Photographers have always found that it is more appealing to let the imagination play and make curious about the „unpacking“. Sometimes these young ladies are even topless and sometimes they wear an exciting set of a hot lingerie with suspenders. And so here are hot and erotic women who show almost everything. But just almost... But this illustrated book is different. There are no colored pictures which I have chosen here. Each image was individually reworked as a very special black and white - shot. Thus, normal women become extraordinary beings. Have fun. Note: this is a picture book with naked women and not an erotic novel
