Harlan Ellison

The Accidental Beauty Queen Teri Wilson,2018-12-04 In this charming romantic comedy perfect for fans of Meg Cabot and Sophie Kinsella, critically acclaimed author Teri Wilson shows us that sometimes being pushed out of your comfort zone leads you to the ultimate prize. Charlotte Gorman loves her job as an elementary school librarian, and is content to experience life through the pages of her books. Which couldn't be more opposite from her identical twin sister. Ginny, an Instagram-famous beauty pageant contestant, has been chasing a crown since she was old enough to enunciate the words world peace, and she's not giving up until she gets the title of Miss American Treasure. And Ginny's refusing to do it alone this time. She drags Charlotte to the pageant as a good luck charm, but the winning plan quickly goes awry when Ginny has a terrible, face-altering allergic reaction the night before the pageant, and Charlotte suddenly finds herself in a switcheroo the twins haven't successfully pulled off in decades. Woefully unprepared for the glittery world of hair extensions, false eyelashes, and push-up bras, Charlotte is mortified at every unstable step in her sky-high stilettos. But as she discovers there's more to her fellow contestants than just wanting a sparkly crown, Charlotte realizes she has a whole new motivation for winning.

I Have No Mouth & I Must Scream Harlan Ellison,2014-04-29 Seven stunning stories of speculative fiction by the author of A Boy and His Dog. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

Stormy Persuasion Johanna Lindsey,2014-06-10 #1 New York Times bestselling author Johanna Lindsey returns to the dazzlingly passionate world of the Malorys, an aristocratic family of rakehell adventurers and spirited ladies, in a thrilling new tale of unbridled desires. Judith and Jacqueline Malory are not simply cousins; they are inseparable best friends. Refusing to miss Jacqueline's come-out in Connecticut, Judy convinces her parents, James and Georgina, to let her delay her London debut by a few weeks so she can accompany her cousin. Neither girl intends to fall in love during her first Season. But Judy's plans are overturned when aboard ship she comes face-to-face with the ghost who has been haunting her dreams. Unknown to the Malorys, deckhand Nathan Tremayne is a smuggler with a noose around his neck. Determined to carry out a covert mission in America that could gain him a pardon, Nathan senses that Judith is trouble. Somehow the minx knows his secret—and now she's blackmailing him into doing her bidding—teaching her how to climb the rigging and how to kiss. While passions can soar on the high seas, Nathan knows this aristocratic beauty is merely amusing herself with a scoundrel like him. When the unthinkable happens in Connecticut and the elder Malorys' hands are tied, Nathan takes command of a dire situation. Captaining his own ship, he turns the tables on Judy and steers them into uncharted waters, where a lady might just throw caution to the wind and give her heart to a scoundrel.

The Committed Viet Thanh Nguyen,2021-03-02 The long-awaited follow-up to the Pulitzer Prize-winning The Sympathizer, which has sold more than one million copies worldwide, The Committed follows the man of two minds as he arrives in Paris in the early 1980s with his blood brother Bon. The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the Sympathizer finds Paris both seductive and disturbing.

As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese “aunt,” he finds stimulation for his mind but also customers for his narcotic merchandise. But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. The Sympathizer will need all his wits, resourcefulness, and moral flexibility if he is to prevail. Both highly suspenseful and existential, *The Committred* is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen’s position in the firmament of American letters.

What is e-book? Nicolae Sfetcu, 2014-05-10 The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with EPUB preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

Earth Force Shemer Kuznits, 2019-04-30 On the first day, a mist descended from the heavens blanketing Earth. On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began... There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.

Wanderlust Rebecca Solnit, 2001-06-01 A passionate, thought-provoking exploration of walking as a political and cultural activity, from the author of Orwell's *Roses* Drawing together many histories--of anatomical evolution and city design, of treadmills and labyrinths, of walking clubs and sexual mores--Rebecca Solnit creates a fascinating portrait of the range of possibilities presented by walking. Arguing that the history of walking includes walking for pleasure as well as for political, aesthetic, and social meaning, Solnit focuses on the walkers whose everyday and extreme acts have shaped our culture, from philosophers to poets to mountaineers. She profiles some of the most significant walkers in history and fiction--from Wordsworth to Gary Snyder, from Jane Austen's Elizabeth Bennet to Andre Breton's Nadja--finding a profound relationship between walking and thinking and walking and culture. Solnit argues for the necessity of preserving the time and space in which to walk in our ever more car-dependent and accelerated world.
