John O'Donovan

The Jungleers William F. McCartney, 2018-03-12

"This book gives the history of your unprecedented accomplishments over a period of four years of combat in World War II. They were, for many of you, painful years through which you fought your way valiantly, step by step, from Australia to the distant final objective, Japan. The magnificent manner in which our Division relentlessly met, defeated, and pursued the enemy shall forever be an inspiration to all military men who believe in Democracy and Freedom. "Herein are transcribed names and events which will help those who were not there to understand; and will be for those of us who stood together a permanent record of some of the experiences we shared. It is not possible to set down the full story in writing. Only a hint of the real hardships, sufferings and anxieties which we experienced; of the courage, determination, and heroism demonstrated in all units, can be given. The full story can only be known by those who participated."

Krishneeyam Alok Jagawat, 2019-03-24 The great Acharya Shri Krishna composed this Grantha in 11th century A.D. Thereafter the book gained unequalled admiration and was quoted in later compositions like Prashnamarg, Vidhyāmādhaviyam and Rudra's commentary on Vrihad Jataka. The Malayalam literary composition like ūnniyaccicaritam carries citation from this great grantha. The earliest mention can be cited from Shri Govinda Bhattatiri of ṭalakkulam (a.d 1237-95) who quoted it frequently. Shri Vishnu the son of Mādhavaacharya has written the Sanskrit commentary caturasundari, which is included in this work. Sriyut Puliyur Puruśottam ṇambudiri wrote the Malayalam commentary. This Grantha is the magnum opus of Horary astrology because of its historical value. This grantha is unique and different from most of the Jyotisha granthas. The grantha is neither too short nor too descriptive. The author mentions

that he has done it intentionally so readers should not lose the interest or it should not become too complex. Level: This book is a part of advance Vedic Jyotisha related to ancient prashna system of Kerala.
