Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie,2018-11-05 SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Video Game Bible, 1985-2002 Andy Slaven,2002 With nearly three years of research utilized to compile game lists and thousands of hours used to play and review the games listed within, Video Game Bible is the most comprehensive source of information on video games released in the U.S. since 1985 ever created. Prices are based on realistic figures compiled by interviewing hundreds of large collectors and game store owners, and offer a realistic guideline to be followed by both collectors and video gamers looking to complete their collections. While numerous guides have been compiled on the subject of classic video games, this book offers coverage of video game consoles releases after 1985, known as the neo-classics. With 39 systems in total, Video Game Bible offers the largest guide to date. With the recent proliferation of video game collecting into the mainstream, it is necessary to have a standard by which games are valued. This is the first installment in a series of guides intended to offer full coverage of every video game ever made worldwide. Video game consoles are grouped together by the company that made them for easy reference. In addition to the table of contents, which lists each section separately, there are corner tabs to make browsing the guide even more convenient. Thousands of new facts are offered within the pages of this book, as are thousands of reviews and overviews. Written in a lighthearted manner, chapters of this guide that may not pertain to a particular collector will still be enjoyable for intelligent readers. An easy to use reference guide suitable for any age, this guide is sure to be an invaluable resource for anyone interested in video game collecting, video game history, and even for the casual video game fan interested in learning more about the hobby. Editor-In Chief: Andy Slaven Staff Writers: Micheal Collins, Lucus Barnes, Vincent Yang Contributing Writers: Charlie Reneke, Joe Kudrna

Erotic Asian Girls, No. 2 Naoko Aino,2024-03-20 ' Erotic Asian Girls ' is a wonderful series of photo art albums depicting the sensuality and beauty in Asian women, photographed by many distinguished Japanese photographers. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

medi@sia T.J.M. Holden,Timothy J. Scrase,2006-09-27 This new inter-disciplinary book is the first comparative, case-based analysis of media panoply in (and out of) Asia today. Examining what the authors call the media/tion equation, the contributors demonstrate the multiple links between media, society and culture, and advance the claim that media is the key means through which Asians experience, understand, effect and are affected by the worlds containing them. Exploring a relatively neglected principle in cultural studies - that context counts - medi@sia highlights how the experiences of those encountering media messages differ depending on social, economic, politial and ideational conditions. Balancing social, cultural and media theory with empirical research, the essays in this collection provide a better understanding of the complex relationship between media and people's practices, values and behaviour in contemporary Asia.

The Complete Story of Sadako Sasaki Masahiro Sasaki,Sue DiCicco,2020-04-07 **Independent Publisher Book Award (IPPY) Winner** **Middle School Book of the Year--Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

Japanese Girls and Women ,1905

Heroes, Heroines, and Everything in Between CarrieLynn D. Reinhard,Christopher J. Olson,2017-09-20 Current characters in children’s entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children’s entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products (e.g., comic books, television shows, animated films, films, children’s literature) meant for children (e.g., toddlers to teenagers). The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children’s entertainment media, popular culture, and global acceptance of these gender identities and sexualities.

British Music Videos 1966 – 2016 Emily Caston,2020-07-31 Based on new archival evidence and interviews, and setting out a new theoretical framework for music video analysis, Emily Caston presents a major new analysis of music videos from 1966-2016, identifying not only their distinctive British traits, but their parallels with British film genres and styles. By analysing the genre, craft and authorial voice of music video within the context of film and popular music, the book sheds new light on existing theoretical and historical questions about audiences, authorship, art and the creative industries. Far from being an American cultural form, the book reveals music video's roots in British and European film traditions, and suggests significant ways in which British video has impacted popular film and music culture.

Facets Video Encyclopedia Catherine Foley,Milos Stehlik,1999 Calling it 'a virtual cinemath'que on video', the Telluride Film Festival gave its coveted Silver Medallion award to Facets Video Encyclopedia. The Encyclopedia lists more than 35,000 rare films on video, laser disc and DVD. Included are foreign, independent, classic American, silent, documentary, experimental, cult and children's films. Each is carefully described and lists director, country of origin, year and running time credits and is categorized and cross-referenced by director and country. All films are available for sale or rent from Facets Multimedia.

Dragon Ball Culture Volume 2 Derek Padula,2015-01-14 Son Goku's adventure begins! Join me in Dragon Ball Culture Volume 2, as we travel along with Goku on his epic journey for greater strength. With each step that Goku takes, you'll discover more of the hidden spirituality and symbolism in Dragon Ball that makes the series so successful. You'll see how author Akira Toriyama synthesizes Chinese culture, Western technology, and Buddho-Daoist philosophy to create a series that speaks to your humanity. Not because of the action or the humor, but because it reminds you of what it means to be alive. Along the way you'll learn of Goku's ancient origin. You'll hear how the legend of a wild monkey-man begins in India, evolves across 2,000 years of Chinese and Japanese history, and leads to the Goku you know and love. I'll walk you through the journey from the first page to the last. And by the time we're done, you will be an expert on Dragon Ball's culture. Volume 2 explores Chapters 1 to 23 of the Dragon Ball manga. So let's take our first step with Goku!
