Big Cock Sex Stories Anal Pleasures and Adventures Erina Toivenon,2013-04-06 Story One: I had sworn a long time ago that no pecker was ever going to get up inside me. I even dumped a serious boyfriend for pestering me about letting him send his member inside my rear end. However, I had inadvertently rented blue movie with anal sex on it and it excited me. I tried it and loved it, and have been doing it ever since. Story Two: I was not an ass lover. In fact, I was with my lover one day and in my excitement I slipped and ended up just at the entrance of her ass, and I loved the feeling so much that I went crazy about women's asses after I had her ass that very next day. Story Three: I was getting the old five-year itch that always had me leaving because I got sexually bored with my man. I was with a great guy now and I did not want to leave him as I knew that if I did then I would be making a very big mistake. So I made the decision that I was going to let him take my ass as a birthday gift, since he had asked me from time to time and I thought that would maybe add some much needed spice. After he had my ass that first time, I was hooked and his cock was now a regular visitor.
