With the Fire on High Elizabeth Acevedo, 2019-06-01 From New York Times bestselling author of *POET X* comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.

From Buddha to Jesus Steve Cioccolanti, 2010 Buddhism is not a way of harmony and cosmic unity, as Westerners tend to think. Although Buddhism is a rapidly rising religion in the West, few Westerners know what Buddhism is like from the inside. Steve, who made the journey from Buddhism to Christ, explains the Buddhist mind-set and worldview, and makes useful points of comparison.

I Have No Mouth & I Must Scream Harlan Ellison, 2014-04-29 Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

The Book of Magic Alice Hoffman, 2021-10-12 Master storyteller Alice Hoffman brings us the conclusion of the Practical Magic series in a spellbinding and enchanting final Owens novel brimming with lyric beauty and vivid characters. The Owens family has been cursed in matters of love for over three-hundred years but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Franny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. *The Book of Magic* is a breathtaking conclusion that celebrates mothers and daughters, sisters and brothers, and anyone who has ever been in love.

The Things We Cannot Say Kelly Rimmer, 2019-03-19 The New York Times bestseller—for fans of *All the Light We Cannot See*! From the bestselling author of *Truths I Never Told You*, *Before I Let You Go*, and *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's newest novel, *The Paris Agent*, where a family's innocent search for answers brings a long-forgotten, twenty-five-year-old mystery featuring two female SOE operatives comes to light! Redeeming Productivity Reagan Rose, 2022-10-04 Feeling overwhelmed and unproductive? The answer isn't to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn't want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In *Redeeming Productivity*, author Reagan Rose explores how God's glory is the purpose for which He planted us. And he shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed

as we see trials as God's pruning for greater productivity.
