But after showing her that there's nothing wrong with her ability to orgasm, it's all I can do to walk away. Unleashing my inner beast on the person who matters most to me is not an option. But she wants me... Is she prepared to follow my every command? To submit to my will and let me take her to the ultimate heights of pleasure? Murder on a Hot Tin Roof Amanda

Matetsky, 2006-11-07 From the national bestselling author of *How to Marry a Murderer*. Intrepid crime magazine reporter and mystery novelist Paige Turner has a taste for danger. She's nearly met her maker more than once in the course of her sleuthing. But a New York heat wave is more daunting than any murderous thug, so when her neighbor Abby announces she has free Broadway tickets, Paige leaps at the chance to sit in an air conditioned theater. The show is *Cat on a Hot Tin Roof*, with Abby's handsome friend Gray Gordon stepping in for the lead. Gray's performance knocks 'em dead, but when Abby and Paige stop at his apartment the next morning to congratulate him, they find someone's done the same to him. Enlisting Abby as her deputy, Paige embarks on a sweltering, madcap, and decidedly dangerous quest for the killer that has her springing all over the city like an overheated feline.

Sex and the Soul Donna Freitas,2008-04-11 Based on

dozens of face-to-face interviews, Sex and the Soul explores the sexual and spiritual lives of today's college students. Donna Freitas crisscrossed the country, visiting a range of America's colleges and universities--from public to private, Catholic to evangelical--to find out what students had to say about these highly personal subjects. Their stories will not only engage readers, but, in many cases, move them with the painful struggles these candid young women and men face. Indeed, the book uncovers aspects of college life that may unsettle some readers, especially parents. Many campuses, for instance, are dominated by the pervasiveness of hook-up culture. Moreover, many students see little connection between sex and religion, even as they seek one between sex and spirituality. Indeed, these observations hold true even at Catholic schools. Only

at evangelical colleges is religion an important factor when deciding whether or not to engage in sex. But Freitas's research also reveals that, even at secular schools, students are not comfortable with a culture of casual sex, and that they do want spirituality, at least, if not also religion, to speak about what they should do and who they should try to be--not just what they should avoid doing. Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics, in a book that will be of great interest to students, parents, clergy, teachers, and anyone who wants to know what's happening on today's college campuses. Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating, disturbing...engaging...persuasive.... Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn. --Publishers Weekly Candid, disturbing, yet ultimately hopeful....Throughout this beautifully written book, Freitas presents students' feelings and experiences in an unflinching yet compassionate way. You care about these young people and their struggles. This book is a great service to students, parents, and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives. --Christian Science Monitor

Sex and the Soul, Updated Edition Donna Freitas, 2015 First published in 2008, Donna Freitas's Sex and the Soul revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, Sex and the Soul achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the

lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

Forgive Me Joshua Corin, 2016-07-05 Hailed by Douglas Preston as “a master storyteller,” Joshua Corin returns with another white-knuckle thriller featuring ex-FBI agent Xanadu Marx. And this time, payback comes with a price tag. They call themselves the Serendipity Group, a charitable organization that helps victims take revenge on those who’ve wronged them. But when the group’s hit list leaks, the hunters become the hunted—and two innocents are caught in the crossfire. A pair of newlyweds are waylaid in Atlanta after a bad storm disrupts their flight to Paris. They are stuck in a dingy airport hotel room—until a stranger insists the happy couple take his lavish suite. But the man’s kindness is a ruse: They are being used as bait, and soon find themselves prisoners of a maniac with a hacksaw—all because of a list of thirteen people marked for execution. Ex-FBI agent Xanadu Marx doesn’t know how her name ended up on the list, but she’ll be toast if she doesn’t take herself off it. Now a civilian on parole after a career-killing mistake, Xanadu Marx supposedly has three days to live, and the question isn’t whether she has an enemy gunning for her, it’s which one. But when two wide-eyed newlyweds may have become collateral damage, Xana realizes that there are some sins that can’t be forgiven. Don’t miss any of Joshua Corin’s electrifying Xanadu Marx thrillers: **COST OF LIFE • FORGIVE ME • AMERICAN LIES**

The Wondering Years Knox McCoy, 2018-11-13 Yes, you can love God and binge Netflix! Podcaster Knox

McCoy, co-host of The Popcast with Knox and Jamie, tells hilarious stories about how pop culture helped him answer life's biggest questions in his debut book, *The Wondering Years*. Through books, television, music and movies, Knox found many of the answers he was searching for about God and why we're all here. When you hear the phrase pop culture, you likely think reality television, boy bands or *Real Housewives* of various cities. While these are elements of popular culture, they aren't all it has to offer. Pop culture may not cure diseases or make scientific breakthroughs, but it does play a vital role in the story of humanity. From the first time he was punched in the face to saving dog souls as a canine evangelist, Knox reflects on how pop culture has helped shape his life and carve out the foundation of his faith. While the three cultural tentpoles—the South, the Church, and Sports—defined many aspects of his East Tennessee upbringing, it was pop culture that influenced Knox and his sense of the world at large.

Disposable Passions David Church,2016-09-22 From early twentieth-century stag films to 1960s sexploitation pictures to the boom in 1970s "porno chic," adult cinema's vintage forms are now being reappraised by a new generation of historians, fans, preservationists, and home video entrepreneurs-all of whom depend on and help shape the archive of film history. But what is the present-day allure of these artifacts that have since become eroticized more for their "pastness" than the explicit acts they show? And what are the political implications of recovering these rare but still-visceral films from a less "enlightened," pre-feminist past? Drawing on media industry analysis, archival theory, and interviews with adult video personnel, David Church argues that vintage pornography retains its

retrospective fascination precisely because these culturally denigrated texts have been so poorly preserved on political and aesthetic grounds. Through these films' ongoing moves from cultural emergence to concealment to rediscovery, the archive itself performs a "striptease," permitting tangible contact with these corporeally stimulating forms at a moment when the overall physicality of media objects is undergoing rapid transformation. Disposable Passions explores the historiographic lessons that vintage pornography can teach us about which materials our society chooses to keep, and how a long-neglected genre is primed for serious rediscovery as more than mere autoerotic fodder.

Wreckless Katie Golding,2021-05-25 On the streets, we're kerosene and a lit match: Explosive. Incendiary. Ready to let the world burn. But in the bedroom, we can be so much more. I'll never forget the day she walked into my life. Brash and confident, Lorelai Hargrove was bound to be America's damned Sweetheart—and the way she looked at me made me feel like dirt beneath her heel. It shouldn't have bothered me. I've spent years fighting to prove myself to this world, even as I struggled to save my family from ruin, and there's nothing and no one who can truly match me. But something about the way she looked at me then made me eager to see her try... And now? Well now, this is the game we play. She pretends she hates me, and I wind her up into a fury as I pretend she's not all I can think about at night. The whole world knows just how well we hate each other...and yet the minute she needs me to stop being her favorite enemy, I'll be there to show her just how good we could really be... If only this endless battle wasn't destined to cost us everything. A spicy New Adult rivals to

lovers romance.
