SEO Like I'm 5 Matthew Capala, 2014-08-25 Matthew Capala provides something different and necessary: an overview of the SEO essentials suitable for any reader, even those without a strong

technical background. ***** Dorie Clark, HBR Writer and Author of Stand Out (Portfolio) There are a multitude of resources available to inform marketers and business owners of how to stay up to date with online marketing, but one that's well worth reading is SEO Like I'm 5 by Matthew Capala. ***** Brian Honigman on THE HUFFINGTON POST Matthew's book got me to act, and if you read it, you will certainly start acting. I know SEO Like I'm 5 is one of those books I will be reading daily, a page here, another page there. ***** Claudia Azula Altucher, Author of Become an Idea Machine, WSJ Bestselling Co-Author of The Power of No Top 10 Best Marketing Books to Give as a Gift. ***** SmallBusinessTrends.com SEO Like I'm 5 is written in a way that is accessible to anyone who is curious about how SEO really works without spending a lot of time on theory. ***** Linda Gharib, SVP, Digital Marketing at Citigroup While SEO has gotten harder than ever, Matt explains it in a way that will help you get in the game with a winning playbook. ***** Michael King, Founder of iPullRank Make no mistake; this is no 'SEO for dummies.' Rather, SEO Like I'm 5 is the ultimate beginner's training system for forward-thinking businesses and entrepreneurs that will get you found on Google, social media, and blogs. You will also learn how to attract followers and leads like a magnet by building a vibrant community around your content, which both users and search engines will love, and leveraging untapped, high-growth platforms and social networks. Lastly, you will learn how to make money online and monetize your content like a pro. When it comes to SEO, you can spend all your time studying the roots, or you can just learn to pick the fruit. With the 2nd, 2015-updated edition of SEO Like I'm 5, our approach lets you focus on picking up the fruit, not studying the tree. In addition to taking you through the strategic process of building and optimizing your online presence, SEO Like I'm 5 features dozens of free tools, 'under-the-hood' hacks, case studies, real-world examples, and actionable tips. Why Read this Book? There is an overload of information

on the topic of SEO on the Web, most of it misguided or outdated, coming from self-proclaimed gurus. Contrary to common knowledge, the 'art of SEO' is not defined by your ability to write code or hack Google's algorithm. The truth is that today, online success has more to do with your ability to create amazing content, establish a strong social media presence, and build relationships with bloggers than writing lines of code or stuffing keywords into your meta data. SEO Like I'm 5 takes you through an action-oriented, workshop-style, pain-free process to plan, build, and optimize your online presence, including: - Where to start - Which free platforms and tools to use - How to build a search-friendly website - How to build a killer content strategy - How to become a rockstar blogger - How to find the golden-nugget keyword opportunities - How to monetize your website - How to attract backlinks to your content - How to build relationships with bloggers and influencers - How to build a winning social media strategy - How to make money online Who is this Book for? - Entrepreneurs and startups - Forward-thinking small business owners - Marketing managers- Students and professionals - Authors, artists, and bloggers The cool thing about SEO Like I'm 5 is that it offers more than just text. It comes with hundreds of screenshots and step-by-step instructions you can actually use while reading it.

Easy S.E.O. for Bloggers Steph Calvert, 2014-02-20 Easy SEO for Bloggers is a 14 page e-book chock full of good information on how to increase blog traffic - you'll get detailed descriptions on the steps I use to create an optimized, easy for search engines to find, blog post. This e-book is also chock full of screen shots on how to take these steps if you've never done them before. To top it off, there's a cute printable sheet reminding you of these steps for you to post by your computer. What's new for the 2014 edition? We've updated the keyword research section to reflect Google's new Keyword Planner tool, and added more tips sprinkled throughout the book. Don't miss our section on promoting your posts via social media on page 13! I am so excited to have written Easy SEO for Bloggers, and I hope it's as helpful to you as it was to me. Let me show you how to increase your blog traffic! When I started working on learning these steps, it was the spring of 2012. I was getting

about 1,000 page views a month, and my Alexa score was in the high 5 millions. I've been picking up more and more knowledge about SEO, and it shows. I'm currently clocking in at about 4,232 unique visitors a month with about 6,304 page views. My Alexa score is now in the 300,000s, with a score of 97,000ish in the US (as of 12/23/13). Paying attention to SEO as you're writing makes posts take longer to create for sure, but the point is it works. I've been blogging for well over ten years, and while I was having lots of fun in the beginning, these days it's gratifying to know readers are actually finding my work. The extra time spent taking a few more steps is really worth it!

Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds.

With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Seo Post PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these

resources available. In conclusion, the availability of Seo Post free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right

at your fingertips.
