Tranquillity and Ruin Danyl McLauchlan,2021-09-09 Danyl McLauchlan wanted to get closer to the hidden truth of things. But it was starting to look like the hidden truth of things was that nothing was real, everything was suffering, and he didn't really exist. In these essays Danyl explores ideas and paths that he hopes will make him freer and happier &- or, at least, less trapped, less medicated and less depressed. He stays at a monastery and meditates for eight hours a day. He spends time with members of a new global movement who try to figure out how to do the most possible good in the world. He reads forbiddingly complex papers on neuroscience and continental philosophy and shovels clay with a Buddhist monk until his hands bleed. He tries to catch a bus. *Tranquillity and Ruin* is a light-hearted contemplation of madness, uncertainty and doom. It's about how, despite everything we think we know about who we are, we can still be surprised by ourselves. 'There are passages you'll read multiple times, not because it's difficult or obfuscating, but because it's complicated, and beautiful in the way that all complicated things are beautiful.' —Alie Benge, *The Spinoff* An incisive exploration of what makes us human, from one of the

**Recipes from My Home Kitchen** Christine Ha,2013-05-14 A volume of deeply personal comfort food recipes by the legally blind Master Chef champion offers insight into how the loss of her sight compelled her to learn to cook by sense, drawing on her experiences with both Vietnamese and American culinary cultures to share advice on how to produce professional results in a home kitchen.

**Bug Week** Airini Beatrais,2021-02-23 A science educator in domestic chaos fetishises Scandinavian furniture and champagne flutes. A group of white-collar deadbeats attend a swinger's party in the era of drunk Muldoon. A pervasive smell seeps through the walls of a German housing block. A seabird performs at an open-mic night. *Bug Week* is a scalpel-clean examination of male entitlement, a dissection of death, an agar plate of mundanity. From 1960s Wellington to post-Communist Germany, *Bug Week* traverses the weird, the wry and the grotesque in a story collection of human taxonomy.

**Intimate Disconnections** Allison Alexy,2020-07-08 In many ways, divorce is a quintessentially personal decision—the choice to leave a marriage that causes harm or feels unfulfilling to the two people involved. But anyone who has gone through a divorce knows the additional public dimensions of breaking up, from intense shame and societal criticism to friends’ and relatives’ unsolicited advice. In *Intimate Disconnections*, Allison Alexy tells the fascinating story of the changing norms surrounding divorce in Japan in the early 2000s, when sudden demographic and social changes made it a newly visible and viable option. Not only will one of three Japanese marriages today end in divorce, but divorces are suddenly much more likely to be initiated by women who cite new standards for intimacy as their motivation. As people across Japan now consider divorcing their spouses, or work to avoid separation, they face complicated questions about the risks and possibilities marriage brings: How can couples be intimate without becoming suffocatingly close? How should they build loving relationships when older models are no longer feasible? What do you do, both legally and socially, when you just can’t take it anymore? Relating the intensely personal stories from people experiencing different stages of divorce, Alexy provides a rich ethnography of Japan while also speaking more broadly to contemporary visions of love and marriage during an era in which neoliberal values are prompting wide-ranging transformations in homes across the globe.

*Marriage in Contemporary Japan* Yoko Tokuhiko,2009-09-25 The phenomenon of bankonka - ‘postponement of marriage’ - is increasingly reported in contemporary Japanese media, clearly illustrating the changing patterns of modern lifestyles and attitudes towards marriage, personal obligation and ambition. This is the first book in recent years to explore the contemporary state of marriage in Japanese society. Setting out the different perceptions and expectations of marriage in today’s Japan, the book discusses how economic issues and the family impact on marital behaviour. Contrary to the views of some feminists that young women have no interest in improving their status and position, this book argues that, by delaying marriage and childrearing, young women can be seen as ‘rebels’ challenging Japanese patriarchal society. Unlike many other studies, it gives equal attention to male gender roles and masculinity, exploring what constitutes being a ‘real man’ in Japan - through the analysis of mainstream and non-mainstream conceptions of masculinity that co-exist in contemporary Japan, and considers the implications of such different roles for the institution of marriage. It investigates the roles of wife and mother, articulating why the strict division of labour defining men as breadwinners and women as homemakers became popular. Moreover, it describes the changing character of courtship relationships, explaining why the norm has shifted from arranged marriages pre-1945 to love marriages after that period. Finally, it puts the Japanese experience into cross-cultural, international context with a series of comparisons with marriage elsewhere both in Asia - including in Korea and Hong Kong - and in western countries such as France, Sweden, Italy and the United States.

