The Night Santa Got Lost Michael Keane,2012-10-09 Every Christmas millions of kids and adults track Santa on the NORAD Santa Tracker. Now, author Michael Keane brings to life this fun tradition with his new children's book *The Night Santa Got Lost: How NORAD Saved Christmas*. Written in the iconic style of "The Night Before Christmas," *The Night Santa Got Lost* begins on a blustery and treacherous Christmas Eve as Santa sets off to deliver toys to good little boys and girls everywhere. As always, NORAD is faithfully tracking him to make sure no harm comes his way. But when Santa disappears from their radar screen, NORAD's skills and resources are put to the test as they scramble to find Santa and save Christmas. Entertaining and educational, *The Night Santa Got Lost* will delight parents and children alike while teaching kids about our military, team work, and the true spirit of Christmas.

The Story of Tracker Michael Bovill,Alexandra Bovill,2010-05 When Santa and Mrs. Claus receive a new puppy from Spencer the Elf, they quickly learn that there is more to this little fellow than meets the eye. He has a nose that can tell, with one sniff, even from far away, whether little boys and girls are naughty or nice! Able to track down all those naughty or nice boys and girls, Santa and Mrs. Claus name this new addition to their North Pole family, Tracker! Read more about this amazing puppy and how he lets Santa know if the little girls and boys have been Naughty or Nice!

The Secrets of Santa's Trackers Bridget Greene,2020-01-14 In this beautifully illustrated book, kids learn that Santa Claus has many ways of keeping track of children's behavior, not just in December, but through each and every season, with the help of magical trolls, fairies, and elves who serve as Santa's Trackers.Children are invited to imagine what their special Tracker might look like, how it behaves, and the wild adventures it takes while following them through neighborhoods, to parks, beaches, and of course, at home. This fun, rhyming children's book is illustrated with inclusivity in mind. It is packed with elements kids love, including secrets, magic, mysteries, and silliness -- along with plenty of prompts to use their own imaginations. Parents and caregivers love that this story is interactive and that it provides a way to use the Santa is watching reminder the whole year through (especially during school vacation weeks and summer break). The story reinforces the importance of making good choices even when kids think no one is watching. To learn more about the author, visit www.bgreenebooks.com
