The Searcher Tana French, 2020-10-06 Best Book of 2020 New York Times |NPR | New York Post This hushed suspense tale about thwarted dreams of escape may be her best one yet . . . Its own kind of masterpiece. --Maureen Corrigan, The Washington Post A new Tana French is always cause for celebration . . . Read it once for the plot; read it again for the beauty and subtlety of French's writing. --Sarah Lyall, The New York Times Cal Hooper thought a fixer-upper in a bucolic Irish village would be the perfect escape. After twenty-five years in the Chicago police force and a bruising divorce, he just wants to build a new life in a pretty spot with a good pub where nothing much happens. But when a local kid whose brother has gone missing arm-twists him into investigating, Cal uncovers layers of darkness beneath his picturesque retreat, and starts to realize that even small towns shelter dangerous secrets. One of the greatest crime novelists writing today (Vox) weaves a masterful, atmospheric tale of suspense, asking how to tell right from wrong in a world where neither is simple, and what we stake on that decision.

The Searcher Christopher Morgan Jones, 2017-03-21 An unlikely hero dives into the chaotic madness of Russia and Georgia's deadly covert conflict, in this rapid-fire tale of corporate espionage gone awry The acclaimed author of *The Silent Oligarch* and *The Jackal's Share*, Christopher Morgan Jones returns to a murky world where corporate spies and government agents battle far from the public eye. Focusing on Georgia, a mountainous republic threatened by Russia to the north, Morgan Jones carries readers deep into an ancient land of chilling compromises and foolhardy valor. Morgan Jones's novels center on a unique London corporate espionage firm spearheaded by Ike Hammer and Ben Webster, which follows criminal money anywhere it leads: be it Moscow or Dubai, Monaco or Kazakhstan, a bureaucrat's pockets or a politician's bank account. While Webster was the star of the earlier novels--investigating Russian businessmen and KGB operatives in *The Silent Oligarch*, Persian billionaires and Tehran terrorists in *The Jackal's Share*--in *The Searcher* the focus shifts provocatively to Hammer, making this a perfect starting point for old fans and new readers alike. Journeying to Georgia for the funeral of a friend, a journalist who inexplicably committed suicide after publishing the exposé of a lifetime, Webster mysteriously disappears. As the country rumbles ominously with civil strife and Russian aggression, Hammer rushes to Tbilisi to track down his missing friend. Once in Georgia, Hammer is forced to confront the country's tragic chaos: civilians bombed either by cruel Russian spies or by deceitful Georgian soldiers; violent riots instigated by amoral oligarchs or government saboteurs;

double and even triple agents who play all sides against each other at once. Threatened by enemies he cannot name and friends he cannot trust, Hammer rushes north--into the lawless mountains bordering Russia itself--to discover the true fate of his friend and Georgia's future. From the Hardcover edition.

The Searcher Ray Dacolas,2013-03 Joaquin Bridger is a former soldier who settles in the town of Redwood, becomes a police

officer, marries, and has a daughter. He and his family live there peacefully for ten years, and then tragedy strikes. His wife and daughter are killed in a confrontation with bank robbers, and he blames himself. He quits the police force and begins a wandering, aimless life around town, walking wherever he goes-silent, brooding, filthy. He exists like this for five years. The majority of people in town see him as a man who is mentally disabled. Few people dare bother him. Then one day, John Slaughter, the man who was responsible for the death of Joaquin's family, comes back to this town. After robbing the bank with his fellow criminals, he kidnaps a young girl as he gets away. Joaquin recognizes the man, and gives chase. Thus, the tale begins. Slaughter is no ordinary criminal. He has bases of operation across the country, and he is involved in nefarious activities with foreign and domestic criminals. He never stays too long in one spot, making it extremely difficult for Joaquin to track him across the vast wilderness. Sylvia, the girl Slaughter kidnapped, is nearly nine years old when the story begins, and as she meets other girls who were also taken by Slaughter, she learns how to survive as she awaits rescue. Back in the town of Redwood, Sylvia's mother, Juanita, does whatever she can to search for her daughter. She also knows that Joaquin is searching for Sylvia, and this brings her some comfort. Joaquin has been helped, from the beginning of the search, by two men who believe in him-a U.S. Marshal, and a police officer from Redwood. Joaquin searches for the child across several Western states. As he tracks Slaughter, he also deals with the loss of his wife and daughter, and his failed life the last five years. Along the way, as he regains the rich frontier heritage of his forefathers by learning to co-exist peacefully with Nature, he meets a big man called the Giant. It is the Giant who teaches Joaquin how to live in peace and harmony with oneself; it is the Giant who teaches Joaquin simply how to live.