*Active Pursuit of Pregnancy* Isabel Fassbender,2021-12-06 What is ninkatsu? Who promotes and governs this active pursuit of pregnancy? Trying to answer these questions, this unprecedented publication exhibits how mass media, policymakers, and biomedical science-corporate capitalism govern the individual's reproductive choices in contemporary Japan through gendered discourses of self-improvement, life planning, and biomedical technology. Analyzing a broad range of media, popular science, and government material, it links historical and social processes with an original theoretical framework on self-governance, neoliberalism, and postfeminism. While deeply engaging with Japanese sources, this rich scholarship takes the study of reproductive politics beyond Japan. This book is not only of interest for Japanese studies scholars but more broadly also those curious about neoliberal government strategies, gender, and biomedical capitalism--

Too Much Money Max Rashbrooke,2021-11-25 Today, someone in the wealthiest 1 per cent of adults - a club of some 40,000 people - has a net worth 68 times that of the average New Zealander. *Too Much Money* is the story of how wealth inequality is changing Aotearoa New Zealand. Possessing wealth opens up opportunities to live in certain areas, get certain kinds of education, make certain kinds of social connections, exert certain kinds of power. And when access to these opportunities becomes alarmingly uneven, the implications are profound. This ground-breaking book provides a far-reaching and compelling account of the way that wealth - and its absence - is transforming our lives. Drawing on the latest research, personal interviews and previously unexplored data, *Too Much Money* reveals the way wealth is distributed across the peoples of Aotearoa. Max Rashbrooke's analysis arrives at a time of heightened concern for the division of wealth and what this means for our country's future.

**Erasure** Percival Everett,2011-10-25 Percival Everett's blistering satire about race and publishing, now adapted for the screen as *AMERICAN FICTION*, directed by Cord Jefferson and starring Jeffrey Wright and Tracee Ellis Ross Thelonious Monk Ellison's writing career has bottomed out: his latest manuscript has been rejected by seventeen publishers, which stings all the more because his previous novels have been critically acclaimed. He seethes on the sidelines of the literary establishment as he watches the meteoric success of *We's Lives in Da Ghetto*, a first novel by a woman who once visited some relatives in Harlem for a couple of days. Meanwhile, Monk struggles with real family tragedies—his aged mother is fast succumbing to Alzheimer's, and he still grapples with the reverberations of his father's suicide seven years before. In his rage and despair, Monk dashes off a novel meant to be an indictment of Juanita Mae Jenkins's bestseller. He doesn't intend for *My Pafology* to be published, let alone taken seriously, but it is—under the pseudonym Stagg R. Leigh—and soon it becomes the Next Big Thing. How Monk deals with the personal and professional fallout galvanizes this audacious, hysterical, and quietly devastating novel.

*The Possession of Mr Cave* Matt Haig,2018-06-07 FROM THE NUMBER ONE SUNDAY TIMES BESTSELLING AUTHOR Terence Cave, owner of Cave Antiques, has already experienced the tragedies of his mother's suicide and his wife's murder when his teenage son, Reuben, is killed in a grotesque accident. His remaining child, Bryony, has always been the family's golden girl and Terence comes to realise that his one duty in life is to protect her from the world's malign forces, whatever that may take. But as he starts to follow his grieving daughter's movements and enforce a draconian set of rules, his love for Bryony becomes a possessive force that leads to destruction.

