Severe Local Storms David Atlas,2016-06-28 The objectives of the American Meteorological Society are the development and dissemination of knowledge of meteorology in all its phases and applications, and the advancement of its professional ideals. The organization of the Society took place in affiliation with the American Association for the Advancement of Science at Saint Louis, Missouri, December 29, 1919, and its incorporation, at Washington, D. C., January 21, 1920. The work of the Society is carried on by the Bulletin, the Journal, and Meteorological Monographs, by papers and discussions at meetings of the Society, through the offices of the Secretary and the Executive Secretary, and by correspondence. All of the Americas are represented in the membership of the Society as well as many foreign countries.

Storm Data ,1997-03

His Calm After the Storm Linda B. Spiller,2012-03 Have you ever in your wildest dreams imagined being in a massive, violent tornado like the one that swept through Tuscaloosa, Alabama, on April 27, 2011? This is what one man experienced: . . . The house began to shake violently! Huge oak trees were being uprooted by the tornado, causing a vibration on the floor that felt like an earthquake! Jerry was bouncing up off the floor. He heard glass breaking, timbers cracking and bricks falling. The noise was deafening. . . Jerry began calling, Jesus! . . . Can you imagine encountering not one but two tornadoes in the same day like this family? . . . As Reginald shook the boys, he felt R. J.'s body slip away from his hand. When he looked up, he watched in horror as his son's body flew from his bed and out the bedroom window. Instinctively, he grabbed James Peter and held him in his arms. Danielle ran through the dark hallway with Joel. Around them, the walls lifted up off the foundation of the house. . . She began to pray . . . Because she had more time to realize what was happening, Danielle was more frightened than she was during the morning storm. As the tornado came closer, she heard what sounded like a freight train. . . When she felt wind on her feet, she expected the walls to go at any minute. . . Come ride out the storm through their eyes. Experience the emotions, the fear, the devastation and the calm after the storm. As you read each story, you will be amazed how God orchestrated the events of that day. Because of the tremendous amount of destruction caused by the tornadoes, there are still financial needs to be met. You will find outlets for providing disaster relief in this book. The profit from this book sale will also be used for disaster relief.

Hurricane of Hampton Falls Justin Tully,2009-11-23 Hurricane of Hampton Falls is the story of a destructive Hurricane that hit the small coastal town some eighty-eight years ago in July 1921. Bernard Saunders was a weather presenter who had recently fallen out with a couple of his colleagues. Unfortunately for Bernard they work together to rig a popular newspaper poll, which once it makes its way into the hands of his boss Sydney Hunter sees him sent to Storm Warnings.Storm Warnings is a weather related training facility for misbehaving or incompetent weather presenters. While there Bernard receives a call from his producer Howie Gordon who believes that after a lot of research another massive Hurricane is on its way to Hampton Falls! Will anyone listen to him before it's too late...?
