Theatre and the Macabre Kevin J. Wetmore, Jr., Meredith Conti, 2022-03-15 The 'macabre', as a process and product, has been haunting the theatre – and more broadly, performance – for thousands of years. In its embodied meditations on death and dying, its thematic and aesthetic grotesquerie, and its sensory-rich environments, macabre theatre invites artists and audiences to trace the stranger, darker contours of human existence. In this volume, numerous scholars explore the morbid and gruesome onstage, from freak shows to the French Grand Guignol; from Hell Houses to German Trauerspiel; from immersive theatre to dark tourism, stopping along the way to look at phantoms, severed heads, dark rides, haunted mothers and haunting children, dances of death and dismembered bodies. From Japan to Australia to England to the United States, the global macabre is framed and juxtaposed to understand how the theatre brings us face to face with the deathly and the horrific.

Seduction Quincy Troupe, 2018-12-15 The world is made of seductions. In Quincy Troupe's *Seduction*, the I becomes the Eye, serving as metaphor and witness in a narrative compilation from a master of poetic music. Elegies and dramatic odes look at the seduction of all things loved or hated, especially the man made of color. How did the killings of Michael Brown, Tamir Rice, and Trayvon Martin seduce the public's eye and catch the fire of racism? How did Aretha Franklin seduce us with voice and twang? How does the art of Romare Bearden or Jack Whitten still tell our truths, fantasies, and oppressions? time is a bald eagle, a killer soaring high in the blue, / music to men dodging bullets in speeding cars, / knew death, hoped it'd never come . . . In this collection we are seduced by Troupe's opus. This is the poet's art laid bare. He is our Eye. Visions of the transatlantic slave trade, portraits of American violence, pop culture, and historical voices are the lyrical relics in Troupe's masterful verse. One of American literature's most important rhythmical artists, Troupe has created a chronicle reaching through history for the collective I/Eye that is all of us.