Studies in Ethnopragmatics, Cultural Semantics, and Intercultural Communication Kerry Mullan,Bert Peeters,Lauren Sadow,2019-10-24 This book is the first in a three-volume set that celebrates the career and achievements of Cliff Goddard, a pioneer of the Natural Semantic Metalanguage approach in linguistics. In addition, it explores ethnopragmatics and conversational humour, with a further focus on semantic analysis

more broadly. Often considered the most fully developed, comprehensive and practical approach to cross-linguistic and cross-cultural semantics, Natural Semantic Metalanguage is based on evidence that there is a small core of basic, universal meanings (semantic primes) that can be expressed in all languages. It has been used for linguistic and cultural analysis in such diverse fields as semantics, cross-cultural communication, language teaching, humour studies and applied linguistics, and has reached far beyond the boundaries of linguistics into ethnopsychology, anthropology, history, political science, the medical humanities and ethics.

*Urban Migrants in Rural Japan* Susanne Klien,2020-01-15 2020 CHOICE Outstanding Academic Title Urban Migrants in Rural Japan provides a fresh perspective on theoretical notions of rurality and emerging modes of working and living in post-growth Japan. By exploring narratives and trajectories of individuals who relocate from urban to rural areas and seek new modes of working and living, this multisited ethnography reveals the changing role of rurality, from postwar notions of a stagnant backwater to contemporary sites of experimentation. The individual cases presented in the book vividly illustrate changing lifestyles and perceptions of work. What emerges from Urban Migrants in Rural Japan is the emotionally fraught quest of many individuals for a personally fulfilling lifestyle and the conflicting neoliberal constraints many settlers face. In fact, flexibility often coincides with precarity and self-exploitation. Susanne Klien shows how mobility serves as a strategic mechanism for neophytes in rural Japan who hedge their bets; gain time; and seek assurance, inspiration, and courage to do (or further postpone doing) what they ultimately feel makes sense to them.

Politics in a Pandemic Stephen Levine,2021-10-10

**Just One Cookbook** Namiko Chen,2021

*Poukahangatus* Tayi Tibble,2022-07-26 The American debut of an acclaimed young poet as she explores her identity as a twenty-first-century Indigenous woman. Poem by poem, Tibble carves out a bold new way of engaging history, of straddling modernity and ancestry, desire and exploitation. Intimate, moving, virtuosic, and hilarious, Tayi Tibble is one of the most exciting new voices in poetry today. In *Pōūkahangatus* (pronounced “Pocahontas”), her debut volume, Tibble challenges a dazzling array of mythologies—Greek, Māori, feminist, kiwi—peeling them apart, respinning them in modern terms. Her poems move from rhythmic discussions of the Kardashians, sugar daddies, and Twilight to exquisite renderings of the natural world and precise emotions (“The lump in her throat swelled like a sea that threatened to take him from her, and she had to swallow hard”). Tibble is also a master narrator of teenage womanhood, its exhilarating highs and devastating lows; her high-camp aesthetics correlate to the overflowing beauty, irony, and ruination of her surroundings. These are warm, provocative, and profoundly original poems, written by a woman for whom diving into the wreck means taking on new assumptions—namely, that it is not radical to write from a world in which the effects of colonization, land, work, and gender are obviously connected. Along the way, Tibble scrutinizes perception and how she as a Māori woman fits into trends, stereotypes, and popular culture. With language that is at once colorful, passionate, and laugh-out-loud funny, *Pōūkahangatus* is the work of one of our most daring new poets.

Train Man Nakano Hitori,2013-02-07 This is a true story of love for the internet generation - the international bestseller that sold over a million copies. This wonderfully unique book from Japan derives from a series of postings over a three-month period to a particularly computer-geeky thread of 2 Channel, the world's largest anonymous Message Board. The events all took place in Tokyo. One day a shy otaku computer geek mentioned on the message forum how he had met a girl on a subway train. As things developed he continued to post updates to the message board. He gained the nickname 'Train Man'. With each update from bashful Train Man, his fellow correspondents throw in own colourful speculations, boyish encouragements, tongue-in-cheek warnings, and fabulously inventive ascii text drawings. Train Man tries to take on board their comments as events unfold. Eventually he finds love with the girl, Hermes, and reveals to her the entire history of the thread. The true identity of Train Man remains a closely guarded secret.

