- A Collection of Splash Me and Pumpkin Pounder Enjoy the first two books in the Fairytale Remix Series, gathered for the first time in audiobook box set!! These hot-n-humorous short romances are inspired by your favorite fairytales and pop culture hits: Splash, The Nightmare Before Christmas, Cinderella, and SATC! SPLASH ME A Splash-Inspired Romance Kevin and April have had five dates and their chemistry is off the charts. When some (mildly inebriated) dirty texts lead to confessions of hidden desires, April risks sharing her big one: to recreate an iconic bathtub moment from the 80's mermaid movie, Splash. Never one to back down from a challenge, our bearded and beer-bellied redheaded hero more than delivers in this "modern dating tale." PUMPKIN POUNDER A Halloween Romance Daisy loves gingers, and gingers love her. So much so that her friends have nicknamed her, "Pumpkin Pounder." When her friends invite her to a wild Halloween party aboard an old tug boat, she's ready for anything...especially meeting the perfect guy. The perfect, redheaded guy...with an Irish accent. Problem is, what if she wants him for more than one night?

Chicken of the Sea Viet Thanh Nguyen, 2019-11-26 A band of intrepid chickens leave behind the boredom of farm life, joining the crew of the pirate ship Pitiless to seek fortune and glory on the high seas. Led by a grizzled captain into the territory of the Dog Knights, they soon learn what it means to be courageous, merciful, and not seasick quite so much of the time. A whimsical and unexpected adventure tale, Chicken of the Sea originated in

the five-year-old mind of Ellison Nguyen, son of Pulitzer Prize-winning novelist Viet Thanh Nguyen; father and son committed the story to the page, then enlisted the artistic talents of Caldecott Honor winner Thi Bui and her thirteen-year-old son, Hien Bui-Stafford, to illustrate it. This unique collaboration between two generations of artists and storytellers invites you aboard for adventure, even if you're chicken. Maybe especially if you're chicken.

THE MERMAID - A children's tale by Hans Christian Andersen Hans Christian Andersen, 2018-10-02 ISSN: 2397-9607 Issue 396 In this 396th issue of the Baba Indaba's Children's Stories series, Baba Indaba narrates the Mexican legend, THE MERMAID by H. C. Andersen. You may be wondering why this book is titled 'The Mermaid' and not 'The Little Mermaid'? The Mermaid is the original title and, it is thought, was only changed to the more poetic sounding 'The Little Mermaid' after the author's death in 1875. Because this is a translation of the original version, we have retained the original title, however, the story is essentially the same. The Little Mermaid dwells in an underwater kingdom with her widowed father (the sea king or Mer-King), her dowager grandmother, and her five older sisters, each of whom had been born one year apart. When a mermaid turns fifteen, she is permitted to swim to the surface for the first time to glimpse the world above, and when the sisters become old enough, each of them visits the upper world one at a time every year. As each returns, the Little Mermaid listens longingly to their various descriptions of the world inhabited by human beings. When the Little

Mermaid's turn comes, she rises up to the surface, watches a birthday celebration being held on a ship in honor of a handsome prince, and falls in love with him from a safe distance. A violent storm hits, sinking the boat, and the Little Mermaid saves the prince from drowning. She delivers him unconscious to the shore near a temple. Here, she waits until a young woman from the temple and her ladies in waiting find him. To her dismay, the prince never sees the Little Mermaid or even realizes that it was she who had originally saved his life. The Little Mermaid becomes melancholy and asks her grandmother if humans can live forever. She is told yes, but that once she becomes a human, she will never be able to return to the sea. Only her father can grant her wish. Her Father is astounded at her request and furiously refuses. Even though she tries hard, she cannot forget the prince. Well, what happened next you ask? Did the mermaid princess find a way of joining her prince? Even if she did have her wish granted, how would she find the prince in the world above? To find the answers to these questions, and others you may have, you will have to download and read this story to find out for yourself! Baba Indaba is a fictitious Zulu storyteller who narrates children's stories from around the world. Baba Indaba translates as Father of Stories. Each issue also has a WHERE IN THE WORLD - LOOK IT UP section, where young readers are challenged to look up a place on a map somewhere in the world. The place, town or city is relevant to the story. HINT - use Google maps. Buy any of the 390+ Baba Indaba Children's Stories on Google Play using the URL listed in the book. ALSO INCLUDES LINKS TO DOWNLOAD 8 FREE STORIES 10% of the profit from the sale of this book will be donated to charities.

The Little Mermaid Rachel Lawrence, Hans Andersen, 2019-07-18 More and more, she

came to love humans; more and more, she wished she could rise up among them. The youngest daughter of the Sea King cannot wait to be old enough to go to the surface and see the world of humans. Her first visit there changes her life forever when she saves a prince from drowning, and comes to love him above all others. First published in 1837, Hans Christian Andersen's haunting tale of love is brought to an English readership in this illustrated and unabridged edition, which has been translated directly from the original Danish into English and includes illustrations by Ivan Bilibin.

Via is a young, carefree mermaid princess about to celebrate her thirteenth birthday with her sea friends and parents, the king and queen of the merfolk. Princess Via loves her life but has always felt different from the rest of the mermaids. She longs for her father to take her seriously, and yet she'd rather spend her days frolicking with dolphins and talking with sea urchins. Then a sudden storm rips Via from her home in the sea and drops her into the land of forest fairies--a place she only knew existed in stories. Via mourns the loss of her life under the sea and being torn from her family. But the fairies, Princess Lucy and Prince Drew, are more than willing to teach Via their ways, from eating their earthy food to flying with new, spectacular wings. But there's another storm heading their way. A sinister presence lurks nearby, determined to destroy both fairies and mermaids. As the two worlds of sea and sky collide, their struggle intensifies in the shadow of their intertwined past. Will the mermaids and fairies be brave enough to stand, even if it means standing together? In Book 1 of the Sea & Air Trilogy, dive into this chronicle of family, friendship, and the power of bravery--even when the

odds stand against them.

The Little Selkie K. M. Shea, 2015-12-14 Dylan-a selkie-makes a terrible mistake when she brashly chases an evil sea witch onto land. Captured and stripped of her pelt-leaving her unable to return to the sea in her sea lion body-Dylan's only chance of survival is to serve as the sea witch's tool. Instead of allowing the sea witch to use her selkie ability to control water, Dylan asks a wandering enchantress to seal her voice, rendering her unable to use her selkie magic. Stranded-with no allies and no way to contact her family-Dylan fears she will never successfully steal her pelt back. Luckily, Dylan is not alone. She is befriended by Prince Callan, a kind, human prince whose country is being pulverized by the sea witch. Combining the strength of humans and the intelligence of the selkies, the pair unites to save their people. But when the storm is over will Dylan choose to stay with Callan, or return to the sea and leave him behind...forever?
