Season's Greetings Alan Ayckbourn, 2010-12-02 Now we don't want to start Christmas like this, do we? Cheating at snakes and ladders, fighting over comic books, a bungled infidelity beneath the tree. Christmas has arrived in the Bunker household along with family and friends. But as the children lurk just out of sight, it's the adults who are letting the side down. I couldn't. Not in our sitting-room. Not in front of the television. Somewhere else. Presiding over the festivities are two warring uncles, one a kindly, incompetent doctor with an interminable puppet show to perform; the other a bullying retired security guard who dominates the TV, brings toy guns for his nieces and determines there's a thief in their midst. Alan Ayckbourn's masterly Season's

Season's Greetings Kathy Kafka, 2021-01-31 My Season's Greeting book is a chance to combine writing and photography. The text has been written to appeal to all age children. It is also a great book for toddlers learning about the Christmas holiday with great rhymes and the connection of a photograph. Photos are combined with a two line poetic verse to make a child think and smile. The book is told through the Christmas holiday with each photo clear, interesting, colorful and pleasing. Kids love actual pictures with different environments and will be able to correlate the holiday phrases with the photos. This is great for young children who are just learning about Christmas and how to distinguish one photo from another. The photos paired up with the Christmas reference is both educational and entertaining.