**Supergood** Chelsea Winter,2020-09-29

*Loanwords in the Chinese Language* Shi Youwei,2020-12-30 A loanword, or wailaici, is a word with similar meaning and phonetic form to a word from a foreign language that has been naturalized in the recipient language. From ancient times, cultural exchanges between China and other countries has brought and integrated a myriad of loanwords to the Chinese language. Approaching the topic from a diachronic perspective, this volume is the first book-length work to chart the developmental trajectory, features, functions, and categories of loanwords into Chinese. Beginning with a general introduction to the Chinese loanword system, the author delves deeper to explore trends and standardization in Chinese loanword studies and the research landscape of contemporary loanword studies more generally. Combining theoretical reflections with real-life examples of Chinese loanwords, the author discusses not only long-established examples from the dictionary but also a great number of significant loanwords adopted in the 21st century. The author shows how the complexity of the Chinese loanword system is intertwined with the intricacies of the Chinese character system. This title will be an essential reference for students, scholars, and general readers who are interested in Chinese loanwords, linguistics, and language and culture.

*Kurangaituku* Whiti Hereaka,2021 In the void of time, Kurangaituku, the bird-woman, tells the story of her extraordinary Life - the birds who first sang her into being, the arrival of the Song Makers and the change they brought to her world, her life with the young man Hatupatu, and her death. But death does not end a creature of imagination like Kurangaituku. In the underworlds of Rarohenga, she continues to live in the many stories she collects as she pursues what eluded her in life. This is a story of love - but is this love something that creates or destroys? Kurangaituku is a contemporary retelling of the story of Hatupatu from the perspective of the traditional 'monster'- bird-woman Kurangaituku. For centuries, her voice has been absent from the story, and now, Kurangaituku means to claim it--Unnumbered page 1.

**Young Men and Masculinities in Japanese Media** Ronald Saladin,2019-12-07 This book provides an in-depth investigation of two Japanese men's magazines, ChokiChoki and Men's egg, analysed as representative examples of the genre of Japanese lifestyle magazines for young men. Employing both qualitative and quantitative content analysis, focusing on topics ranging from everyday life activities up to partnerships and sexuality, it examines how these magazines discursively renegotiate norms of Japanese masculinity. By scrutinizing the way these magazines convey ideas of gendered behavior within different contexts, the book demonstrates how Japanese lifestyle magazines discursively create new ideas of gender and masculinities in particular. It argues that hegemonic gender norms of Japan's society are both altered and reconstructed at the same time and that while altering parts of the gendered habitus in order to adjust to changing social circumstances and perceptions of gender, magazines (un)consciously reproduce core values of the hegemonic gender regime and thus revalidate them as legitimate. A key read for scholars and students of contemporary Japan, Japanese studies, gender studies, and anyone interested in Japanese popular culture and media, this book provides new insights into a segment of the Japanese media market that has received little scholarly attention.

Inclusion through Access to Higher Education ,2017-01-01 Decades after many national higher education systems strove to widen access internally to under-represented groups, this book offers new international comparative insights on the way higher education can meet external demands from people experiencing chosen or unchosen displacement, while taking hold of the specific challenges raised by their linguistic and cultural diversity.

Shall We Datekonkatsufor Introduction

In todays digital age, the availability of Shall We Datekonkatsufor books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shall We Datekonkatsufor books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shall We Datekonkatsufor books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shall We Datekonkatsufor versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shall We Datekonkatsufor books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shall We Datekonkatsufor books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shall We Datekonkatsufor books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shall We Datekonkatsufor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shall We Datekonkatsufor books and manuals for download and embark on your journey of knowledge?

## FAQs About Shall We Datekonkatsufor Books

1. Where can I buy Shall We Datekonkatsufor books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shall We Datekonkatsufor book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Shall We Datekonkatsufor books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Shall We Datekonkatsufor audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Shall We Datekonkatsufor books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
