Scary Ghost Stories Max Mason Hunter,2016-10-31 REAL Eyewitness Accounts: The World's Most Possessed Woods, Houses and Haunted Places... Claim Your FREE Bonuses After the Conclusion! What would you do if you ever encountered a spirit or otherworldly entity? Do you think you would flee the scene, screaming as you put as much distance between you and the unknown? Or would you try your hardest to communicate with the entity? The idea of ghosts and spirits is not a new concept. Records of ghosts have been reported since the beginnings of civilization as we know it. But nothing prepares you for the moment you eventually come face to face with a paranormal entity. This book covers many houses, public places and forests that are said to be the homes of the supernatural. In these places, the spirits are not shy in the presence of the living. Often they will whisper in a person's ear or touch the small of their back with their unseen, freezing fingertips. These spirits recollect fragments of their previous life-moments in which they too had been alive and well. Each haunted location in our world has a unique background—a context in which to approach each marvelously haunted place. Sometimes the world is cruel and will steal a young life, or make a person endure a brutal and painful death. It is important to understand why certain spirits we encounter in specific places may seem angry or upset, and we must interact with them in a manner that reflects our understanding of the life they had lived... Four Months of Terror Rebecca Patrick-Howard,2014-06-19 In 1990 a single mother and her 10 year old daughter move into an old house in a quiet central Kentucky town. Their excitement of living in a piece of history fades, however, as they slowly become convinced there's something malevolent in the walls of their rental property.

The Ghost Perfumer Gabe Oppenheim,2021-12-23 This is the story of a genius and a fraud. For more than half a century, Olivier Creed, heir to a French fashion empire but out to conquer an adjacent field by himself, created the most compelling and costly perfumes in the world - scents so successful - artistically and commercially - that the world's largest asset manager bought his small olfactory enterprise for nearly \$1 billion in 2020. One could arguably have called him the world's most capable perfumer. Except Olivier Creed never authored the scents for which he has long received acclaim and lucre. Gabe Oppenheim reveals the heretofore untold story behind this supposed-cologne colossus of a man - and the eponymous company that became a social media

sensation: That scents were authored by someone else entirely - a brilliant ghostwriter - a hidden, scholarly figure with a great passion for Proust and an unfortunate tendency to doubt the quality of his own compositions. How these two figures met and the arrangement was struck - how they circled each other warily for the next 40 years - how lies, told often enough, became truths - Gabe Oppenheim examines as he journeys into the heart of an industry mystifying and fanciful, enormous and intimate, sensuous and yet so-damn-insubstantial. It's an expedition that takes him to a Creed shop in Dubai and the castle in Normandy where the Ghost resides, having left behind a Parisian world that, in some sense, never acknowledged him. And yet, he's a legend in a certain section of the scented demimonde for a few achievements so innovative he wouldn't yield them even to a charismatic manipulator. Oppenheim explores issues of attribution and artistry, credit and craftsmanship, ingenuity and disingenuousness. The Ghost Perfumer is the story of a genius and a fraud. And perhaps the greatest con in the history of luxury retail.

The Yellow Wallpaper Charlotte Perkins Gilman, 2023-03-06 Edited with a new introduction by Aimee McLaughlin *The Yellow Wallpaper* by American writer Charlotte Perkins Gilman, first published in January 1892, is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century. What happens when a woman is pushed too far? Is she able to express her thoughts and feelings, or is she forced towards the expectation of behaving 'normally' again soon? A woman travels with her husband to an old colonial mansion after a nervous breakdown triggered by the birth of their child. Confined to the nursery and allowed only to breathe fresh air, eat well and rest in line with a regimented 'cure', she slowly begins to unravel at the seams. Her only distraction is writing in secret - that, and the woman she begins to see trapped inside the yellow wallpaper of the room itself. Isolated and breaking apart, she sets herself a task: to free the woman, and to become one with her temporary confinement. Charlotte Perkins-Gilman's 'The Yellow Wallpaper' presents a harrowing, disturbing account of mental stress, confinement and female turmoil - within which the only available solace can be found inside four peeling, sickly yellow walls ... Our new edition also features the sequence of poems *Woman* by Charlotte Perkins Gilman. The gothic genre offers Gilman an effective mode of diagnosing contemporary culture whilst in tandem expressing her ensuing fears and anxieties. Gilman within this novella, gothicises the domestic setting, inverting the pillars of domesticity: family, security and understanding, in turn unveiling the dangers lurking behind the familiarity of gender roles within marital relations. The intimate first-person narration of the narrative serves to enhance Gilman's exposure of the oppressive forces of a male-dominated society, as she deplores her protagonist's inferior position in her domestic arrangement. The female narrator is encumbered by masculine superiority, undoubtedly dwelling in the middle of patriarchy. Embedded within her characterisation is the subjugated role bestowed upon Victorian women. Gilman projects derangement onto a familiar literary figure — the middle-class wife and mother — placing the source of this madness in the inviolate sphere for dutiful women — the home. from the new introduction to *The Yellow Wallpaper* by Aimee McLaughlin

A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes "a terrifying twist on classic gothic horror" (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to

invade Noemi's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. "It's as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic."—The Washington Post "Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre's most exciting talents."—Nerdist "A period thriller as rich in suspense as it is in lush '50s atmosphere."—Entertainment Weekly
