The Damascus Road L. A. Jaworski,2019-05-01 Judas Coon Seols is a simple family man with a strong faith in God and a new purpose as deacon of a church founded by his acquaintances, Sister Patricia and Father O'Brien. Sister Patricia is a forensic pathologist who, along with Father O'Brien, has finally determined her identity as a practicing Christian. As she carefully examines her most recent corpse tattooed with Michelangelo's The Last Judgement, Judas looks on as both are filled with questions, especially since this is just one of many recent strange deaths. Meanwhile as two detectives begin an investigation into the murders, they are less than successful—until they stumble upon Sister Patricia's possible involvement. While attempting to fully understand the killer's motive, the detectives must overcome several obstacles as those involved are forced to trust not just themselves, but also their individual beliefs. Unfortunately, as they are all about to discover, people are not always who they seem. The Damascus Road chronicles a perplexing series of murders as a pathologist, church deacon, and two detectives become immersed in a battle of good versus evil.

New York Yankees Openers Lyle Spatz, 2018-08-15 The New York Yankees are baseball's most storied team. They first played at Hilltop Park, then moved to the Polo Grounds, then Yankee Stadium, Shea Stadium, back to the renovated Yankee Stadium, and now in the new Yankee Stadium. They also frequently opened the season in Boston's historic Fenway Park, fondly remembered Shibe Park in Philadelphia, Griffith Stadium in Washington, and all around the expanded leagues after 1961. This book details every opening-day celebration and game from 1903 to 2017, while noting how each was affected by war, the economy, political and social protest and population shifts. We see presidents and politicians, entertainers, celebrities, and fans, owners, managers, and most of all, the players.

Bevelations Bevy Smith, 2021-01-12 Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book. —Whoopi Goldberg Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes. —Pharrell Williams From the host of the fabulous and popular show *Bevelations* on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed.

Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

Baseball Rebels Peter Dreier, Robert Elias, Dave Zirin, 2022-04 *Baseball Rebels* tells stories of reformers and radicals who were influenced by, and in turn influenced, America's broader political and social protest movements, including battles against racism, corporate control, worker exploitation, sexism and homophobia, and American militarism--

It's a Jungle in There Steven Schussler, 2012-02-07 Drawing from his own life and business triumphs, Schussler, founder of the Rainforest Caf, offers would-be entrepreneurs a new way of utilizing creativity to achieve their dreams.

[Our Fight for America](#) Michael Savage, 2020-09-15 In the follow-up to the #1 New

York Times bestseller *Trump's War*, Michael Savage makes the case for President Trump in 2020. America rolled into 2020 like a juggernaut, with the strongest economy in its history and a renewed leadership role on the world stage. President Trump was cruising to reelection on the strength of record low unemployment, phase one of a historic trade deal, and a more stable Middle East after the defeat of ISIS. Then, catastrophe struck. A novel coronavirus originating in Wuhan, China, swept the world, taking hundreds of thousands of lives and wreaking economic and social destruction. As America battled to its feet and prepared to reopen its economy, the tragic death of George Floyd at the hands of a police officer lit a powder keg of political tension waiting to explode after months of lockdown. As the November elections approach, America is at war with itself to decide if it will remain a land of freedom and opportunity, or whether a radical new vision will emerge. Americans are searching for answers. Was the American lockdown necessary to defeat Covid-19 or was it a politically motivated strategy to harm President Trump's reelection chances? Does the death of George Floyd represent a systemic problem with American police or is the Left exploiting the tragedy for political purposes? Where does legitimate protest end and insurrection begin? A trained scientist who studied epidemiology for his PhD and one of America's most popular conservative radio hosts for the past twenty-six years, Dr. Michael Savage is uniquely positioned to answer these burning questions. In *OUR FIGHT FOR AMERICA: THE WAR CONTINUES*, Savage cuts through the propaganda and noise to present a clear analysis of the crises and the political and scientific motivations behind them. Michael Savage tells the truth even when nobody wants to hear it and presents a clear vision of what Americans must do to survive our most

turbulent period in decades.

Pollution, Politics, and Power Thomas O. McGarity, 2019-11-19 Today's electric power companies compete to provide cleaner electricity. That's a good thing, but progress has come with costs, especially for communities reliant on the coal industry. Thomas McGarity examines the changes of recent decades and offers ideas for building a more sustainable grid while easing the economic downsides of coal's demise.

