Flipped Wendelin Van Draanen,2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of Flipped, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for Flipped: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." -- The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." -- SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." --Publishers Weekly, Starred review

Rock & Roll Larry Singer,2017-09-15 In 1971, college-freshman Larry Singer approached a local concert promoter for permission to take photographs for a local newspaper. Little did he know that, a verbal agreement and handshake later, he would have unrestricted access to the luminaries of rock-and-roll! In the ensuing years, Singer was recruited as a photographer for Circus magazine and shot photos of The Who, Bob Dylan, Deep Purple, The Rolling Stones, Van Halen, Alice Cooper, and many more. Today, his work is included in the permanent collection of the Rock & Roll Hall of Fame and has been featured in music documentaries about the legends of the 1970s and early 1980s. In this book, he takes readers behind the scenes with stories and photos from his favorite performers and concerts. -- Larry Singer

Expanding Free Expression in the Marketplace Dom Caristi,1992-04-20 In order for free expression to be meaningful, there must be forums available for individuals wishing to express themselves. Despite an increasing number of broadcast stations, there are still far more people wishing to speak than there are licenses. This book examines the marketplaces for free speech and proposes means by which speaking opportunities can be increased. The author even proposes the creation of broadcast access channels. Unlike access proposals of the past, these channels would respect the rights of broadcasters and cable operators by not requiring them to accommodate speakers, but, rather, by establishing electronic soapboxes, open to speakers on a first-come basis, reflecting the traditional speech making in parks and on street corners. Caristi begins his work by examining the various freedom of expression theories. He asserts that of all the values protected, free expression as self-fulfillment is the most expansive and should be the approach adopted whenever possible. Through legal history and analysis, the book examines the cases and commentary relevant to public forum and broadcast cases. Red Lion, Tornillo, and their progeny are examined for rationale in regulating media. Despite claims to the contrary, scarcity is seen as an appropriate regulatory approach for broadcasting. This book is a valuable contribution to the discussion of first amendment and communication policy, and it should be of interest to students in communication, law, and public policy.

November Project: The Book Brogan Graham,Bojan Mandaric,Caleb Daniloff,2016-04-12 November Project: The Book is the story of how two irreverent, way-outside-the-box fitness fanatics are flipping the fitness

industry on its head and literally making the world a better place, one city at a time. No facility. No machines. Just two dudes and a tribe of thousands. Welcome to November Project’s world takeover. What started 4 years ago as a simple monthlong workout pact between two former Northeastern University oarsmen in Boston has grown into an international fitness phenomenon. November Project espouses free, public, all-weather, outdoor group sweats that turn strangers into friends and connect everyone to the city in which they live. It’s been described as everything from flashmob fitness to “the fight club of running clubs” and a cult. But November Project prides itself on defying categories. In November Project: The Book, Brogan Graham (a.k.a. BG) and Bojan Mandaric, in their own spicy, big-hearted words, chronicle, along with tribe member and writer Caleb Daniloff, their fitness movement’s genesis, evolution, operations, membership, “secret sauce,” and future—and along the way, show you how you can get fit and societally engaged. The book also includes illustrated workouts; the keys to meaningful civic engagement; information on using your city as a gym; advice on starting an NP tribe; tips on growing, sustaining, and invigorating membership through social media; and thoughts on the collective power of community.
