David Monnery

**SBS** John Parker,2013-02-28 The men of the SBS are the maritime equivalent of their counterparts in the SAS; they are the elite of the British Special Forces and also the most secretive. Although SAS activity has been extensively documented, the SBS has remained in the state it prefers - a shadowy silhouette, with identities protected and missions kept from public view. Formed during the Second World War, when they took part in many daring raids (one of which was filmed as The Cockleshell Heroes), they were active in the jungle campaigns in the Far East, in the Falklands, the Gulf War and Bosnia. Since this seminal book was published in 1997, John Parker has been privy to much more inside information about the SBS's original operations and he brings the book right up to date with accounts of their exploits in East Timor, Somalia, Sierra Leone, Kosovo and most recently in Iraq.

**The SBS Story** Ien Ang,Gay Hawkins,Lamia Dabboussy,2008 This important book, based on extensive interviews and unprecedented access to SBS archives, argues that SBS is one Australia's most significant and innovative cultural institutions and that its charter to broadcast for multicultural Australia is as relevant today as it was when the organization started 30 years ago.

**Marine G SBS** David Monnery,2016-01-20 South China Sea, 1995. Pirates rule the waves and ships are disappearing in deadly ocean blackspots. To combat these cut-throats, a SBS team is sent to Singapore to play a game of high-stakes hide-and-seek across the tropical seas, picking up a trail which leads them north towards Hong Kong. Meanwhile, as the Communist Chinese takeover looms for the British colony, Inspector Rosalie Kai is investigating a barbaric cross-border trade in unwanted female babies. Soon both she and the SBS team find themselves in the underworld jungle up against a criminal organization that stretches from one end of the South China Sea to the other, fighting rogue elements of the Indonesian Army, corrupt policemen, and the foot soldiers of the fearsome Triads. This is classic military fiction at its best.

*The SBS in World War II* Gavin Mortimer,2013-09-20 The Special Boat Squadron was Britain's most exclusive Special Forces unit during World War II. Highly trained, totally secretive and utterly ruthless, the SBS was established as an entity in its own right in early 1943, having previously operated under the auspices of the SAS during the war in North Africa. Unlike its sister unit, which numbered more than 1,000 men, the SBS never comprised more than 100. Led by men such as the famed Victoria Cross recipient Anders Lassen, the SBS went from island to island in the Mediterranean, landing in the dead of night in small fishing boats and launching savage hit and run raids on the Germans. By the end of the war they had served in Italy, the Balkans and mainland Greece, and following the cessation of hostilities their deeds were airbrushed out of history by an establishment that had never warmed to their piratical exploits. Through unrivalled access to the SBS archives and interviews with the surviving members of the unit, Gavin Mortimer has pieced together the dramatic exploits of this elite fighting force, fully illustrated with images of their daring actions, finally granting the unit the recognition they so richly deserved.

*S.B.S. Builders, Inc. v. Madison Heights, 389 MICH 323 (1973) ,1973 54044*

*Marine I SBS* David Monnery,2016-01-20 In 1995, in the aftermath of the First Gulf War, a defector from Saddam Hussein's Iraq makes contact with the Western press. He claims to have startling new information about an Iraqi nuclear weapons programme, but suddenly he disappears without a trace. Unwilling to risk a new war in the Gulf, the West disregards him as a fraud, but a key scientific advisor to the British government has other ideas. When news of a hush-hush project on a converted rig in the Caspian Sea breaks with reports of another disappearance – this time of a nuclear missile expert – the threads of an international plot are unravelled. It soon becomes clear that there is only one group with the necessary skills to investigate: Britain's legendary Special Boat Squadron. Marine I SBS: Escape from Azerbaijan finds the Squadron's finest in a corner of the old Soviet Union riven by war and lawlessness, fighting for survival against the sadistic intelligence agents of Saddam's Mukhabarat and the heirs of the KGB. This is classic military fiction at its best.
