Media Representation and the Global Imagination Shani Orgad, 2014-03-03 This book is a clear, systematic, original and lively account of how media representations shape the way we see our and others' lives in a global age. It provides in-depth analysis of a range of international media representations of disaster, war, conflict, migration and celebration. The book explores how images, stories and voices, on television, the Internet, and in advertisements and newspapers, invite us to relocate to distant contexts, and to relate to people who are remote from our daily lives, by developing 'mediated intimacy' and focusing on the self. It also explores how these representations shape our self-narratives. Orgad examines five sites of media representation – the other, the nation, possible lives, the world and the self. She argues that representations can and should contribute to fostering more ambivalence and complexity in how we think and feel about the world, our place in it and our relation to far-away others. *Media Representations and the Global Imagination* will be of particular interest to students and scholars of media and cultural studies, as well as sociology, politics, international relations, development studies and migration studies.

*Stop at Nothing* Michael Ledwidge, 2020-03-03 "Flawless"—James Patterson The explosive new thriller from the #1 New York Times bestselling coauthor of James Patterson's Michael Bennett series When a Gulfstream jet goes down in the Bahamas carrying a fortune in cash and ill-gotten diamonds, expat diving instructor Michael Gannon is the only person on the scene. Assuming himself the beneficiary of a drug deal gone bad, Gannon thinks he's home free with the sudden windfall until he realizes he forgot to ask one simple question. Who were the six dead men on the plane? Gannon soon learns the answer to that fateful question as he is thrust into an increasingly complex and deadly game of cat and mouse with a group of the world's most powerful and dangerous men who will stop at nothing to catch him. But as the walls close in, Gannon reveals a few secrets of his own. Before he retired to the islands, Gannon had another life, one with a lethal set of skills that he must now call back to the surface if he wants to make it out alive. As a decade-long James Patterson writing partner, Michael Ledwidge is a pro at writing fast-paced, in-the-moment prose, tightly choreographed action set pieces and plot twists that drop at exactly the right moment. With this novel, he kicks off an unstoppable, gripping new thriller series. Don't miss Michael Ledwidge's upcoming novel, *Run for Cover*!

Washington Post Book World "Marshall's style – blending the hilarious, the surreal, and the poignant – remains inimitable and not easily resisted." San Francisco Chronicle "Marshall has few peers as an author who melds the wildest comedy and tragedy in narratives of nonstop action." Publishers Weekly "Marshall is building a growing, iconoclastic body of work that mixes weird fantasy [and] wayward characterization . . . to produce a subtle, charged, atmospheric, lush fiction hybrid sure to satisfy those with a taste for mysteries on the far edges." Philadelphia Inquirer "Despite the wild humor, Marshall's

stories contain excellent police procedure, real suspense, and fine irony . . . incessantly scary." Chicago Tribune "Among the best police procedural series on the market." Detroit Free Press "As an inspired poet of the bizarre, [Marshall] orchestrates underlying insanity into an apocalyptic vision of the future." New York Times Book Review "Marshall's novels feature seemingly supernatural events that turn out to have logical, if not precisely rational, origins. He has savage fun with police procedure." TIME "Nobody rivals Marshall's ability to expose the links between comic hysteria and the most mundane human foibles, from greed to cowardice to simple funk." Kirkus Reviews "Moves at the speed of a bullet; don't read it aloud or you'll run out of breath." Chicago Sun-Times

