

# Second Temple

Jeff S. Anderson

An Introduction to Second Temple Judaism Lester L. Grabbe,2010-06-10 An internationally respected expert on the Second Temple period provides a fully up-to-date introduction to this crucial area of Biblical Studies. This introduction, by a world leader in the field, provides the perfect guide to the Second Temple Period, its history, literature, and religious setting. Lester Grabbe magisterially guides the reader through the period providing a careful overview of the most studied sources, the history surrounding them and the various currents within Judaism at the time. This book will be a core text for courses on the Apocrypha and Pseudepigrapha, as well as Qumran, Intertestamental Literature and Early Judaism.

An Introduction to Second Temple Judaism Lester L. Grabbe,2010-08-12 >

**The Original Second Temple** Yoav Elan, Before Josephus and before Herod, the original Second Temple stood in Jerusalem for over three centuries. It is this structure that is described in Tractate Middos and will serve as our guide to the construction of the Third Temple. The Original Second Temple by Yoav Elan explores the layout and design of the pre-Herodian Beis Hamikdash in exquisite detail like never before.

**The History of the Second Temple Period** Paolo Sacchi,2004-10-13 This book represents the fruit of a long process of study and reflection, a powerful but subtle synthesis, by one of the most eminent scholars of Second-Temple Judaism. Far from a conventional narrative history, it is organized around themes and seeks to uncover the essence of Hebraic/Jewish religious thinking while confronting the phenomenon of its division into several 'parties' and traditions. Drawing also on recent studies of Christianity as a 'Judaism', Sacchi provides a stimulating perspective on the nature of ancient Oriental and Occidental thought and the intellectual and spiritual heritage of European civilization.

*From Text to Tradition* Lawrence H. Schiffman,1991

Understanding Second Temple and Rabbinic Judaism Lawrence H. Schiffman,2003 Describes the Second Temple period (the first few centuries before and after the common era) and its influence on the development of Rabbinic Judaism, which is the foundation for all of modern Judaism.

*T&T Clark Encyclopedia of Second Temple Judaism Volume One* Loren T. Stuckenbruck,Daniel M. Gurtner,2019-12-26 The T&T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period. The two-volume work is split into four parts. Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism, locating the discipline in relation to other relevant fields (such as Hebrew Bible, Rabbinics, Christian Origins). Beginning with a discussion of terminology, the discussion suggests ways the Second Temple period may be described, and concludes by noting areas of study that challenge our perception of ancient Judaism. Part Two presents an overview of respective contexts of the discipline set within the broad framework of historical chronology corresponding to a set of full-colour, custom-designed maps. With distinct attention to primary sources, the author traces the development of historical, social, political, and religious developments from the time period following the exile in the late 6th century B.C.E. through to the end of the Bar Kokhba revolt (135 C.E.). Part Three focuses specifically on a wide selection of primary-source literature of Second Temple Judaism, summarizing the content of key texts, and examining their similarities and differences with other texts of the period. Essays here include a brief introduction to the work and a summary of its contents, as well as examination of critical issues such as date, provenance, location, language(s), and interpretative matters. The early reception history of texts is also considered, and followed by a bibliography specific to that essay. Numerous high-resolution manuscript images are utilized to illustrate distinct features of the texts. Part Four addresses topics relevant to the Second Temple Period such as places, practices, historical figures, concepts, and subjects of scholarly discussion. These are often supplemented by images, maps, drawings, or diagrams, some of which appear here for the first time. Copiously illustrated, carefully researched and meticulously referenced, this resource provides a reliable, up-to-date and complete guide for those studying early Judaism in its literary and historical settings.

**Discovering Second Temple Literature** Malka Z. Simkovich,2018 Exploring the world of the Second Temple period (539 BCE-70 CE), in particular the vastly diverse stories, commentaries, and other documents written by Jews during the last three centuries of this period, Malka Z. Simkovich takes us to Jerusalem, Alexandria, and Antioch, to the Jewish sectarians and the Roman-Jewish historian Josephus, to the Cairo genizah, and to the ancient caves that kept the secrets of the Dead Sea Scrolls. As she recounts Jewish history during this vibrant, formative era, Simkovich analyzes some of the period's most important works for both familiar and possible meanings. This volume interweaves past and present in four parts. Part 1 tells modern stories of discovery of Second Temple literature. Part 2 describes the Jewish communities that flourished both in the land of Israel and in the Diaspora. Part 3 explores the lives, worldviews, and significant writings of Second Temple authors. Part 4 examines how authors of the time introduced novel, rewritten, and expanded versions of Bible stories in hopes of imparting messages to the people. Simkovich's popular style will engage readers in understanding the sometimes surprisingly creative ways Jews at this time chose to practice their religion and interpret its scriptures in light of a cultural setting so unlike that of their Israelite forefathers. Like many modern Jews today, they made an ancient religion meaningful in an ever-changing world.

