The Shadow Realm Abigail Manning,2023-08-09 A Shadowy Retelling of The Invisible Man, Pinocchio, and Dracula... The Silver Shadow Ball is the event of the year in the kingdom of Umbria, filled with dancing, flaunting nobles, and, of course, romance. A princess and her two noble friends are counting the minutes until the party and have been stringing along as many potential dates as possible.

However, things go too far when they offend one man in particular. After being refused and insulted by the princess and her friends, the young enchanter places a curse on each girl as punishment. With each curse being different from the next, the clues to cure them leave more questions than answers. As the air chills and the leaves fall, one girl is forced to flee her home out of fear of being seen as the ghost she is-or not being seen, that is. Another remains home with the constant threat of pain each time her body turns her as fake as her words. As for the princess, she'd rather die than concede to her curse's wishes... not that she's truly living, anyway. Can the enchanter's curses be broken? Or will they forever be forced to hide in the shadows? As questionable allies are made and pumpkins are carved, it might be best to keep one's heart left in the dark. Halloween at Merryvale Alice Hale Burnett, New York Book Company, 1916

All Hallows Eve Michael Penning, 2020-05-16 A century after the witch trials, Salem is still not without its witches... Alice Jacobs doesn't believe in ghosts... until her daughter is taken by one. When her husband disappears while investigating a series of strange and terrible incidents in the bustling seaport of Salem, Alice is forced to bring her young daughter, Abigail, along from Boston while she takes up the

search. But she soon learns of a terrible prophecy that has the entire town bracing for nightfall: one hundred years after being hanged for witchcraft, the vengeful spirit of Rebecca Hale will rise from hell on All Hallows' Eve to claim the souls of Salem's children. Alice dismisses the old legend as foolish superstition... until Abigail is snatched from her bed by a sinister woman made of smoke and mist. Desperate to find her daughter before the sun rises and she is lost forever, Alice races against time on a spine-chilling adventure that takes her from forgotten dungeons and gloomy cemeteries to the haunted forests of Gallows Hill. Along with Jonas Hobbes-a roguish sailor searching for his own missing child-she battles deadly supernatural forces and uncovers a dark secret that may be the key to saving Abigail's soul... if only she can survive the most terrifying night of her life.

Heart of Shadows Lisa Edmonds, 2020-03 Trust Alice. Private Investigator of the Supernatural. Mage private investigator Alice Worth must solve the most difficult case of her career--her own. A magic-induced bloodbath during a Vampire Court gala leaves Alice and her boyfriend, alpha werewolf Sean Maclin, wounded. Alice and her ghost sidekick Malcolm reluctantly agree to investigate the deadly supernatural attack. When they vanish without a trace, Sean, his pack, and the Court form an uneasy alliance to locate them. Days later, Sean finds Alice on the side of the road far from home, with no memory and no magic--and no sign of Malcolm. For Sean, Alice's condition means starting over with the woman he loves. For Alice, it's a chance to escape painful memories of her violent past, but she knows she needs her power back before her enemies learn she's vulnerable. To find Malcolm and her stolen magic, she and Sean team up with his pack, a white witch, the Court, and a pair of dangerous black witches. Their investigation unearths an ancient vendetta and a shadowy

enemy so powerful and ruthless, no one involved--most of all Alice--will ever be the same. Lisa Edmonds has made an instant fan of me. I look forward to reading the next case that requires Alice's special set of skills. - The Reading Cafe

AUTHOR INTERVIEW

Q: Why do you write? A: I've wanted to be a writer since I was five years old and I wrote my first story. My head is always full of stories and it's so wonderful and such a privilege to get to share them with others. I write because I **have** to write and because there's nothing I love to do more. When you write, you get to bring people to life, create a world for them to inhabit, and invite readers to enjoy that world with you. If that's not real magic, I don't know what is.

Q: What books do you write? A: I want to write the kinds of stories and books that I love to read--lots of adventure, mystery, suspense, action, twists, magic, and of course romance. The Alice Worth series is paranormal mystery set in a world very like our own, but with magic and supernatural beings. I hope readers get caught up in the mysteries and enjoy going on adventures with Alice as she tries to solve them and figure out her place in the world. The reading order follows below.

ALICE WORTH HEART OF MALICE (book 1) JUST FOR ONE NIGHT (short story) BLOOD MONEY (novella) HEART OF FIRE (book 2) HEART OF ICE (book 3) HEART OF STONE (book 4) HEART OF SHADOWS (book 5)

Q: Do you use music in your writing? A: Yes! Each Alice Worth book has a curated playlist of songs featured in the novel, as well as other tunes that enhance your reading experience. Alice loves music and so do I! See the playlists at my website. Be sure to scroll up and hit that **BUY NOW** button to jump into a world of adventure, mystery, suspense, and of course, romance!

The Haunting of Alice Kate Higgins, 2021-03-09 Whose was the face first seen through the eyes of seven year old Alice? Why was she paid random visits over the following twelve years? - Lurking in the

shadows; through the mist and once in her bedroom mirror? Always the same face although older as the years had passed, until it became that of a young man. Realising the sightings were for her eyes only, Alice had never told a soul of the hauntings in the hope that they would stop. When phantom telephone calls began waking her in the dead of night accompanied by mysterious knockings at the door - through rain, hail or snow, she began to doubt her own sanity. After first confiding in her older brother she eventually enlisted the help of a medium to see whether it was the supernatural she was experiencing. He took her on a journey to explore what he believed to be a forgotten memory attempting to rise to the surface. Was the medium right or was her mother's belief that Alice was simply sleepwalking? Was she delusional as she herself feared or was her brother right after all, the times she'd heard him say over the years that Alice was 'A bit missing?'
