naughty trimmings. A surefire hit that is destined to be an annual classic.

Tangled in Tinsel Ellen Mint,2021-11-30 Dear Santa, please leave a red-headed lumberjack under the tree. I've been a very good boy. Dean Hancock does not have time for the gorgeous, red-haired, cowboy lumberjack that nearly shattered his windshield with a Christmas tree. He's on the hunt for a long-lost cradle carved by the artistic genius Gustav Gilt. After being lost for a hundred years, the antique appears five days before Christmas in the tiny town of Tinsel. God has a wicked sense of humor. On the verge of an academic and financial breakthrough, he doesn't have time to 'get friendly' with the local cowboy Levi Bruce. If he hasn't authenticated the manger in the middle of the town square before Christmas Eve, he'll lose his antique shop and any dreams he had to find a real Gilt. But it won't stop Dean fantasizing about his lumberjack riding in on a white horse and lassoing him just right. Levi Bruce spends his days waking before dawn, tending his tree farm, going to bed after dark, and starting the cycle all over again. It's a long, lonely life, but with his dog Harry at his side, he thought it was enough. Then that handsome, charming man from the city had to stroll in and upend everything. The wolves are at the door, a big company threatening to take his family farm out from under him. The last thing Levi needs is distracting dreams of kissing the delectable man under the mistletoe. Will these two fools open their hearts by the fire of the farmhouse's hearth? Or will the promise of millions, a family secret, and an eccentric artist's masterpiece rip them apart forever? *Tangled in Tinsel* was created in part thanks to my wonderful readers who voted on what they wanted to see in a Christmas romance. This gay, Hallmark-influenced romance is a heart-warming, hilarious, steamy mug of Christmas cocoa.

How the Grinch Stole Christmas Dr. Seuss,2013-10-22 Grow your heart three sizes and get in on all of the Grinch-mas cheer with this Christmas classic--the ultimate Dr. Seuss holiday book that no collection is complete without! Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT! Not since 'Twas the night before Christmas has the beginning of a Christmas tale been so instantly recognizable. This heartwarming story about the effects of the Christmas spirit will grow even the coldest and smallest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for readers young and old. Irrepressible and irresistible. --Kirkus Reviews

Christmas Delivery Dallas Schulze,Margaret St. George,Margot Dalton,1997 Christmas Delivery by Dallas Schulze\Margaret St. George\Margot Dalton released on Sep 24, 1997 is available now for purchase.