**Judaic Religion in the Second Temple Period** Lester L. Grabbe,2002-11-01 The developments in Judaism which occurred during the Second Temple period (c. 550 BC to 100 AD) were of great importance for the nature of Jewish religion in later centuries, yet few studies have examined the era in full. Now Lester L. Grabbe's lucid and accessible volume provides a much-needed encyclopedic study and holistic interpretation of the period. Topics examined include: \* views about God and the spirit world \* the temple and priesthood \* scripture and synagogue \* the main religious sects and revolutionary movements \* eschatology and messianism \* magic and predicting the future \* religion in the Jewish diaspora \* converts and 'Godfearers'. With an extensive, up-to-date bibliography, plus numerous helpful cross-references, summaries and syntheses, this book is essential reading for scholars and students of the history of Jewish religion. It will also be of great value as a reference tool.

*The Purity and Sanctuary of the Body in Second Temple Judaism* Hannah K. Harrington,2019-08-12 This study traces the emergence of the concept of the body as a sanctuary from its biblical roots to its expressions in late Second Temple Judaism. Harrington's hypothesis is that the destruction of the first Jerusalem temple was a catalyst for a new reality vis-à-vis the temple and the emergence of increased emphasis on the holiness of the people along with concomitant standards of purity in a certain stream of Judaism. The study brings into relief elements of this attitude from exilic texts, e.g. Ezekiel, to Ezra-Nehemiah, the Dead Sea Scrolls and other Second Temple Jewish texts, including early Jesus and Pauline traditions. The goal is to provide a history of the concept of the body-cum-temple metaphor which comes to its fullest expression in the letters of Paul to the Corinthians. The concept of the body as a sanctuary as it comes to fruition in late second temple Judaism must be understood within the conceptual world of Jewish holiness of the time. The metaphor of the temple provides a frame of reference but only a close analysis of the concepts of holiness, purity, and impurity and the dynamics between them can provide depth and distinction. Of particular importance, critical to proper understanding of the temple metaphor, are the notions of the elect, holy status of Israel and its possible desecration by wrongful sexual relations, the loss of the temple and the ripple effect of creating at least temporary substitutes for processes of the cult, the widespread concern in Second Temple Judaism for ritual purity in support of greater holiness, and a desire among Jews for the residence and agency of the spirit of holiness.

**The Internal Diversification of Second Temple Judaism** Jeff S. Anderson,2002 The period of Early Judaism beginning with the return from the Babylonian Exile in 538 B.C.E. to the destruction of the second temple in 70 C.E. is an enigma to many students of the Hebrew Bible and the New Testament. This era has often been overlooked as unimportant or been the victim of strongly confessional overgeneralizations. Christians have often touted the absolute uniqueness of their faith as something that replaced a jaded, outmoded Jewish religion. Jews, on the other hand, have often tended to identify Christianity as something entirely

unique, a phenomenon totally unrelated to Judaism. However, the Second Temple period was one of the most prolific and creative in all of Israel's history. It was a time of unparalleled literary and theological diversity that gave rise to the powerful religious movements of Rabbinic Judaism and Early Christianity. The Internal Diversification of Second Temple Judaism provides a broad overview of the history, constituent communities, and theological innovations of the Second Temple period.

*Normative and Sectarian Judaism in the Second Temple Period* Moshe Weinfeld, 2005-07-10 The book brings together the essays on Second Temple Judaism by Moshe Weinfeld, one of the leading figures in comparative literature and the history of religion in ancient Near Eastern studies. This integrated collection centers on the religious debates within Second Temple Judaism between the sectarian Qumran community and the Pharisees. It examines topics such as liturgy, law, theology and ideology; issues that established Jewish religious forms for normative, Rabbinic Judaism. It also sets these debates in the broader context of texts and ideas from the Bible and ancient Near East texts on one hand and the New Testament and Rabbinic Judaism on the other. The book comprises four sections. The first, 'Prayer and Worship' analyzes constitutive ideas reflected in the definitive prayers of Qumran and Pharisaic liturgy. The second, 'The Qumran Scrolls' engages various legal and hermeneutic issues in the literature of the Qumran sect. Section three, 'Theology and Ideology' treats a group of foundational Jewish concepts from the historical point of view. The final section 'The New Testament' brings several basic concepts and conceptions of Judaism into New Testament context. This is volume 54 in the Library of Second Temple Studies series (formerly the Journal for the Study of the Pseudepigrapha Supplement series).

