*Series 63 Practice Exams and Study Guide* Philip Martin McCaulay,2014-07-31 Series 63 Practice Exams and Study Guide will help investment professionals pass the Uniform Securities Agent State Law Examination. The book contains four practice exams and a study guide. The sample questions are the type that are most likely to appear on the Series 63 test and are in the same format as those on the exam. The questions are straightforward multiple choice questions with four choices and one best answer. Part I of this book contains the sample exams with a total of 240 questions, the equivalent of four complete 60-question Series 63 tests. Each 60-question practice test is followed by the answer key. After the answer key, the practice exam is displayed with the answers shown. The questions by topic are in the same proportion as the topic weightings on the Series 63 test. Part II of this book has a study guide in outline form. There is a section for each topic covered on the Series 63 test, including state securities acts and related rules and regulations (60% of the exam) and ethical practices and fiduciary obligations (40% of the exam).

Pass The 63(tm) Robert Walker,2016-01-05 Trying to pass your Series 63 Exam? Pass The 63 is written with the reader always in mind. This Series 63 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the NASAA Series 63 exam outline point-by-point. To reduce your frustration in obtaining your Series 63 license, we try to make sure each sample question in our Pass the 63 Practice Exam Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 63 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved. Remember that the Series 63 license exam is not a memorization test but, rather, a competency exam. Too many Series 63 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when, in fact, passing your test requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 63 exam study guide to a higher level by presenting you with over 450 challenging questions in our Pass the 63 Practice Exam Question Bank. However, our sample questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 63 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 63 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. For an extra edge, try writing your own variations of practice questions in this same notebook, something our tutoring clients have found extremely helpful. Finally, go to [www.examzone.com](http://www.examzone.com) to take the Go / No Go Exams to see if you are really ready to take your Series 63 Exam. Pass the 63 is your guide to a passing score on the Series 63 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the NASAA outline. Rather, we skimp on the filler found in many of the more tedious license exam manuals on the market. To give yourself an edge on this difficult license exam buy this book and then go to [www.examzone.com](http://www.examzone.com) to purchase the Pass the 63 Practice Exam Question Bank, Pass the 63 Go / No Go Exams and other Series 63 study materials. The Series 63 Exam is not easy. The best time to get started is . . . now.

**Pass the 24** Robert Walker,2016-01-27 FINRA's Series 24 exam is one of the most detailed tests people in your industry ever take. That's why a Series 24 textbook has to do more than copy-and-paste from regulatory websites or deliver endless bullet points for you to memorize. Anyone can list what you need to know. This is the only book that also shows you why you need to know it and how it all fits together. Only when you understand the key differences between underwriting and trading securities, for example, are you ready for the barrage of vocabulary terms your exam will try to use against you on these topics. We focus on you, the reader, and do what we can to make your study process as logical and understandable as possible. Our Plain English, reader-centered approach saves you time and frustration. To put it all together, though, be sure to work through our practice questions online. Only by applying what you learn in this textbook to the challenging practice questions will you be ready to schedule your exam. And, don't forget to take our Go No Go exams before picking a test date. However you approach this challenge, be sure to give yourself plenty of time and avoid cutting corners. There are no inessential pages in this textbook; there are no inessential practice questions in our ExamCram Online test bank. So, please, follow the study schedule. Read the textbook carefully and thoroughly. And then, plan on working with practice questions for at least two weeks. The Series 24 exam is not an easy test, but this textbook and other study materials make it as easy as possible. Let's jump into the first chapter and try not to let too many days go by between sessions. Okay? Outstanding. Let's get started

*Series 63 Exam Textbook* Steven Rice,Rueben Martinez,2014-01-01 This book prepares students to pass the NASAA Series 63 Exam. There are practice exams at the end of each chapter and 4 practice final exams at the end of the book.