Catalina Liska Jacobs, 2017-11-07 A magnetic, provocative debut novel chronicling a young woman's downward spiral following the end of an affair Elsa Fisher is headed for rock bottom. At least, that's her plan. She has just been fired from MoMA on the heels of an affair with her married boss, and she retreats to Los Angeles to blow her severance package on whatever it takes to numb the pain. Her abandoned crew of college friends (childhood friend Charlotte and her wayward husband, Jared; and Elsa's ex-husband, Robby) receive her with open arms, and, thinking she's on vacation, a plan to celebrate their reunion on a booze-soaked sailing trip to Catalina Island. But Elsa doesn't want to celebrate. She is lost, lonely, and full of rage, and only wants to sink as low as the drugs and alcohol will take her. On Catalina, her determined unraveling and recklessness expose painful memories and dark desires, putting everyone in the group at risk. With the creeping menace of Patricia Highsmith and the bender-chic of Bret Easton Ellis, Liska Jacobs brings you inside the mind of an angry, reckless young woman hell-bent on destruction—every page taut with the knowledge that Elsa's path does not lead to a happy place. Catalina is a compulsive, deliciously dark exploration of beauty, love, and friendship, and the sometimes toxic desires that drive us.

*Pursuing My Ex-Wife Isn't Easy* Inked Snow, Six years ago, she was framed by her wicked sister and was abandoned by her then husband while she was pregnant. Six years later, she started anew with a different identity. Oddly, the same man who abandoned her in the past had not stopped pestering her at her front door. "Miss Gibson, what's your relationship with Mister Lynch?" She smiled and answered nonchalantly, "I don't know him." "But sources say that you were once married." She answered as she tucked her hair, "Those are rumors. I'm not blind, you see." That day, she was pinned on the wall the moment she stepped in her door. Her three babies cheered, "Daddy said mommy's eyes are bad! Daddy says he'll fix it for mommy!" She wailed, "Please let me go, darling!"

Love and Sorcery: Disillusioned Roxanne McNeil, 2022-11-12 An unwanted bodyguard, an underestimated sorceress, and their powerful, mutual dislike. Expecting to guard a powerful sorcerer, Dan Forell instead finds himself the unwanted bodyguard of a young sorceress, a pretty girl who could destroy his dreams of prestige in the army. If he wasn't falling in love with her, he might hate her entirely. She shouldn't fall for him or trust him with the truth of her abilities, but his quiet intensity and devotion make her question her resolve. As a foreign power works to annihilate the sorcerers protecting their homeland, Lillian and Dan must repel enemy attacks, overcome first impressions, and somehow convince each other that love is worth the risk of heartbreak. Disillusioned is a sweet romance with fantasy elements for fans of Pride and Prejudice and fairy tale endings.

**When We Were Young** Jerry Flesher,2005 During the summer of 1944, after two-and-a-half years of war, American citizens on the home front were still caught up in a surge of patriotic fervor, making any sacrifice necessary to help the soldiers, sailors, marines and airmen that were engaged in combat. These people were the generation that endured the Great Depression only to be plunged into World War II. We meet four boys who are too young to be in uniform and want to do something to help the war effort. The focus is also on a young man who goes off to war and the girl he leaves behind who worries that he will perish in combat or will be maimed or crippled or will return a different man from the one she loved when he went off to war. We begin to understand what it was like to experience rationing, wartime anxieties, and the optimism and spirit of shared purpose that were central to life on America's home front during the first half of the 1940s. We meet the people who were young back then and learn that they, too, along with the fighting men, helped to save the world for democracy.

**Like** Ali Smith,2024-04-02 Ali Smith's beautifully written, precise, poetic (The Observer) debut that follows the briefly intertwined lives of two young women When we meet Amy Shone, she is a young parent struggling to raise Kate, a precocious eight-year-old. Amy is an enigma-a brilliant scholar who has forgotten how to read. She is estranged from her wealthy English parents and lives a nomadic life in Scotland, dragging Kate from one school to the next, barely scraping by. And then there is Ash, a fiery Scottish actress who cannot shake her demons-chief among them an unrequited passion for Amy that has obsessed her ever since they met as teenagers. Like is the story of two parallel lives that intersect briefly, then diverge. It is also a timeless evocation of adolescence and its agonizing anticipations, its contradictory yearnings for freedom and safety, its blind quest for mastery over pleasure and pain. Deftly constructed, passionately imagined, Like is a remarkable debut from a powerful talent.

