Love Poems for Married People John Kenney,2018-12-31 NEW YORK TIMES BESTSELLER Based on his wildly popular New Yorker piece, Thurber Prize-winner John Kenney presents a hilarious collection of love poems for, well, married people. Full of brilliant wit, dynamic energy, and a heavy dose of reality, Love Poems for Married People takes the poetic form, turns it upside down and leaves it in the dishwasher to dry. Inspired by one of the most shared New Yorker pieces of all time, this collection captures the reality of life once the spark of a relationship has settled--and hilariously so. With brand new pieces that cover all areas of married life, from parental gripes to dwindling sex lives, Kenney's wry observations and sharp humor remind us exactly what it's like to spend the rest of your life with the person you love. I was almost feeling fondness for you As you gave me a shoulder massage at the sink-- What a small, lovely surprise. And then you grabbed my boobs and made a wha-wha noise. In an instant, I felt disgust and sadness and regret.

Love Poems for Butchers Victoria Young,2020-09-18 Victoria Young is a woman on a journey to see if you can be fat, hetero, and sexually satisfied in a world controlled by men. Her stories have previously appeared in PRISM magazine, Cream City Review, The Province Newspaper, and Thought Catalog, and on her Instagram @victorianachos In this intimate and searing debut collection of short stories, Victoria addresses the cruelty, injustice, and indignity of being not only a sexual woman but a sexual woman in a fat body.A woman who describes herself as a goddamn delight, Victoria maintains a grasp of tone that is hard to achieve: self-deprecating without being self-pitying, a style that lets the reader understand the author can step out of the experience and observe [her] own life with a kind of clarity. (Russell Wangersky, PRISM magazine).With bracing candor, vulnerability, and a keen self-awareness, the stories in this collection explore some of the author's most demoralizing dating and sexual experiences for our enjoyment and enlightenment, repeatedly coming to terms with the reasons she suffers fools. But it's not all doom and gloom when it comes to dating in Victoria's world-Love Poems for Butchers shows us that there is lust and laughter and generally enough joys to sustain the lulls.

The Poems of Catullus Catullus,2020-12-08 The Poems of Catullus describes the lifestyle of the Latin poet Catullus, his friends, and his lover, Lesbia. Catullus writes about each of his subjects in tones unique to them. With wild stories of the trouble and comradery shared by his friends, Catullus provides insight on more scandalous aspects of high society Roman culture. However, Catullus' most shocking and compelling subject is his lover, Lesbia, the wife of an aristocrat. The two share a secret and sensual love, taboo not just because of the infidelity, but because Lesbia is many years older than Catullus. Throughout his poems, Catullus depicts their complicated relationship, first in a tender, lustful way, detailing their affairs, then gradually becomes more heated with angst and confusion. In his exploration of their relationship, Catullus embodies the possibility of simultaneously loving and hating someone. With vivid emotion and imagery, The Poems of Catullus provide a clear picture of the poet, his friends, and his lover and invoke a strong impression on its audience. Because of the deep emotions infused with each word and the visceral depictions of ancient Roman life, this collection of poetry is relatable to a modern-day audience, and is an essential educational source. Catullus paved

the way and inspired change in the art of poetry, influencing countless poets and poetry styles. The Poems of Catullus also helped create the idea of poetry as a profession. The Poems of Catullus serves a valuable and educational source, enlightening audiences on the culture of the upper-class of the late Roman Republic. However, because Catullus also explores the complex human emotions regarding friendship, sex, and love, The Poems of Catullus have proven to be a timeless testament to the duality of humankind, embracing emotions that lie between the extremes in the spectrum of feeling. Catering to a contemporary audience, this edition of The Poems of Catullus features a new, eye-catching cover design and is reprinted in a modern font to accompany the timeless exploration of human emotion and the humorous, exciting life events of the influential poet Catullus.

Love, Lust, and Loss Claudacious Shakespeare,2016-02-12 My poetry and short stories will take you on a journey and give you a brief look into my life. Everything I write is from the heart and is inspired by personal experiences. Love speaks of the love that has filled my heart. Lust speaks of the many temptations, seductions, and emotions that stimulate the body. And loss speaks of the hurt that can be brought on by love or feelings of lack thereof. The short stories of passion allowed me to delve into my creative side. The many days I sat daydreaming and wondering what if are now out of my head and on paper. Often we fantasize but we keep our fantasies to ourselves. This allows me to explore those passions outside of a mere daydream. Love, Lust, and Loss reflects life experiences and everything in between. My book takes a look into every aspect of every emotion that love and loss of love elicits. I hope that what I write inspires you to feel something youve never felt, reminds you of a love from your past, present, or future, and allows you to see that you are not alone in your emotions.
