The Acts of the Apostles P.D. James,1999-01-01 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

The Book of Matthew Andy Nash,2015

The Book of Acts Wilson Paroschi,2018 Thirty years-that's all it took. In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit. We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. New Horizons in Sabbath School Teaching T. Leslie Ferdinand,2016

Graffiti in the Holy of Holies Clifford Goldstein,2004-02 In books, on the Internet, and through his own publication, an outspoken former adventist minister is attacking our church, especially the 1844 Investigative Judgment. These shots take aim at the heart of Adventism, extending to Ellen White, who is being called a false prophet because she supported the sanctuary doctrine. How can we respond? Can 1844 and the investigative judgment be supported biblically? Is this teaching contrary to the gospel, as this ex-Adventist minister claims, or are these challenges misguided efforts to blemish one of the most important revelations of God's character?In Graffiti in the Holy of Holies, author and church apologist, Clifford Goldstein, examines the arguments against Ellen White and the pre-Advent judgment, and responds, point-by-point. The result is a thoughtful and clear defense that goes beyond his earlier 1844 Made Simple in revealing the Bible-based, and gospel-uplifting truth about the sanctuary. At the same time Goldstein confronts and sweeps away myths concerning Ellen White, and affirms her prophetic gift. Vandals are attempting to spoil your faith. The time to know the difference between the Word of God and the graffiti of man is now. This book will make that difference crystal clear. - 1. Three-Legged Stools.2. Sliver in the Foot.3. What Every Seventh-Day Adventist Should Know About the Shepherd's Rod Garrick D. Augustus,2018-08-09 If you are a Seventh-day Adventist Christian, you have no doubt heard of The Shepherd's Rod, a message of present truth and reform first presented to leaders of the Seventh-day Adventist Church in the years 1929 and 1930. It has created much controversy. In What Every Seventh-day Adventist Should Know about The Shepherd's Rod, author Garrick D. Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message. It exposes the systematic misinformation, as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago. It provides clear and accurate answers to the questions raised against the Rod's message. And, it answers the objections church leaders have historically offered as "proof" against its bearing the credentials of inspiration. Augustus fused the forensic methods of evidence analytics, as well as the investigative method of internal evidence analysis, to the claims brought against the message by the leaders of the Seventh-day Adventist Church. His research took him from the Heritage Library in Loma Linda, California, to The Biblical Research Committee in Silver Spring Maryland, and beyond. What Every Seventh-day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from

propaganda. It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh-day Adventism.