**The Way You Burn** Christine Meade,2020-04-14 When David approaches his New Hampshire cabin one cool October night to find it engulfed in flames, he knows his girlfriend Hope set the fire. At least, he's pretty sure he knows. David first decides to upend the creature comforts of his post-collegiate life and try roughing it for a year after he inherits two acres of land and a rustic cabin from his deceased grandfather. Life at the cabin proves to be more difficult than expected, however, and it all starts with the woman he loves—Hope—whose dark past is written in the twisting pink scars covering her body. Their relationship is challenged after his car slides through an intersection one dark night and, later, his realization that someone is out there, watching him through the trees. Over the course of five seasons, David struggles to maintain his relationship with Hope. Ultimately, in an attempt to understand the sacrifices she has had to make, he decides to rewrite their story. In doing so, he explores the lessons he's left with--after everything he thought mattered is gutted or burned away—and the surprising bits of wisdom he finds in the ashes.

**Cold Blooded** Haley Dixon,2021-07-22 I never thought someone like him could come into my life and do the damage he has done. I never pictured myself so addicted to such a temperamental, misunderstood, self-righteous, narcissistic, unfeeling gang banger. Not when I was so different from him. Yet, everything about him intrigued me, pulled me so deep into his webs nothing could pull me away from him. Not even after he set off every bomb in my life that would destroy my world as I knew it.

Forced once again to work with the marquess to uncover the truth behind a mystery, she soon discovers that her passionate attraction to him has not abated. **Zenith City** Michael Fedo, 2014-04-15 Duluth may be the city of "untold delights" as lampooned in a Kentucky congressman's speech in 1871. Or it may be portrayed by a joke in Woody Allen's film Manhattan. Or then again, it may be the "Zenith City of the unsalted seas" celebrated by Dr. Thomas Preston Foster, founder of the city's first newspaper. But whatever else it may be, this city of granite hills, foghorns, and gritty history, the last stop on the shipping lanes of the Great Lakes, is undeniably a city with character—and characters. Duluth native Michael Fedo captures these characters through the happy-go-melancholy lens nurtured by the people and landscape of his youth. In Zenith City Fedo brings it back home. Framed by his reflections on Duluth's colorful—and occasionally very dark—history and its famous visitors, such as Sinclair Lewis, Joe DiMaggio, and Bob Dylan, his memories make the city as real as the boy next door but with a better story. Here, among the graceful, poignant, and often hilarious remembered moments—pranks played on a severe teacher, the family's unlikely mob connections, a rare childhood affliction—are the coordinates of Duluth's larger landscape: the diners and supper clubs, the baseball teams, radio days, and the smelt-fishing rites of spring. Woven through these tales of Duluth are Fedo's curious, instructive, and ultimately deeply moving stories about becoming a writer, from the guidance of an English teacher to the fourteen-year-old reporter's interview with Louis Armstrong to his absorption in the events that would culminate in his provocative and influential book *The Lynchings in Duluth*. These are the sorts of essays—personal, cultural, and historical, at once regional and far-reaching—that together create a picture of people in a place as rich in history and anecdote as Duluth and of the forces that forever bind them together.

**Stranger in My Own Skin** Cody Mower, 2023-09-15 After being medically retired out of the Marine Corps, Cody found himself separated from his wife and son, and struggling to deal with a brain injury that had fractured his personality and robbed him of all the things

he thought he was. No longer able to stand the face in the mirror, he quickly fell down a rabbit hole of alcoholism, and self-loathing unable to forgive himself for the life he destroyed. Even though he moved to a new city and tried to start over by going to school and doing the 'right' things, he still felt like an empty shell, a ghost living in skin that didn't belong to him. It all came crashing down one summer afternoon when a still suffering from a massive hangover, he truly saw himself in the mirror for the first time, gaunt, broken, and pathetic. Staring at his reflection he knew something had to change. One way or another.
