**Insults Anywhere Kids Presents T'was The Jokes Before Christmas** Franklin Yantz,2014-08-21 Franklin Yantz (1980 - Present)is the founder of Insults Anywhere Labs, the premiere joke R & D department in the continuous United States. Founded in 2001, after discovering that the Y2K bug hadn't destroyed the world and caused radioactive alien cockroaches to take over the Earth, Insults Anywhere made the reintroduction of bad taste jokes and one liners it's primary focus. Today, Mr. Yantz and his team of crack researchers are using their newest discovery called internet to digitally share their life's work with anyone who feels they want to become popular possibly in all the wrong ways. Our motto is: We pull no punches and neither should you!

Once Upon a Christmas Pamela Tracy,2012-09-18 Raising three sons and running his ranch keeps single dad Jared McCreedy busy from sunup to sundown. Becoming involved with feisty single mom Maggie Tate is not on his to-do list. But he needs her help dealing with his youngest son's learning problem. Like Jared, Maggie doesn't want any romantic complications in her life...especially with a man whose take-charge attitude makes her temper flare--and her pulse race. But the risk of opening her heart

is great and she has her daughter to think about. Then again, it is the season for faith and miracles....

**Santa's Wish Fulfilled** Jan Scarbrough, 2022-11-14 Last Christmas, Santa made a wish... Last Christmas Roz Henry lost her boyfriend and her job. With her beloved grandfather sick, she went home to the small New England town of Dickens. She'd found what she didn't know she was looking for: a second chance with the boy she'd left behind all those years ago, Cooper Brown. A widower, Cooper had never forgotten his first love. Christmas brings rekindled romance and a proposal, just like a perfect Hallmark movie. But what happens after the happily-ever-after ending? This Christmas, Santa's wish is fulfilled... A year has passed but Roz still hasn't started planning the wedding, and Cooper's starting to worry. Roz is, too. Is it just cold feet? Worry she's not living up to her potential? Roz comes from a long line of selfless medical professionals, so what's she doing working in a bookstore? She wants to be more than a housewife and mother, even though that life made her Grandma Tress happy. Her grandfather believed love never dies, but can it wither away from

neglect? Roz loves Cooper, but she needs to be her own person first. Maybe a real happily-ever-after takes hard work, a lot of love, and some special Dicken's Christmas magic. This is a small-town, sweet Christmas romance. It can be read as a standalone but features cameo appearances of characters written by other authors in the Dickens Holiday Romance series.

His mother had left him there in the big toy-shop, with instructions not to move until she came back, while she went off to do some mysterious errand. She thought, no doubt, that with so many beautiful things on every side to delight his eye and hold his attention, strict obedience to her commands would not be hard. John Kendrick Bangs (1862-1922) was an American author, editor and satirist.

**Santa Cruise** Mary Higgins Clark, Carol Higgins

Clark, 2008-09-04 Alvirah Meehan, the lottery winner turned amateur sleuth, and her husband Willy, private detective Regan Reilly, her new husband Jack, and Regan's parents are all guests on the Royal Mermaid's maiden voyage, the Santa Cruise. The ship's passengers include members of the Oklahoma Readers and Writers group - who are planning a mystery seminar dedicated to a Ghost of Honour, the late Left Hook Louie - as well as assorted other charitable folk all planning on a restful post-Christmas vacation. What the guests don't know is that two escaping criminals have been smuggled on board. The hoped-for tranquility quickly vanishes when a terrified mystery fan swears she has spotted the Ghost of Honour in the ship's chapel, and soon after - while a storm develops outside - an attempt is made on the life of a feeble passenger. As the Royal Mermaid sails on through troubled waters, Alvirah, Regan and Jack are uncovering clues that lead them to dangerous criminals.

*Christmas Classics Collection* Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Robert Louis

Stevenson, Henry Wadsworth Longfellow, George  
MacDonald, William Wordsworth, Louisa May Alcott, Walter  
Scott, Anthony Trollope, Rudyard Kipling, Beatrix Potter, Emily  
Dickinson, O. Henry, L. Frank Baum, J. M. Barrie, E. T. A.  
Hoffmann, Hans Christian Andersen, William Butler Yeats, Henry van  
Dyke, Lucy Maud Montgomery, Leo Tolstoy, Fyodor  
Dostoevsky, Alfred Lord Tennyson, Brothers Grimm, Clement  
Moore, 2022-05-17 The 'Christmas Classics Collection' elegantly  
bridges the expansive world of Christmas lore, encapsulating an  
extraordinary range of literary styles—from the poetic to the  
fantastical, the earnest to the whimsical. This anthology  
underscores the multifaceted nature of the holiday season through  
its assembly of stories, poems, and novellas that mirror the diverse  
cultural and historical influences shaping the Christmas tradition.  
Standout pieces harmonize the sentimental with the narrative of  
social conscience, artfully woven by a constellation of luminaries in  
literature. The selection magnificently traverses the spectrum of  
human emotion, reflecting on themes of hope, generosity,  
redemption, and the immutable wonder of Christmas. The  
contributing authors and editors, ranging from the romantic and  
Victorian to the pioneers of children's literature, collectively chart

the evolution of Christmas storytelling over centuries. Their backgrounds offer a rich tapestry of the global and temporal shifts in the celebration and perception of the holiday. From Dickens' transformative tales that encapsulated the spirit of Victorian Christmas to Andersen's and the Brothers Grimm's fairy tales that have fed the imaginations of generations, the collection draws from the wellspring of literary movements influenced by romanticism, transcendentalism, and the quest for meaning in an industrial age. Furthermore, authors like Tolstoy and Dostoevsky infuse the compilation with profound philosophical and ethical inquiries typical of Russian literature, further broadening the thematic and cultural scope of the anthology. The 'Christmas Classics Collection' invites readers on a literary journey that transcends the typical confines of holiday literature. It presents a unique opportunity to explore the breadth and depth of Christmas as seen through the eyes of some of the most distinguished names in literature. This anthology is not just a celebration of Christmas but a scholarly curation that fosters a deep appreciation for the historical and cultural contexts from which these stories spring. For lovers of literature and enthusiasts of Christmas lore alike, this collection promises an enriching exploration of the human condition through the lens of the festive

season.
