Within Arm's Length: A Secret Service Agent's Definitive Inside Account of Protecting the President Dan Emmett,2014-06-10 An inside account by a Secret Service agent who provided protection for three Presidents describes stories of some of his more high-profile assignments and the personal and professional challenges faced by Secret Service agents and their families. 40,000 first printing.

*What High Schools Don't Tell You (And Other Parents Don't Want You to Know)* Elizabeth Wissner-Gross,2008-06-24 From the author of *What Colleges Don't Tell You*, a plan to help parents of middle and early high school students prepare their kids for the best colleges In order to succeed in the fiercely competitive college admissions game, you need a game plan—and you have to start young. In this empowering guide, Elizabeth Wissner- Gross, a nationally sought-after college “packager,” helps parents of seventh to tenth graders create a long-term plan that, come senior year, will allow their kids to virtually write their own ticket

into their choice of schools. Parents should start by helping their kids identify their academic passions, then design a four-year strategy based on those interests. The book details hundreds of opportunities available to make kids stand out that most high school guidance counselors and teachers simply don't know about or don't think to share. This indispensable guide should be required reading for any parent whose child dreams of attending one of the country's top colleges.

**The Untold Story of Advertising - Masters of Marketing Secrets: Origins of American Marketing Revealed... Dr.**

Robert C. Worstell, Albert D. Lasker, 2014-05-28 Albert Davis

Lasker started out as a newspaper reporter when still a teenager but soon got interested in advertising. He started first as an office clerk and later became a salesman. He then asked to be given responsibility for a money-losing account so that he could try his hand at copywriting. By the age of 20, he had bought Lord & Thomas advertising agency and remained its chief executive for more than four decades. This book is as close as readers can come to an autobiography. This book tells the story of how he shaped the agency which ranked number one in its day. Originally published in 26 installments of *Advertising Age*, this book takes into the boardroom of Lord & Thomas and reveals the business philosophy and hard-won knowledge of the man who was its leader for 40 years. Get your copy today and learn how the earliest and most successful marketer in the first half of this century created that success.

**School's Choice** Wagma Mommandi, Kevin Welner, 2021

Access issues are pivotal to almost all charter school tensions and debates. How well are these schools performing? Are they segregating and stratifying? Are they public and democratic? Are

they fairly funded? Can apparent successes be scaled up? Answers to all these core questions hinge on how access to charter schools is shaped. This book describes the incentives and pressures on charter schools to restrict access and examines how charters navigate those pressures, explaining access-restricting practices in relation to the ecosystem within which charter schools are created. It also explains how charters have sometimes responded by resisting the pressures and sometimes by surrendering to them. The text presents analyses of 13 different types of practices around access, each of which shapes the school's enrollment. The authors conclude by offering recommendations for how states and authorizers can address access-related inequities that arise in the charter sector. School's Choice provides timely information on critical academic and policy issues that will come into play as charter school policy continues to evolve. Book Features: Examines how charter schools control who gains and retains access. Explores policies and practices that undermine equitable admission and encourage opportunity hoarding. Offers a set of policy recommendations at the state and federal level to address access-related issues.

The Secret Syllabus Jay Phelan,Terry Burnham,2022-07-05  
The unwritten rules of success that every student must follow to thrive in college The Secret Syllabus equips students with the tools they need to succeed, revealing the unwritten rules and cultural norms and expectations not included in the official curriculum. Left to figure out on their own how the academic world works, students frequently stumble, underperform, and miss opportunities. Without mastery of the secret syllabus, too many miss out on the full, rich experience available to them in college. Jay Phelan and Terry Burnham share the essential lessons they have learned from struggling, unfocused students as well as award-winning college instructors and researchers. The Secret Syllabus draws on Phelan and Burnham's experiences with thousands of undergraduate and graduate students. Weaving engaging storytelling with practical, actionable advice, they illustrate both productive and counterproductive approaches to achieving academic excellence, and highlight the importance of setting and attaining goals, nurturing strong relationships, developing resiliency, and more. This fresh, funny, and boldly innovative book enables students to develop the consistently winning and effective behaviors that will equip them to thrive on campus and beyond.
