I Remember Running Vernon Bargainer,2011-08 I Remember Running is a story about freedom. It is the tale of a wearying race against formidable odds that it will never be within the grasp of one Lorrie Dean LeMay. Fourteen years in hiding under witness protection, a daring reappearance to join her sweetheart, then a hostile interruption of her wedding by ruthless kidnappers, followed by weeks of guilt-laden mourning, all painfully suggest that she will never know freedom. Young Lorrie Dean had surfaced simply as an act of grace to appease Andy Boone, a childhood sweetheart, reportedly searching for her. Now, confined again in the vile hands of hard core criminals, she questions whether she will ever know freedom and, more fearfully, whether she will even live to seek it. She is painfully aware that physical torture is just two days away if she refuses to reveal the whereabouts of her mother. Though resigned to death, she is determined to make one all-or-nothing attempt to get away, knowing full well that even if it works, she still will not know freedom. Then, miraculously, one morning she is running for her life. Although Lorrie Dean and Andy would be together again one day and would soon seal their steadfast love, a new level of torture was just beginning. Now, even their unbridled love was marked for grim trial. That love, so carefree and natural when it began four months ago, was rapidly growing into an ominous burden. At this point, Lorrie Dean was a prisoner of herself, her emotions her overwhelming sense of guilt. This turns out to be her most devastating captivity. Suddenly, there was another demon lose in her life, a daunting dread of what may be just around the corner. Could Andy's abiding love resurrect her? Could anything? There was one dim hope and it lay in the absorbing friendship she and Andy shared with a little seventeen-year-old girl, down on the farm. Enter Kelly Surrat.

DEFENDERS GUARDIAN VOLUME 2 Brian M.,2014-02-05 The story thus far: In the last episode of Defenders, Brandon was enjoying a nice day for himself. He ate lunch at his favorite place and met a girl who seemed interested in him. However his quiet time was short lived. A fire broke out at a high rise apartment building. Grabbing his lunch, Brandon hurried to a nearby rooftop and transformed into Guardian. He arrived at the scene where he was informed of people trapped inside the burning building. Guardian, despite the fire chief's reluctance, rushed inside and saved the trapped tenants, including a nearly forgotten little girl. Guardian used a nearby tanker trailer and the Delaware River to extinguish the flames. But his day was just starting. Two bank robberies occur while he was at the Buckingham-Royals apartment building. Guardian takes off after the two sets of robbers. He introduces himself to the robbers in his own special way and stops them from escaping. With the robbers left behind for the police to take care of, Guardian flies back to Philadelphia. Unknown to the trench-coated hero, a mysterious figure has been watching him. Who is this mystery person? Could they be friend or foe? One thing is for certain, whoever it is, Guardian will be ever cautious.

Sarah's Song Kim Smith,Kevin Smith,2023-03-15 As the grotesque figure stepped closer to Myung-Dae Kwon, his stomach convulsed from the foul stench that enveloped him. The servant of Satan planted himself firmly only a few feet from Myung-Dae Kwon and bellowed with a voice that shook the ground for miles. His putrid breath dropped birds in flight and frogs from the trees to the ground. It laid the tall wheat grass down around the path as far as one could see. At the bank of the Han River, Kim heard the unholy roar of the beast and fell back into the longboat. Peering over the side, he saw the river water dancing (as it does when an alligator sounds its mating call). Kim saw the birds falling from the sky and the frogs dropping into the river and along the shore. He was struck with fear. The repugnant creature spoke to Myung-Dae Kwon with a horrifying voice. In your cloak you carry a script that belongs to me. Put it in this box, and I will not harm you.

Sarah's Sin Tami Hoag,2009-02-19 From award-winning author Tami Hoag comes a warm, moving story of two cultures in conflict and two hearts in love. Matt Thorne had come to his sister's rural inn to recover from an injury far from the city and his fast-paced life as an emergency room physician. Drifting between sleep and waking, Matt didn't trust his eyes when he saw the young woman who sat at his bedside in her plain cotton dress and apron, her chestnut hair tucked demurely beneath a white bonnet, like a beautiful vision from the past century. Sarah Troyer had been warned about the womanizing Dr. Throne, but nothing prepared her for the shiver of desire that shook her to her core when she gazed at him. Though her life was bound by the simple Amish way, Sarah had always longed for the world outside. Her job at the inn already branded her as a rebel in her community, and falling in love with a stranger would mean the loss of her family and the only life she knew. Yet something sparked within her with every touch of his hand, each glance from his dark eyes. Sarah was willing to allow herself a brief, secret adventure in the arms of a forbidden man. But she hadn't counted on Matt's passionate love—a love that would not let go, a love that could cost them both everything they knew....
