Right after the Weather Carol Anshaw, 2019-10-01 "This timely novel takes on friendship, desire, fear, and vulnerability in one incisive, witty, and powerful package." –People "Astonishes with the force of its unexpected beauty." –The New York Times Book Review The author of the "graceful and compassionate" (People) New York Times bestseller *Carry the One* presents a new and long-awaited novel exploring what happens when untested people are put to a hard test, and in its aftermath, find themselves in a newly uncertain world. It's the fall of 2016. Cate, a set designer in her early forties, lives and works in Chicago's theater community. She has stayed too long at the fair and knows it's time to get past her prolonged adolescence and stop taking handouts from her parents. She has a firm plan to get solvent and settled in a serious relationship. She has tentatively started something new even as she's haunted by an old, going-nowhere affair. Her ex-husband, recently booted from his most recent marriage, is currently camped out in Cate's spare bedroom, in thrall to online conspiracy theories, and she's not sure how to help him. Her best friend Neale, a yoga instructor, lives nearby with her son and is Cate's model for what serious adulthood looks like. Only a few blocks away, but in a parallel universe we find Nathan and Irene—casual sociopaths, drug addicts, and small-time criminals. Their world and Cate's intersect the day she comes into Neale's kitchen to find these strangers assaulting her friend. Forced to take fast, spontaneous action, Cate does

something she's never even considered. She now also knows the violence she is capable of, as does everyone else in her life, and overnight, their world has changed. Anshaw's flawed, sympathetic, and uncannily familiar characters grapple with their altered relationships and identities against the backdrop of the new Trump presidency and a country waking to a different understanding of itself. Eloquent, moving, and beautifully observed, *Right after the Weather* is the work of a master of exquisite prose and a wry and compassionate student of the human condition writing at the height of her considerable powers.

The Outsiders S. E. Hinton, 2005 Three brothers struggle to stay together after their parents' death, as they search for an identity among the conflicting values of their adolescent society in which they find themselves outsiders.

Fool Moon continues the adventures of Jim Butcher's most famous—and infamous—reluctant hero... You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count...

Fast Media, Media Fast Thomas W. Cooper,2011-05-18 FAST MEDIA, MEDIA FAST is an exciting guide for taking a liberating media fast in an age of

increasingly fast media. It is the first book to provide readers a practical, user-friendly and thought-provoking guide to gaining a newfound control and understanding of their relationship with the media. This researched, seasoned manual provides specific guidelines, important areas for thought, creative options and life-changing opportunities. FAST MEDIA, MEDIA FAST also shows how to take control of the media choices in our lives. This book is not a judgmental, media-bashing sermon, but rather an inspiring guide to cultural nutrition. In fact, most people do not typically choose to eliminate all media from their lives when they return from a fast, but rather make more informed and conscious choices about what to consume, how much, when, and why. Fasters also return more rested, revitalized, and thoughtful, often excited about new directions and purpose, or about being better organized and centered. The reader of FAST MEDIA, MEDIA FAST will find out how to eliminate or minimize problems stress, overwork, waste, burn-out, fuzziness, speed-up, apathy, emptiness, ebbing relationships -- which come from media overdoses in our modern world. She will learn that there are alternatives which allow us to regain control over our lives. FAST MEDIA, MEDIA FAST acquaints us with how fast media are changing our lives, and what we can do about it. Many readers will rediscover original thinking, creativity, what they always wanted to do, and to become deeply fulfilled in their lives.
