miss out on this chance for the only all-in-one title you'll need! Put sex back on the table. Looking for a preview? We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place. I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves. If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do. Want to know more and learn 101 exciting sex positions? You know what to do.

Jameela Green Ruins Everything Zarqa Nawaz, 2022-03-08 For fans of *My Sister, the Serial Killer*; *Where'd You Go, Bernadette*; and the award-winning TV show *Killing Eve*, a hilarious satire about a disillusioned American Muslim woman who becomes embroiled in a plot to infiltrate an international terrorist organization and, in the process, reconnects with her loved ones and her faith, from Zarqa Nawaz, the creator of the hit CBC series *Little Mosque on the Prairie*. Jameela Green has only one wish. To see her memoir on *The New York Times* bestseller list. When her dream doesn't come true, she seeks spiritual guidance at her local mosque. New imam and recent immigrant Ibrahim Sultan is appalled by Jameela's shallowness, but agrees to assist her on one condition: that she perform a good deed. Jameela reluctantly accepts his terms, kicking off a chain of absurd and unfortunate events. The homeless man they try to help gets recruited by a terrorist group, causing federal authorities to become suspicious of Ibrahim, and suddenly the imam mysteriously disappears. Certain that the CIA have captured Ibrahim for interrogation via torture, Jameela decides to set off on a one-woman operation to rescue him. Her quixotic quest soon finds her entangled in an international plan targeting the egomaniacal leader of the terrorist organization—a scheme that puts Jameela, and countless others, including her hapless husband and clever but disapproving daughter, at risk. A hilarious black comedy about the price of success, and a biting look at what has gone wrong with American foreign policy in the Middle East, *Jameela Green Ruins Everything* is a compulsively readable, yet unexpectedly touching story of one woman's search for meaning and connection.

The Life and Times of Betty Boop Peter Benjaminson, 2023-11-01 Although Amazon.com is now selling

more than 3,000 commercial products bearing Betty Boop's image, including calendars, tote bags, coffee mugs, and books about how young women can be more like Betty, no one has ever published a book about Betty herself. The first biography of a major American cultural symbol ever written, *The Life and Times of Betty Boop* describes Betty Boop's incredibly active romantic and family life as revealed in her numerous comic strips, comic books, cartoons, and movies since 1930. Award-winning author Peter Benjaminson details the creation of Betty Boop, based on two African American female entertainers who were the human models for Betty's character. He explores the many alterations of Betty's appearance, attitudes, and behavior over the years. Benjaminson also reveals the stories of the women who provided her with a speaking and singing voice, along with the backgrounds, intentions, and careers of Betty's numerous creators and animators. *The Life and Times of Betty Boop* indulges in the controversies surrounding the character, including her adventures with Felix the Cat (a four-year daily comic strip production). Benjaminson illuminates social trends that have kept Betty popular for nearly a century, including her recent transition from a helpless sex object to a feminist icon and her massive popularity with young American women.
