Special Powers and the Nine Rings Mike J. Rockeyfeller,2012-06-08 In Special Powers and the Nine Rings, author Mike J. Rockeyfeller talks about the clues left behind as each of the people from his life meet their fate. From an early age, Rockeyfeller was suspicious of his relatives as they discounted his right to property over the years. His Uncle Gee just took his fathers land, car, and truck as his own when he died, never considering his nephews right to his own fathers property. Rockeyfeller lives his life by accepting his intuition and recognizing that events do not happen by chance. There is no specific time to relax ones senescens and ignore intuition. He recounts the instances where his intuition is borne out in the events that take place, from a friend accidently shooting himself with twenty-three hours of his birthday to the death of his selfish Uncle Gee in a train crash. Destiny has its own plan, and once its in place, there is no going back. There are dates that have special meaning in each persons life. You can uncover the dates that have significance in your life and relate them to all that is meaningful to you. Claim the good karma for yourself.
Secrets, Surprises, and Love Julie Russell,2022-06-28 Growing up on a hard-working farm in the fifties, Julie and her siblings know the power of sticking together. Through accidents, near-escapes, bullying, and occasional racism, they rely on each other, delighting in the landscape and fierce seasons of northeastern Saskatchewan. From adventures in the dugout with the “stone boat” to gruesome injuries in the timber yard, births, miscarriages, and first dates, Secrets, Surprises, and Love is a testament to the scope of childhood ingenuity and a family life guided by love and faith. A personal memoir of the author’s life from birth until young adulthood, Secrets, Surprises, and Love is also a vivid and detailed historical document of a time very different from our own.
