Barbarian's Prize Ruby Dixon,2023-02-28 The next novel in the international publishing phenomenon the Ice Planet Barbarians series, now in a special print edition with a bonus original novella! Tiffany doesn't care about all the attention she's getting from the alien men, but there is one particular hunter she can see herself with—if only she can find a way to move forward from the past. . . . It's hard being the most popular girl on the ice planet. The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs. But they don't know my secrets. And they don't realize that behind my smile, I just wish they'd take their courting presents and their competitions for my affection and go away. I want to be left alone. But on a planet where women are a scarcity, that won't be happening. If I had to choose a mate . . . it'd be someone with a gorgeous blue body, big horns, and the most intense gaze ever. Someone who knows the truth of what happened to me and why I don't like attention. Patient, handsome Salukh knows my secrets. He knows why I have nightmares and why I don't trust anyone. He's willing to let me "experiment" with him. I can use him. Take what I need from him to work through my trauma. He's been a good friend and the best shoulder to cry on. There's one small problem. When it comes to us, he doesn't just want to be my friend. He wants to be my forever. And day by day, he's getting harder to resist. . . .

Hard Time Cara McKenna,2014-04-15 In this all-new novel from the author of After Hours and Unbound, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels "Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion."—Victoria Dahl, USA Today bestselling author "McKenna writes dark, lush, erotic romance."—Heroes and Heartbreakers "Sweet, smoking hot, standout erotic romance."—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes...and bring one another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.

But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful—and passionate—of the Elder races. As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in each other. Pia knows she must repay Dragos for her trespass, but refuses to become his slave—although she cannot deny wanting him, body and soul...

Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that Christopher won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence between Beatrix and Christopher develops into something fulfilling

and deep...and when Christopher comes home, he's determined to claim the woman he loves. What began as Beatrix's innocent deception has resulted in the agony of unfulfilled love—and a passion that can't be denied...

The Play Elle Kennedy,2019-10-07 A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year’s distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there’s nothing in the rulebook that says I can’t be friends with a woman. And I won’t lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she’s got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she’s making a play for me. Avoiding her is impossible. We’re paired up on a yearlong school project, but I’m confident I can resist her. We’d never work, anyway. Our backgrounds are too different, our goals aren’t aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.