Made to Worship Phil Stacey, 2022-03-08 Performing on the hugely popular American Idol television show in 2007 almost ruined Phil Stacey's life. Fame, and the temptations that came with it, led this part-time worship pastor to a dark place. Eventually Phil cut through the confusion, realizing that he was created not for entertaining people or for fame but for one thing—to worship God. In *Made to Worship*, Phil shares the exciting details of his quick rise to fame as well as the resulting emptiness it offered him. You'll be encouraged as you read how Phil escaped the lure of an empty idol and instead experienced the fullness of God. And you'll be amazed by how God ultimately used Phil's notoriety to spread the gospel around the world. You can use your talents and skills to worship God and to share the gospel with others in a unique way that fits you and your family. Read about Phil's encounter with fame—and how the notoriety from this world-renowned show surprisingly opened doors for Phil to spread the gospel and minister to

others. Like Phil, you'll learn that we only find true fulfillment when we find it in Jesus Christ.

Cruisin' with the Hound Spain Rodriguez, 2012-04-30 Although he's best known for his two-fisted tales of the chopper-riding Trashman, Spain's blunt graphic style and uncompromising gift for caricature, rendered in eye-punishing slabs of black and white, work equally well for more subtle fare — such as these memoirs of his misspent youth. Cruisin' with the Hound ranges from Spain's days as an innocent young churchgoer to his time as a member of the Road Vultures motorcycle gang, with stops along the way for his discoveries of science fiction and other, more adult pursuits ("The Birth of Porn") — as well as the "The Education of an Underground Cartoonist," describing his journey from a pimply Captain Marvel-reading scribbler to his arrival as a professional artist. But the heart of this collection is a cycle of stories (originally published in the acclaimed Blab! magazine) set during Spain's teenage days in the 1950s, often featuring the doomed, dot-eyed Fred Tooté, a wild, flaky character in whose company some of his wildest escapades occurred.

Losing My Voice to Find It Mark Stuart, 2019-11-05 The incredible story of a lead singer's rise to fame and his crushing fall when he lost his singing voice, his career, and

his marriage--and then found a new calling more in tune with God than he ever thought possible. Mark Stuart was the front man of popular Christian rock band, Audio Adrenaline, at a time when the Christian music scene exploded. Advancing from garage band to global success, the group sold out stadiums all over the world, won Grammy Awards, and even celebrated an album going certified Gold. But after almost twenty years, Mark's voice began to give out. When doctors diagnosed him with a debilitating disease, the career with the band he'd founded and dedicated his life to building was gone. Then to his shock, his wife ended their marriage, and Mark believed he'd lost everything. Unsure of his future, Mark traveled to Haiti to help with the band's ministry, the Hands and Feet Project. When the devastating 2010 earthquake hit, media learned he was present and sought him out for interviews. Ironically, Mark became the scratchy voice for the struggling Haitians, drawing the world's attention to their dire circumstances. In the process, Mark found a greater purpose than he'd ever known before. In this gripping, compelling new book, Mark Stuart overlays his story with passages from the gospel of John, urging his readers to listen for God's voice and to embrace his big love that calls us into a big life.

Redwoods and Whales Phillip Joel,2019-04-16 Who are we . . . really? As depression, addiction, and suicide become more commonplace in today's culture, it seems we have lost sight of who we actually are. Like a whale on a beach, too many of us are finding ourselves breathing shallow, feeling stranded, and alone. The truth is we can cut free from the things that hold us back if we can catch a clear vision of the true character of God. And, like a mighty redwood tree, we can choose to live healthy lives filled with purpose, rising

confidently above the chaos. As we choose to align our hearts and minds with the truth, we will discover that maybe God isn't exactly who we thought He was -- maybe life with Him is a whole lot bigger and more exciting than we ever imagined. Redwoods and Whales will give you the tools you need to help push aside the things that entangle, and grab hold of the life you were born to live.

They Call Me Pudge Ivan Rodriguez, Jeff Sullivan, Nolan Ryan, Jim Leyland, 2017-08-01 With 14 All-Star appearances, 13 Gold Gloves, a Most Valuable Player Award, and, of course, a World Series ring, Ivan Pudge Rodriguez has more than earned his spot in Cooperstown as one of the best Major League catchers of all time. In *They Call Me Pudge*, Rodriguez tells the story of his unforgettable baseball journey, from signing his first professional contract as a 16 year-old in Puerto Rico, to his years in Texas, Detroit, and beyond, to the World Series stage in Miami, and behind the doors of the Texas Rangers front office. Rodriguez's accomplishments, his teammates, and his biggest challenges all receive time in the spotlight in this refreshing memoir of a life and Hall-of-Fame career.

African Americans and Mass Media Richard T. Craig, 2014-12-23 This book examines race, media, and ownership diversity and argues that growing conglomerate media ownership hinders the diversity of voices and content. The focus on minority media ownership and the declining presence of minority media owners addresses a variety of social and political concerns connected to communication policy development.
