You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place. When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to.