*Hebrews and the Temple* Philip Church, 2017-03-13 In *Hebrews and the Temple* Philip Church examines attitudes to the temple in the literature of the Second Temple period and in Hebrews and argues that Hebrews was written to counter the recipients' preoccupation with the temple.

*Land and Temple* Benjamin D. Gordon, 2020-04-06 This exploration of the Judean priesthood's role in agricultural cultivation demonstrates that the institutional reach of Second Temple Judaism (516 BCE–70 CE) went far beyond the confines of its houses of worship, while exposing an unfamiliar aspect of sacred place-making in the ancient Jewish experience. Temples of the ancient world regularly held assets in land, often naming a patron deity as landowner and affording the land sanctity protections. Such arrangements can provide essential background to the Hebrew Bible's assertion that God is the owner of the land of Israel. They can also shed light on references in early Jewish literature to the sacred landholdings of the priesthood or the temple.

**Seconding Sinai** Hindy Najman, 2003 This work criticizes the terms Pseudepigraphy and Rewritten Bible, which presuppose conceptions of textual fidelity foreign to ancient Judaism. It develops the concept of a discourse whose creativity and authority depend on repeated returns to the exemplary figure of a founder.

*The Origins of the 'Second' Temple* Diana Vikander Edelman, 2005 Darius I, King of Persia, claims to have accomplished many deeds in the early years of his reign, but was one of them the rebuilding of the temple in Jerusalem? The editor who added the date to the books of Haggai and Zechariah thought so, and the author of Ezra 1-6 then relied on his dates when writing his account of the rebuilding process. The genealogical information contained in the book of Nehemiah, however, suggests otherwise; it indicates that Zerubbabel and Nehemiah were either contemporaries, or a generation apart in age, not some 65 years apart. Thus, either Zerubbabel and the temple rebuilding needs to be moved to the reign of Artaxerxes I, or Nehemiah and the rebuilding of the city walls needs to be moved to the reign of Darius I. In this ground-breaking volume, the argument is made that the temple was built during the reign of Artaxerxes I. The editor of Haggai and Zechariah mistakenly set the event under Darius I because he was influenced by both a desire to show the fulfillment of inherited prophecy and by Darius widely circulated autobiography of his rise to power. In light of the settlement patterns in Yehud during the Persian period, it is proposed that Artaxerxes I instituted a master plan to incorporate Yehud into the Persian road, postal, and military systems. The rebuilding of the temple was a minor part of the larger plan that provided soldiers stationed in the fortress in Jerusalem and civilians living in the new provincial seat with a place to worship their native god while also providing a place to store taxes and monies collected on behalf of the Persian administration.

**Rewriting Scripture in Second Temple Times** Sidnie White Crawford, 2008-04-14 Meeting a need for quality English-language resources on the Dead Sea Scrolls, this series makes available to readers at all levels the best of current Dead Sea Scrolls research, showing how the Scrolls impact our understanding of the Bible, Judaism, and Christianity.

**Judaism of the Second Temple Period** David Flusser, 2009

*Judaism of the Second Temple Period* David Flusser, 2007-10-26 Translated by Azzan Yadin Foreword by David Bivin David Flusser was a very prolific scholar of the Dead Sea Scrolls, and his contributions to Scrolls research, apocalypticism, and apocalyptic literature are inestimable. With this English translation of many of his essays, Flusser's insights are now available to a wider audience than ever before. Here Flusser examines the influence of apocalypticism on various Jewish sects. He states that the teachings of Jesus, while reflecting first and foremost the views of the sages, were also influenced by Jewish apocalypticism. Examining the Essenes, their effect on Hebrew language, the split of sects, and much more, Flusser's collected essays offer an important source of study for any Dead Sea Scrolls scholar.

*T&T Clark Encyclopedia of Second Temple Judaism Volume Two* Loren T. Stuckenbruck, Daniel M. Gurtner, 2019-12-26 The T&T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period. The two-volume work is split into four parts. Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism, locating the discipline in relation to other relevant fields (such as Hebrew Bible, Rabbinics, Christian Origins). Beginning with a discussion of terminology, the discussion suggests ways the Second Temple period may be described, and concludes by noting areas of study that challenge our perception of ancient Judaism. **Second Temple Introduction**

Second Temple Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Second Temple Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Second Temple : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Second Temple : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Second Temple Offers a diverse range of free eBooks across various genres. Second Temple Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Second Temple Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Second Temple, especially related to Second Temple, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Second Temple, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Second Temple books or magazines might include. Look for these in online stores or libraries. Remember that while Second Temple, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Second Temple eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Second Temple full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Second Temple

eBooks, including some popular titles.

**FAQs About Second Temple Books**

**What is a Second Temple PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Second Temple PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Second Temple PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Second Temple PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Second Temple PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
