The Ninth Necromancer needs a swordswoman. Gideon has a sword, some dirty magazines, and no more time for undead nonsense. Tamsyn Muir's Gideon the Ninth unveils a solar system of swordplay, cut-throat politics, and lesbian necromancers. Her characters leap off the page, as skillfully animated as arcane revenants. The result is a heart-pounding epic science fantasy. Brought up by unfriendly, ossifying nuns, ancient retainers, and countless skeletons, Gideon is ready to abandon a life of servitude and an afterlife as a reanimated corpse. She packs up her sword, her shoes, and her dirty magazines, and prepares to launch her daring escape. But her childhood nemesis won't set her free without a service. Harrowhark Nonagesimus, Reverend Daughter of the Ninth House and bone witch extraordinaire, has been summoned into action. The Emperor has invited the heirs to each of his loyal Houses to a deadly trial of wits and skill. If Harrowhark succeeds she will become an immortal, all-powerful servant of the Resurrection, but no necromancer can ascend without their cavalier. Without Gideon's sword, Harrow will fail, and the Ninth House will die. Of course, some things are better left dead. 21st-Century Yokel Tom Cox,2017-11-16 Longlisted for the Wainwright Golden Beer Book Prize 21st-Century Yokel is not quite nature writing, not quite a family memoir, not quite a book about walking, not quite a collection of humorous essays, but a bit of all five. Thick with owls and badgers, oak trees and wood piles, scarecrows and ghosts, and Tom Cox's loud and excitable dad, this book is full of the folklore of several counties – the ancient kind and the everyday variety – as well as wild places, mystical spots and curious objects. Emerging from this focus on the detail are themes that are broader and bigger and more important than ever. Tom's writing treads a new path, one that has a lot in common with a rambling country walk; it's bewitched by fresh air and big skies, intrepid in minor ways, haunted by weather and old stories and the spooky edges of the outdoors, restless and prone to a few detours, but it always reaches its destination in the end.

A Promise Not Kept Jim Turner,2008 Meet Harry Adkins, a self-declared cockeyed optimist. Adkins believes he can beat any odds. Overweight, heavy

drinking, a philandering international businessman in his forties with a long suffering wife when the story opens, he might have come to the end of that road of optimism. Friend and physician, Dr. Alex Quick-Campbell, offers an escape route. He signs up for the Healthy Hearts Live Longer study. Following a year of training and monitoring, H2 L2 predicts the precise day of the patient's death. A threat lurks in the background. Convicted murderer, Johnnie Allegro, has vowed to avenge his death penalty sentence by going after Adkins, the jury foreman. On the day a slimmer and healthier Adkins receives the predicted date of his death, Adkins decides to finish cleaning up his life. He sends a fax to Naomi, his Japanese business partner: their long-standing affair is over. Flash forward ten years. Today is the predicted day of Adkins' death. He has misremembered the day by one, however, and wakes up feeling victorious, his cockeyed optimism vindicated. He's alive! Healthy! Rich! Life is good! But Allegro has escaped from jail. There's a surprise in store. It's well worth the anticipation. There's a full meal of life in this witty novel. In the end, we root for cockeyed optimism to prevail: we want to wish Adkins a long and happy life. Scott Driscoll, M.F.A., award winning Seattle Freelance writer

Burnt Toast Makes You Sing Good Kathleen Flinn, 2014-08-14 A delicious new memoir from the New York Times bestselling author of *The Sharper Your Knife, the Less You Cry* A family history peppered with recipes, *Burnt Toast Makes You Sing Good* offers a humorous and flavorful tale spanning three generations as Kathleen Flinn returns to the mix of food and memoir readers loved in her New York Times bestseller, *The Sharper Your Knife, the Less You Cry*. Brimming with tasty anecdotes about Uncle Clarence's divine cornflake-crustured fried chicken, Grandpa Charles's spicy San Antonio chili, and Grandma Inez's birthday-only cinnamon rolls, Flinn—think Ruth Reichl topped with a dollop of Julia Child—shows how meals can be memories, and how cooking can be communication. *Burnt Toast Makes You Sing Good* will inspire readers (and book clubs) to reminisce about their own childhoods—and spend time in their kitchens making new memories of their own.

volunteers*A reference book for anyone working with end of life issues: Lay ministers, social workers, counselors, nurses, chaplains*An easy read for anyone interested in dying and grief*A text book in college and university classes, CNA training, social work and LPN/RN classesThis material may be described as an end of life book however, as the title states, its content and philosophy is all about The Final Act of Living.

