Now, if you're sitting comfortably, follow me into my wonderful world and Elliot's journey... Sorry Bro!

Women and the White House Justin S. Vaughn,Lilly J. Goren,2012-11-30 As the first female vice president takes office, this volume explores gender perceptions and the executive role: “An important, impressive book” (Lane Crothers, author of Globalization and American Popular Culture). The president of the United States has traditionally served as a symbol of power, virtue, ability, dominance, popularity, and patriarchy. In recent years, however, a number of high-profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans’ perceptions of the country's highest political office. In this timely volume, editors Justin S. Vaughn and Lilly J. Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles. The authors investigate how the candidates’ messages are conveyed, altered, and interpreted in “hard” and “soft” media forums, from the nightly news to daytime talk shows, and from tabloids to the blogosphere. They also address the portrayal of the presidency in film and television productions such as 1964’s Kisses for My President and 2005’s Commander in Chief. With its strong, multidisciplinary approach, Women and the White House commences a wider discussion about the growing possibility of a female president in the United States, the ways in which popular perceptions of gender will impact her leadership, and the cultural challenges she will face.

Flip Kevin Cook,2013-04-18 The first biography of the beloved entertainer who broke the prime-time color barrier When The Flip Wilson Show debuted in 1970, black faces were still rare on television and black hosts nonexistent. Then came Flip—to instant acclaim. His show dueled Marcus Welby, M.D. for the top spot in the ratings. His characters and catchphrases fixed themselves in America’s consciousness, and he helped launch new talent, including Richard Pryor and George Carlin. But how did Clerow Wilson, a motherless Jersey City grade-school dropout, become the celebrity heralded on the cover of TIME as “TV’s First Black Superstar”? Drawing on interviews with family, friends, and celebrities, Kevin Cook offers an inspiring salute to a self-made star who fell from grace, but not before blazing a trail for generations of entertainers to come.

*You Had Me at Pet-Nat* Rachel Signer,2021-10-19 From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her Wildman, to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that

unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.

Bat out of Hell Shaun Donovan,2019-05-03 'Bat out of Hell -The Movie', is the true story of one man's quest to create an epic feature-length film which he truly believes will be the 'movie to end all movies'. Based on the best-selling paperback 'Jupiter's Travel's', by Ted Simon', which tells the true story of this man's unbelievable four-year motorcycle journey around the world, Shaun Donovan attempts to recapture the spirit of the now legendary 'Easy Rider' movie, by combining all the thrills and spills which Ted encompassed along the way, into one blockbuster production -a movie which will set the hearts of bikers around the world alight, as he rekindles their passions for a life of freedom on the road. Armed with a hand-written manuscript, a home-made movie poster -and a soundtrack that should simply blow Ted away, Shaun flies 6,000 miles to the home of Mr. Simon, where he proudly presents the 'Sales pitch of his life'. After listening to various tunes, Ted agrees how uncanny it is that the lyrics in the songs from Meat-Loafs now

legendary 'Bat out of Hell' album could easily portray actual scenes taken from Ted's storyline –and so the stage was now set. Over the next twelve months Shaun embarked on a quest that would involve numerous meetings with the heads of various film and television companies across the UK, before a twist in the tale occurs, when it is suggested that Shaun retrace Ted's journey from start to finish, subsequently creating a six-part documentary series for BBC television, entitled 'Steps of Jupiter -20 years on'. Apart from planning and preparing an 8,000-mile 'solo' motorcycle journey from Cardiff to Cape-Town, read how Shaun also drives the length and breadth of California, before crossing borders into Mexico, and also how he circumnavigates the state of Florida in search of a new life for him and his family, as he desperately tries to cling-on to what is left of his failing marriage, before it is too late! 'Bat out of hell –The Movie' is a compelling manuscript, taken from diaries written by Shaun during the twenty six months he was out of work –a time when he was completely penniless, and all that he had left to hang on to was a dream –a dream which he was determined to turn into a reality.
