Shadow Song Terry Kay,2010-03-16 In the summer of 1955, Madison Lee Bobo Murphy was a waiter at the Catskills' Pine Hill Inn. A rural Southerner, he had never heard the word meshugge until Avrum Feldman -- a retired New York City furrier -- became his unlikely friend. For Bobo, nothing about that special time and place ever lost its glow: Avrum's obsession with the haunting voice of a famous opera diva, music that no one else could hear; the exotic mingling of Yiddish and German in the dining room; and the girl he met and loved. In everyone's life, Avrum claimed, there is one grand, undeniable moment that never stops mattering. For Bobo, it was his first glimpse of beautiful Amy Lourie. But, for a wealthy Jewish girl and a Georgia farm boy, the summer had to end, leaving Bobo with the pain of lost love. Nearly forty years later, his children grown and marriage comfortably routine, Bobo comes north once more; there, amidst the haunting hints of Amy's presence, she unexpectedly appears. Nothing has dimmed the passion of their youth, yet two lifetimes and a thousand Catskills sunsets stand between who they were and who they have become. The barriers between them are different now. But mysteriously, miraculously, Bobo reawakens the dream of a love larger than himself....

Shadow Music Elisabeth Rose,2019-04-08 When Australian violinist Nina Lee finds a piece of old sheet music at a rummage sale, she quickly discovers the

music is imbued with a supernatural power. Strange dreams of a handsome, passionate, and commanding man playing a beautiful melody on violin haunt her nights and gradually consume her thoughts. Time-traveling minstrel Piers de Crespigny demands that Nina help him in his ghostly quest to be reunited with his lost love Miranda. Obsessed with playing his music, seduced by its power, and half in love with Piers herself, Nina is afraid she will do anything for him. Then equally obsessed Englishman musician Martin Leigh walks into the music shop where Nina works—looking for her. Desperate and frightened for their sanity, they join forces to travel back to England together and break Piers? hold over them. But how can a determined spirit be laid to rest when his beloved died tragically more than a century ago?

Shadow Music Julie Garwood, 2008-12-30 “Action, drama, desire, revenge: Shadow Music includes all the necessary ingredients for romantics to plunge into the moors, mountains and magical myth of medieval Scotland.”—The Roanoke Times Prized for her exquisite beauty, Princess Gabrielle of St. Biel, the daughter of one of England’s most influential barons, is a perfect bargaining chip for a king who needs peace in the Highlands: King John has arranged Gabrielle’s marriage to a good and gentle laird. But this marriage will never take place. Upon her arrival in Scotland, Gabrielle is immediately entangled in Highland intrigue, as a battle royal flares between enemies old and new. For two sadistic noblemen, underestimating Gabrielle’s bravery and prowess may prove fatal. Colm MacHugh, the most feared man in Scotland, makes no such

mistakes about the captivating princess. Under his penetrating gaze, neither Gabrielle's body nor her heart is safe. "No one does historical romance better than Garwood. . . . Gabrielle is an enchanting heroine."—The State (Columbia, S.C.) "A compelling historical romance."—Publishers Weekly

Shadow Songs Dancing Leonard J. Griego, 2001-12-07 This is a book of poetry, a book about one man's fantasy. Poetry comes in many guises and is inspired by untold things, events and people. As with many people, I have had many experiences and some of them I wonder where the hell they came from. Those experiences have been the inspiration for much of what I have written. I have traveled all over the world and have met many wondrous people and they have been part of my inspiration. My love poems came in flashes some days and some days I agonized over a poem for long periods of time. My relationships with women have been a disaster, to say the least and I think the Creator gave me fantasy so I wouldn't despair too much. Somewhere, I was fortunate to glimpse, to be with, to touch, however briefly, beauty and grace, intelligence and style, innate kindness and humor in a woman. That was my inspiration for my love poems. Never mind that none of it worked out. I am eternally optimistic that somewhere that lady with the Celadon eyes will be waiting.

Overcoming loss—finding the courage to move on—trying to stay alive Late in the Cold War, a young woman escapes from Communist Hungary, vanishing into

the night with a priceless painting and a baby girl—setting events in motion from a decades-old secret that will change lives for generations to come. Many years later, classical pianist Maggie O'Shea is drawn to Cornwall in search of a long-lost Van Gogh and the truth behind her husband's death. A journal from World War II Paris holds many of the answers, but only two people know where the Van Gogh is hidden now—a courageous nun and a man presumed dead. Set against the backdrop of the international music and art world, Maggie finds herself on a collision course with three dangerous Russians who threaten all she holds dear—including her life and the life of the man she has come to love. Past and present converge in this haunting tale of loss, courage, love, and revenge. Perfect for fans of Sandra Brown and Iris Johansen While the novels in the Maggie O'Shea Mystery Series stand on their own and can be read in any order, the publication sequence is: The Lost Concerto Dark Rhapsody Shadow Music

Chinese Shadow Theatre Fan Pen Li Chen, 2007-06-21 In her study of Chinese shadow theatre Fan Pen Li Chen documents and corrects misconceptions about this once-popular art form. Drawing on extensive research and fieldwork, she argues that these plays served a mainly religious function during the Qing dynasty and that the appeal of women warrior characters reflected the lower classes' high tolerance for the unorthodox and subversive. Chinese Shadow Theatre includes several rare transcriptions of oral performances, including

a didactic play on the eighteen levels of Hell, and Investiture of the Gods, a sacred saga, and translations of three rare, hand-copied shadow plays featuring religious themes and women warrior characters. Chen examines the relationship between historical and fictional women warriors and those in military romances and shadow plays to demonstrate the significance of both printed works and oral transmission in the diffusion of popular culture. She also shows that traditional folk theatre is a subject for serious academic study by linking it to recent scholarship on drama, popular religion, and popular culture.

Songs of the Dark: Short Fiction from the World of Raven's Shadow Anthony Ryan, 2021-05-10 "Heard whispers of the Dark all my life. It's a strange feeling when a whisper becomes a shout." SONGS OF THE DARK collects all four novellas from the world of Anthony Ryan's internationally best-selling Raven's Shadow trilogy. Centuries before the rise of the Unified Realm, the final battle looms between the city state of Kethia and the Volarian Empire. As told by Imperial Chronicler Lord Verniers, this terrible event is shrouded in many secrets and, some say, wrought by servants of the Dark. When word reaches the north of a fresh outbreak of the dreaded Red Hand, Brother

Sollis, the finest swordsman in the Sixth Order, leads a small band to a long-abandoned castle in search of a potential cure, but discovers a far greater threat lurking in the mountains. A quest for bloody vengeance forces Derla, a skilled and deadly veteran of the Varinshold underworld, into the service of the arch schemer King Janus. Veteran Realm Guard Jerhid, newly appointed Lord Collector of the King's Excise, finds himself battling ruthless smuggler gangs and worse on the wild southern shore of the Unified Realm. Four compelling tales of mystery, magic, intrigue and battle presented in one volume for the first time, featuring all new introductions by the author.