The Book of Accidents Chuck Wendig,2021-07-20 'Move over King, Chuck Wendig is the new voice of modern American horror' Adam Christopher 'A rich, rewarding tale' The Guardian

A family returns to their hometown - and to the dark past that haunts them still - in this masterpiece of literary horror by the New York Times bestselling author of *Wanderers* When Nate's father dies, he leaves behind a final gift for his son: his childhood home. Married now, Nate decides to move in with his wife, Maddie, and their son, Oliver, seeking peace from the chaos of the city. But it doesn't take long before things get strange in the night and even stranger by day. Because Nate was a child being abused by his father, and has never told his family. Because Maddie was a little girl who saw something she shouldn't have. Because something sinister, something hungry, walks in the tunnels and the mountains and the coal mines of this town in rural Pennsylvania... And now, what happened all those years ago is happening again, and this time, it is happening to Oliver. When he meets a strange boy with secrets of his own and a taste for dark magic, he has no idea that what comes next will put his family at the heart of a battle of good versus evil.

'The dread, the scope, the pacing, the turns-I haven't felt all this so intensely since *The Shining*' - Stephen Graham Jones 'Universally horrifying and viscerally intimate, Wendig brilliantly uses *The Book of Accidents* to explore a painful truth: in the end, we all haunt ourselves' - Kiersten White

Every Note Played Lisa Genova,2018-03-20 "Unsparing in her depiction of the

disease's harrowing effects, neuroscientist Genova also celebrates humanity." –People "Sometimes it's easier to tell truth in fiction...And she tells it with heart and hope." –NPR "Her juxtaposition of scientific detail with compassionate, heartfelt storytelling is unparalleled." –Bookreporter "Every Note Played will grip and gut you." –The Boston Globe From neuroscientist and New York Times bestselling author of *Still Alice* comes a powerful exploration of regret, forgiveness, freedom, and what it means to be alive. An accomplished concert pianist, Richard received standing ovations from audiences all over the world in awe of his rare combination of emotional resonance and flawless technique. Every finger of his hands was a finely calibrated instrument, dancing across the keys and striking each note with exacting precision. That was eight months ago. Richard now has ALS, and his entire right arm is paralyzed. His fingers are impotent, still, devoid of possibility. The loss of his hand feels like a death, a loss of true love, a divorce—his divorce. He knows his left arm will go next. Three years ago, Karina removed their framed wedding picture from the living room wall and hung a mirror there instead. But she still hasn't moved on. Karina is paralyzed by excuses and fear, stuck in an unfulfilling life as a piano teacher, afraid to pursue the path she abandoned as a young woman, blaming Richard and their failed marriage for all of it. When Richard becomes increasingly paralyzed and is no longer able to live on his own, Karina becomes his reluctant caretaker. As Richard's muscles, voice, and breath fade, both he and Karina try to reconcile their past before it's too late. Poignant and powerful, *Every Note Played* is a masterful exploration of redemption and what it means to find peace inside of forgiveness.

The Poison Thread Laura Purcell, 2019-06-18 [An] uncanny Gothic mystery... Satisfying.—New York Times Book Review A romping read with a deliciously dark conceit at its center... Reminded me of *Alias Grace*.—Kiran Millwood Hargrave From the author of *The Silent Companions*, a thrilling Victorian gothic horror story about a young seamstress who claims her needle and thread have the power to kill Dorothea TrueLove is young, wealthy, and beautiful. Ruth Butterham is young, poor, and awaiting trial for murder. When Dorothea's charitable work brings her to Oakgate Prison, she is delighted by the chance

to explore her fascination with phrenology and test her hypothesis that the shape of a person's skull can cast a light on their darkest crimes. But when she meets one of the prisoners, the teenaged seamstress Ruth, she is faced with another strange idea: that it is possible to kill with a needle and thread--because Ruth attributes her crimes to a supernatural power inherent in her stitches. The story Ruth has to tell of her deadly creations--of bitterness and betrayal, of death and dresses--will shake Dorothea's belief in rationality, and the power of redemption. Can Ruth be trusted? Is she mad, or a murderer? For fans of Shirley Jackson, *The Poison Thread* is a spine-tingling, sinister read about the evil that lurks behind the facade of innocence.

White Fragility Dr. Robin DiAngelo, 2018-06-26 The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people'" (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The Visitors Catherine Burns, 2017-09-26 With the smart suspense of Emma Donoghue's *Room* and the atmospheric claustrophobia of *Grey Gardens*, this "bizarrely unsettling, yet compulsively readable" (Iain Reid, internationally bestselling author of *I'm Thinking of Ending Things*) thriller explores the twisted realities that can lurk beneath even the most serene of surfaces. What becomes of a child who grows up without love? Marion Zetland lives with her domineering older brother John in a crumbling mansion on the edge of a northern seaside resort. A timid spinster in her fifties who still sleeps with teddy bears, Marion does her best to live by John's rules, even if it means turning a blind eye to the noises she hears coming from behind the cellar door...and to the women's laundry in the hamper that isn't hers. For years, she's buried the signs of John's devastating secret into the deep recesses of her mind--until the day John is crippled by a heart attack, and Marion becomes the only one whose shoulders are fit to bear his secret. Forced to go down to the cellar and face what her brother has kept hidden, Marion discovers more about herself than she ever thought possible. As the

truth is slowly unraveled, we finally begin to understand: maybe John isn't the only one with a dark side....
