Crack Pipe as Pimp Mitchell S. Ratner,1993 A drastic rise in the number of regular crack cocaine users nationwide has lead to a disturbing concomitant phenomenon: the exchange of sexual services for crack or for money to buy the drug. Or maybe you're wondering how to avoid digital overload. You definitely want your kids to use devices wisely...but how do you -teach them to do that? Many parents wonder: At what age should I buy my kid a phone? How long should I allow my kid to play video games each day? How can I keep my kids safe with the screens they already have? At what age should I allow my kids on social media? What if my teen insists on having their device in their bedroom at night? Parenting Generation Screen will not only
