Rolf Harris, John D. Brown

The Night Santa Got Lost Michael Keane,2012-10-09 Every Christmas millions of kids and adults track Santa on the NORAD Santa Tracker. Now, author Michael Keane brings to life this fun tradition with his new children's book *The Night Santa Got Lost: How NORAD Saved Christmas*. Written in the iconic style of "The Night Before Christmas," *The Night Santa Got Lost* begins on a blustery and treacherous Christmas Eve as Santa sets off to deliver toys to good little boys and girls everywhere. As always, NORAD is faithfully tracking him to make sure no harm comes his way. But when Santa disappears from their radar screen, NORAD's skills and resources are put to the test as they scramble to find Santa and save Christmas. Entertaining and educational, *The Night Santa Got Lost* will delight parents and children alike while teaching kids about our military, team work, and the true spirit of Christmas.

The Secrets of Santa's Trackers Bridget Greene,2020-01-14 In this beautifully illustrated book, kids learn that Santa Claus has many ways of keeping track of children's behavior, not just in December, but through each and every season, with the help of magical trolls, fairies, and elves who serve as Santa's Trackers. Children are invited to imagine what their special Tracker might look like, how it behaves, and the wild adventures it takes while following them through neighborhoods, to parks, beaches, and of course, at home. This fun, rhyming children's book is illustrated with inclusivity in mind. It is packed with elements kids love, including secrets, magic, mysteries, and silliness -- along with plenty of prompts to use their own imaginations. Parents and caregivers love that this story is interactive and that it provides a way to use the Santa is watching reminder the whole year through (especially during school vacation weeks and summer break). The story reinforces the importance of making good choices even when kids think no one is watching. To learn more about the author, visit www.bgreenebooks.com

Being Santa Claus Sal Lizard,Jonathan Lane,2012-11-08 A veteran Santa reveals heartwarming true stories and lessons from his twenty-year career spreading Christmas magic. With the holiday shopping season beginning earlier each year, more than ever. Americans are struggling to remember the true meaning of Christmas. And who better to deliver the gift of Christmas inspiration than a man who has spent the last two decades playing Santa? Sal Lizard was in his twenties when his beard and hair turned completely white. Today he appears everywhere from malls and parades to schools and hospitals. And— from his custom-made red velvet suits to the mistletoe that hangs from the rearview mirror in his Santa-mobile—he is Santa Claus three hundred and sixty-five days a year. In *Being Santa Claus* Sal reflects on his experiences with both children and adults including: Christmas magic is all around us: We don't always see it, but it is there, shaping and enriching our lives. Sometimes you need to go that extra mile: Santa Claus is the one person who can't even use a blizzard as an excuse not to honor his commitments, and Sal teaches adults the importance of always showing up for our children. Even a small child can make a big difference: Sal has met some impressive children over the years, and he's learned that you don't need to be a grown-up to make an impact on the world around you. In *Being Santa Claus* Sal shares these lessons, along with often heartwarming, occasionally heartbreaking, and sometimes downright hysterical stories from his twenty-year career as Santa.

Six White Boomers Rolf Harris,John D. Brown,2003 Rolf Harris was always amazed that in his home town of Perth, Christmas temperatures reached over thirty degrees, yet people were singing songs about Christmas in the snow! So he set out to write something that would capture the difference about Christmas in Australia, where there's no snow at Christmas, and reindeer are found only in zoos. The result is Six White Boomers, an immediate success when it was released in 1960. Published as a picture book, it introduces a whole new generation to this true-blue Australian classic. Sing along with Rolf as you enjoy the fun of this unique Christmas song.
