James,2020-09-27 Corbin has two secrets.The first secret is that he's gay. He's known it for a while now and six months ago he met a cute guy and they've been dating ever since. But he can't tell anyone. His father is like a one-man Marine recruitment poster and has made every effort to raise Corbin to be an alpha male. If he finds out Corbin is gay, he'll forbid Corbin from seeing his boyfriend, dooming the relationship to an unhappy end.The second secret is that he's a drag queen. On Sundays he heads to the queer café and dons his best dress, wig, and heels, and becomes Misty Rain, putting on a captivating show to an adoring crowd. While coming out as gay would lead to a crack-down from his Dad, the punishment for putting on a dress and heels would be ten times worse-he'd be shipped off to military school and there'd be absolutely no hope for Corbin and his love.So far, Corbin has managed to keep his secrets.But when his older brother comes home while on leave from the Marines, he happens to catch the drag show featuring Corbin-and he spots his brother right away.Corbin's perfectly structured life and his big dreams are all about to come crashing down.

In the span of a week, she goes from bodyguard to PI looking for the girl's stalker, who could be anybody to tell you the truth as 1) The girl's house is a stop on the Hollywood Celebrity Homes Tour and 2) Laurel's the kind of girl that everyone loves to hate.

**Gothic Charm School** Jillian Venters, 2009-06-23 An essential, fully illustrated guidebook to day-to-day Goth living. There's more to being a Goth than throwing on some black velvet, dyeing your hair, and calling it a day (or a night). How do you dress with morbid flair when going to a job interview? Is there such a thing as growing too old to be a Goth? How do you explain to your grandma that it's not just a phase? Jillian Venters, a.k.a. the Lady of the Manners, knows how to be strange and unusual without sacrificing politeness and etiquette. In *Gothic Charm School*, she offers the quintessential guide to dark decorum for all those who have ever searched for beauty in dark, unexpected places, embraced their individuality, and reveled in decadence . . . and for families and friends who just don't understand.

Love Blind C. Desir, Jolene Perry, 2016-05-10 Shy high schooler Kyle Jamieson forms an unusual friendship with Hailey Bosler, a girl rocker with degenerative blindness; they partner together to tackle a bucket list of greatest fears and in the process discover the painful reality of bad timing--

*Boys Adrift* Leonard Sax, 2016-06-28 Why America's sons are underachieving, and what we can do about it. Something is happening to boys today. From kindergarten to college, American boys are, on average, less resilient and less ambitious than they were a mere twenty years ago. The gender gap in college attendance and graduation rates has widened dramatically. While Emily is working hard at school and getting A's, her brother Justin is goofing off. He's more concerned about getting to the next level in his videogame than about finishing his homework. In *Boys Adrift*, Dr. Leonard Sax delves into the scientific literature and draws on more than twenty years of clinical experience to explain why boys and young men are failing in school and disengaged at home. He shows how social, cultural, and biological factors have created an environment that is literally toxic to boys. He also

presents practical solutions, sharing strategies which educators have found effective in re-engaging these boys at school, as well as handy tips for parents about everything from homework, to videogames, to medication.

*Playing With the Boys* Nicole Leigh Shepherd, 2008-04-10  
New girl Lucy is desperate for friends. She tries out for Beachwood High soccer but, despite her amazingly accurate kick, fails to make the team. When the coach points out that varsity football is looking for a new kicker, Lucy is skeptical. Football? Isn't that a boys' game? But on the gridiron, Lucy discovers that she feels strong—in control for the first time since her mother died. She loves football. She actually wants to play! (She also wants to hang out with super-cute quarterback Ryan Conner. But that's just icing on the cake.) Too bad no one else wants her on the team. Not the coach, her teammates, or especially her overprotective dad. Will Lucy cave in to the pressure? Or will she prove she's pretty tough after all?

*Playing with the Boys* Liz Tigelaar, Nicole Leigh Shepherd, 2008  
When fifteen-year-old Lucy and her father move to Malibu, California, for a fresh start, Lucy tries out for the varsity football team and feels strong and in control for the first time since her mother's death—as long as her overprotective father does not find out.

