**The Native American Identity in Sports** Frank A. Salamone,2013 On October 15, 1964 Billy Mills became the only American to win an Olympic Gold Medal for the 10,000 meters. It was but one notable triumph in sports by a Native American. Yet, unlike Mills's achievement, most significant contributions from Native Americans have gone unheralded. From individual athletes, teams, and events, it is clear that the Vanishing Americans are not vanishing--but they are sadly overlooked. The Native American Identity in Sports: Creating and Preserving a Culture not only includes, but goes beyond the great achievements of Billy Mills to note numerous other instances of Native American accomplishment and impact on sports. This collection of essays examines how sport has contributed to shaping and expressing Native American identity--from the attempt of the old Indian Schools to Americanize Native Americans through sport to the Indian mascot controversy and what it says about the broader public view of Native Americans. Additional essays explore the contemporary use of the traditional sport Toka to combat obesity in some Native American communities, the Seminoles' commercialization of alligator wrestling--a Native sport that was, in fact, only developed as a sport due to interest from tourists--and much more. The contributions to this volume not only tell the story of Native Americans' participation in the world of sports, but also how Native Americans have changed and enriched the sports world in the process. For anyone interested in the deep effect sport has on culture, The Native American Identity in Sports is an indispensable read.

Maxwell Street Tim Cresswell,2019-03-22 What is the nature of place, and how does one undertake to write about it? To answer these questions, geographer and poet Tim Cresswell looks to Chicago's iconic Maxwell Street Market area. Maxwell Street was for decades a place where people from all corners of the city mingled to buy and sell goods, play and listen to the blues, and encounter new foods and cultures. Now, redeveloped and renamed University Village, it could hardly be more different. In Maxwell Street, Cresswell advocates approaching the study of place as an “assemblage” of things, meanings, and practices. He models this innovative approach through a montage format that exposes the different types of texts—primary, secondary, and photographic sources—that have attempted to capture the essence of the area. Cresswell studies his historical sources just as he explores the different elements of Maxwell Street—exposing them layer by layer. Brilliantly interweaving words and images, Maxwell Street sheds light on a historic Chicago neighborhood and offers a new model for how to write about place that will interest anyone in the fields of geography, urban studies, or cultural history.

**Our Lady Fetta and Other Tales** Theodore Lyons,2005-02 Our Lady Fetta opens in Portland, Me., and involves a small Hollywood estate with too many beneficiaries. The disposition of the will naturally carries the protagonist back to the Midwest and ultimately to the Southwest to reconnect with his former college classmates, one of whom acts as his attorney. The novel's diverse settings include Halifax, Chicago, Mesa, Santa Fe and Tucson, where a couple of transplanted Mainers also figure among the hero's allies. Sanctimony, greed, religiosity, acculturation, the preservation of natural habitats, and other topics are explored; in addition to

commentary and ideas by Robert Louis Stevenson, Somerset Maugham, Carlos Castaneda, Jim Morrison, Bram Stoker, and William Peter Blatty. Jet-setters, one of the short stories featured in the book, centers on a hilarious two-year romp in the Samoan islands at the onset of the global AIDS crisis. Other notable tales include New America, in which the author proposes a simple but macabre solution to overcrowded, tax-draining prisons, nnamely, banishment aboard galleons; Cardinal du Jour, about a teenage boy who narrowly escapes being molested by a high-ranking priest; Louse Party, about an LSD party and the horrors of addiction and drug abuse; and House with Ghost, based on actual events, about a man suffering from spirit attachment, whose ghostly companion haunts the home in which he rents a room and drives him out of the house.

While she hasn’t lived up to her family’s expectations, Xandra has come to terms with her latent magic and made a life for herself in Austin, Texas, running a coffee shop where she makes potions of a non-magical nature. While things aren’t perfect, Xandra is happy—until she runs into powerful warlock Declan Chumomisto. Xandra hasn’t seen Declan in years, and though she’s still overwhelmed by his power, she doesn’t trust him. And when her own powers awaken one night and lead her to the body of a woman in the woods bearing the symbol of Isis—the same one that has marked Xandra since the day she met Declan—she’s filled with a terrible suspicion, soon confirmed: the woman is connected to him. Xandra doesn’t want to believe that Declan is capable of murder, but as the body count mounts, and Xandra’s own powers spiral out of control, she’s not sure she can trust her own instincts...
