Among her late grandmother's belongings, Nikki finds an old notebook filled with handwritten German recipes and wise sayings pulled from the book of Proverbs. With each recipe she makes, she invites locals to the family table to hear their stories about the town's history, her ancestors--and her estranged father. What started as a cathartic way to connect to her heritage soon becomes the means through which she learns how the women before her endured--with the help of their cooking prowess. *Manresa* David Kinch, Christine Muhlke, 2013-10-22 The long-awaited cookbook by one of the San Francisco Bay Area's star chefs, David Kinch, who has revolutionized restaurant culture with his take on the farm-to-table ethic and focus on the terroir of the Northern California coast. Since opening Manresa in Los Gatos in 2002, award-winning Chef David Kinch has done more to

create a sense of place through his food—specifically where the Santa Cruz Mountains meet the sea—than any other chef on the West Coast. Manresa's thought-provoking dishes and unconventional pairings draw on techniques both traditional and modern that combine with the heart of the Manresa experience: fruits and vegetables. Through a pioneering collaboration between farm and restaurant, nearby Love Apple Farms supplies nearly all of the restaurant's exquisite produce year round. Kinch's interpretation of these ingredients, drawing on his 30 years in restaurants as well as his far-flung and well-fed travels, are at the heart of the Manresa experience. In Manresa, Chef Kinch details his thoughts on building a dish: the creativity, experimentation and emotion that go into developing each plate and daily menu—and how a tasting menu ultimately tells a deeper story. A literary snapshot of the restaurant, from Chef Kinch's inspirations to his techniques, Manresa is an ode to the mountains, fields, and sea; it shares the philosophies and passions of a brilliant chef whose restaurant draws its inspiration globally, while always keeping a profound connection to the people, producers, and bounty of the land that surrounds it.