*Thanks for the Trouble* Tommy Wallach, 2016-02-23  
A unique story about first—and last—loves from the celebrated and bestselling author of *We All Looked Up*. Parker Santé hasn't spoken a word in five years. While his classmates plan for bright futures, he skips school to hang out in hotels, killing time by watching the guests. But when he meets a silver-haired girl

named Zelda Toth, a girl who claims to be quite a bit older than she looks, he'll discover there just might be a few things left worth living for.

Burn Holly S Roberts, 2019-09-12 An epic mafia romance not for the faint of heart. The Hotter Than Hell series crosses the line into dark romance. The books are steamy, unethical, and HOT! Written by USA TODAY Bestselling Author Holly S Roberts. The Hotter Than Hell series is filled with violence, passion, and filthy language and is not for everyone. The motorcycle outlaw is out for blood in BURN: Dax: I took over the club with blood and death and I'll keep it the same way. No woman in her right mind would dare try to take what I have. Sofia: I've gone insane and I haven't been right since the death of my mother. Someone must pay with blood and I'm going after them even if it kills me. What readers are saying: "Burn for the soul." "Read and burn." "Very emotional story." Hotter Than Hell Continues: [Street Justice] Book IV [Ignite] Book V [Combust] Book VI [Inferno] Book VII

Anthology of Emo Tom Mullen, 2020-09-07

*Drain You* M. Beth Bloom, 2012-07-24 Every night I'd lie there in bed and look out at the hills behind our house, listening. I knew there'd be consequences. Actions meant reactions. Sunrises meant sunsets. My fear was too permanent, lasting longer than eyeliner, something I wore every day and didn't wash off. Quinlan Lacey's life is a red carpet of weird fashions, hip bands, random parties, and chilling by the pool with her on-and-off BFF Libby. There's also her boring job (minimum wage), a crushed-out coworker (way too interested), her summer plans (nada), and her parents (totally clueless). Then one night she meets gorgeous James, and Quinn's whole world turns crazy, Technicolor, 3-D, fireworks, whatever. But with good comes bad and unfortunately, Quinn's new romance brings with it some majorly evil baggage. Now, to make things right, she has to do a lot of things wrong (breaking and entering, kidnapping, lying, you name it). There's normal, and then there's paranormal, and neither are Quinlan's

cup of Diet Coke. Staying sane, cool, in love, and alive isn't so easy breezy.

**Carnal Resonance** Susanna Paasonen, 2024-02-06 An exploration of the modalities, affective intensities, and disturbing qualities of online pornography. Digital production tools and online networks have dramatically increased the general visibility, accessibility, and diversity of pornography. Porn can be accessed for free, anonymously, and in a seemingly endless range of niches, styles, and formats. In *Carnal Resonance*, Susanna Paasonen moves beyond the usual debates over the legal, political, and moral aspects of pornography to address online porn in a media historical framework, investigating its modalities, its affect, and its visceral and disturbing qualities. Countering theorizations of pornography as emotionless, affectless, detached, and cold, Paasonen addresses experiences of porn largely through the notion of affect as gut reactions, intensities of experience, bodily sensations, resonances, and ambiguous feelings. She links these investigations to considerations of methodology (ways of theorizing and analyzing online porn and affect), questions of materiality (bodies, technologies, and inscriptions), and the evolution of online pornography. Paasonen discusses the development of online porn, focusing on the figure of the porn consumer, and considers user-generated content and amateur porn. She maps out the modality of online porn as hyperbolic, excessive, stylized, and repetitive, arguing that literal readings of the genre misunderstand its dynamics and appeal. And she analyzes viral videos and extreme and shock pornography, arguing for the centrality of disgust and shame in the affective dynamics of porn. Paasonen's analysis makes clear the crucial role of media technologies—digital production tools and networked communications in particular—in the forms that porn takes, the resonances it stirs, and the experiences it makes possible.

**Linda Goodman's Love Signs** Linda Goodman, 2014-01-09 The New York Times bestseller that helps you explore whether

This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —*Newsweek*
