Surfer Girls in the New World Order Krista Comer,2010-09-28 In *Surfer Girls in the New World Order*, Krista Comer explores surfing as a local and global subculture, looking at how the culture of surfing has affected and been affected by girls, from baby boomers to members of Generation Y. Her analysis encompasses the dynamics of international surf tourism in Sayulita, Mexico, where foreign women, mostly middle-class Americans, learn to ride the waves at a premier surf camp and local women work as manicurists, maids, waitresses, and store clerks in the burgeoning tourist economy. In recent years, surfistas, Mexican women and girl surfers, have been drawn to the Pacific coastal town's clean reef-breaking waves.

Comer discusses a write-in candidate for mayor of San Diego, whose political activism grew out of surfing and a desire to protect the threatened ecosystems of surf spots; the owners of the girl-focused Paradise Surf Shop in Santa Cruz and Surf Diva in San Diego; and the observant Muslim woman who started a business in her Huntington Beach home, selling swimsuits that fully cover the body and head. Comer also examines the Roxy Girl series of novels sponsored by the surfwear company Quiksilver, the biography of the champion surfer Lisa Andersen, the Gidget novels and films, the movie Blue Crush, and the book Surf Diva: A Girl's Guide to Getting Good Waves. She develops the concept of "girl localism" to argue that the experience of fighting for waves and respect in male-majority surf breaks, along with advocating for the health and sustainable development of coastal towns and waterways, has politicized surfer girls around the world.

Hollywood Surf and Beach Movies Thomas Lisanti, 2015-05-07 Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences—mainly because of the shirtless surfer boys and bikini-clad beach girls, the musical performers, and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun-in-the-sun teenage epics from Gidget to the Beach Party movies with Frankie and Annette to The Sweet Ride plus a few offshoots in the snow!) Entries include credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of The Girls on the Beach, Susan Hart of The Ghost in the Invisible Bikini, Peter Brown of Ride the Wild Surf, Chris Noel of Beach Ball, and Ed Garner of Beach Blanket Bingo. Biographies of actors and leading actresses who made their marks in the genre are included.

She Surf Lauren L. Hill, Robert Klanten, gestalten, 2020 Join the celebration of the diverse, vibrant, and engaged community of women riding and making waves around the globe. While surfing is usually seen as a male domain, women have long been nurturing their own water stories and claiming their rightful place in the world of this sport. She Surf hails the females, past and present, who are engaged in expanding the art of surfing. Through exclusive interviews and evocative imagery, the book travels from the iconic waves of Hawaii to remote locations in Morocco. Learn about the forgotten stories of Polynesian surfing princesses, pioneering wave riders from the 1960s, and the contemporary movers and shakers shaping the scene. This book is an exciting reflection on what it means to be a female surfer and what it means to be moved to action by the beauty of the sea.

Surf Diva Izzy Tihanyi, Coco Tihanyi, 2005 The founders of a surf school for women provide both a practical how-to guide to the sport of surfing and a witty look at the surfing lifestyle, integrating advice from professional surfers and tips on how to stay safe while having fun.

Surfing Linda Chase, 2007 As the official counterculture sport of the 1960s, surfing was not just a sport but a lifestyle, one long, sun-drenched beach party with endless waves and music, as well as an unapologetically masculine culture. This notion has since been disproved by generations of amazing female surfers who have made an indelible mark on the sport. Surfing: Women of the Waves highlights some of these extraordinary women of surfing, from Linda Benson and Joyce Hoffman in the 1950s and 1960s to Layne Beachley, Sofia Mulanovich, Bethany Hamilton, and the great Lisa Andersen, four-time women's world champion. Today, women of all ages and skill levels have taken their place among the waves-longboarders, shortboarders, goofyfooters, hotdoggers, young girls, and surfer moms—these are the women of the waves!

Girls Gotta Surf Cathy Lawler, 2010-09-04 Girls GOTTA Surf: Entry Level: White Water Queen, is a step-by-step guide for easing into the world of surfing. It is the first book totally dedicated to the novice female surfer, and teaches the basics of surfing on the bunny hill of surfing, the white water. These pages offer encouragement and explain, in detail, how the novice can progress gradually into a competent surfer. (An entire chapter is devoted to The Art of Standing Up!) If you are having fun, feel safe and use proper techniques from the start, you will progress without even realizing it! You can learn to surf by tackling one skill at a time, one step at a time, one wave at a time. You will appreciate the clearly described techniques that are illustrated with over 200 superb color photographs and graphics. Encouragement is offered through personal stories of frustration and

eventual success. Overcoming the unique challenges of the female surfer and taking advantage of her strengths are also discussed. Other topics covered include: safety, best beginner's surfboard, carrying your board, ocean conditions best suited for white water surfing, getting through the break, tummy riding, paddling, the importance of surf lessons, how to stand up quickly on the board, stance, maneuvering tips, timing, and surfing the more powerful white water waves. With practice and perseverance, you will soon be ready for the next levels: In the Blue and Surfin' Savvy.

The American Surfer Kristin Lawler,2010-10-18 The image of surfing is everywhere in American popular culture – films, novels, television shows, magazines, newspaper articles, music, and especially advertisements. In this book, Kristin Lawler examines the surfer, one of the most significant and enduring archetypes in American popular culture, from its roots in ancient Hawaii, to Waikiki beach at the dawn of the twentieth century, continuing through Depression-era California, cresting during the early sixties, persistently present over the next three decades, and now, more globally popular than ever. Throughout, Lawler sets the image of the surfer against the backdrop of the negative reactions to it by those groups responsible for enforcing the Puritan discipline – pro-work, anti-spontaneity – on which capital depends and thereby offers a fresh take on contemporary discussions of the relationship between commercial culture and counterculture, and between counterculture and capitalism.
