**The Married Man Sex Life Primer 2011** Athol Kay,2011-03-30 The author of the innovative sex and marriage blog Married Man Sex Life brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. The Married Man Sex Life Primer 2011 cherry picks the best ideas of books like The Mystery Method, No More Mr. Nice Guy, and the volatile online world of the Pickup Artist a.k.a. Game community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient hard-wired biological and modern social reasons women find men attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, whoever is the most attractive in the relationship is in charge. The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an endless variety of playful instigation to continually charm just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. (Want a better man? Leave it where he can find it.)

**Beyond Order** Jordan B. Peterson, 2021-03-02 The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

But it doesn't have to be this way. Sexual satisfaction is at its lowest for couples who have young families. Sleepless nights, plus changes to our bodies, identities and priorities mean that the passion that brought you together can start to feel like a distant memory. But how can you retain a great sexual connection even when you have so little time? How can you make sure that you still feel like sexual partners not just strung out co-parents at the end of the day? Dr Karen Gurney is a consultant clinical psychologist and certified psychosexologist. In this essential book for parents everywhere, she will show you how to navigate the changes to your intimate lives that starting a family inevitably brings - and ensure you have great sex, forever. You'll discover how to communicate, how to invite intimacy, how to avoid key relationship pitfalls and how to survive the chaos and pressures of family life, and sleep deprivation at every stage. Optimistic, wise and compassionate, this book shows you how to protect your sex life after kids, (re)connect with both your own sexual self and your partner's, and how to have a mutually satisfying sexual relationship, long-term.

**Come as You Are** Emily Nagoski, 2015-04-09 A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. Come as You Are reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets.

Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent
