Six of the Best C. Margery Kempe,2010-03-01 Six fabulous spanking stories by some of Xcite's favourite writers. Corrections by C. Margery Kempe Simon had worked for Dr. Kettering for six months and he still couldn't quite figure her out. It wasn't that she was cold or withdrawn; quite the opposite, in fact. She was also gorgeous, tall with curly auburn hair and striking green eyes. Every move had grace and poise, even if she was a trifle distant. Safely at home, he had fantasies of her exposing a vulnerability to him. But he couldn't have been more surprised on that rainy Friday afternoon when she asked, Can I share a secret with you, Simon? because her fantasy, was also his. La Petite Mort by Shashauna P Thomas Despite the possible repercussions to her career, Camille agrees to meet her best friend at Onyx, a well known BDSM club in New Orleans's French Quarter. While searching for her friend she catches the attention of a sexy, mysterious stranger with intense eyes who makes sure her evening spent at the Onyx is one she'll never forget. The Credit Crunch By Congressio 'If ever the estate makes a loss, I will punish you severely, darling!' That's what his wife had threatened and he had no doubt she would carry out her threat. The question is not, can he withstand the punishment she deems fitting, but does she have another motive for spanking him? Who's The Boss? By Simon Asquith Despite being a smart career girl with a good head on her shoulders, Rachel has always found job interviews to be something of an ordeal. This time however, she may get more than she bargained for. Behind closed doors, authority is everything, and a degree of role-playing can be a fun and revealing experience. But executive power games can go too far between a man who's used to being obeyed, and a woman who knows exactly what she wants. In the end, strict disciplinary procedures are brought into play. But will the tables be turned before everyone is fully satisfied? Bum Steer by Landon Dixon It was the kind of set-up a butt-loving PI just couldn't resist: a big-bootied babe lounging poolside, bottoms-up. So, he took the bait, sinking everything he had into the plush richness of the woman's rear end. But temporary ecstasy soon turned into a royal pain in the derriere, when he received a blackmail note the following morning. Then, it was his ass on the line; spank or be spanked. Black Lace and Wood by Giselle Renarde It was months ago that Rebecca cheated on her husband with his younger brother. Navin still won't look at her, even when she dresses up for him in black lace, stockings, garters and heels. There's only one way to salve the old wound, Navin must discipline her like a naughty child. A wooden spoon against her bottom should do the trick.

How Can You Love When You Don't Even Love Yourself? Gregory L. Dickerson,2006-11-02 In this book, it is my hope and total intent to share with all some various ideas regarding the possible whys and hows of an innocent child's desire to fill a void. The loneliness and emptiness that is in all of us. Sex and drugs were just the direction that I chose. Yet when in my life did I make this wrong turn? Or was it a series of repeated wrong turns? Please believe me that no child sets out to become a dope dealer, dope fiend, pimp, gigolo, bank robber, con artist, or prostitute. How did this all happen? Why did this all happen? Hopefully you're reading of this progression of a young boy, innocent as a child, to become a ruthless and scandalous coldhearted individual throughout his

adulthood, searching for love, truth, and happiness. We turn our noses up at the ones that we see on the street, or even in our own families. But how and when did it all get twisted like that? Seek some understanding of this madness through my misfortune before it happens to you. If it has not already happening in your life. We cant continue to just turn and look the other way. If you cant save the world, please just help one person in your family. Because youve definitely got one in your family suffering right now! Love you all, in JESUS name!

Cassell's Dictionary of Slang Jonathon Green, 2005 With its unparalleled coverage of English slang of all types (from 18th-century cant to contemporary gay slang), and its uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. 'Brilliant.' said Mark Lawson on BBC2's The Late Review; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in The Evening Standard. But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. EROTICA: Spanking the Sitter (First Time Discipline Older Man Taboo Romance) Jessica Whitethread,2016-01-19 Young, beautiful, and used to getting her way, Sandy assumes her new job watching Mr. Green's kids will be a pretty effortless way to make a bit of money. But when Mr. Green walks in on the chaos that she has allowed to take over his home, he decides the pretty young sitter he's hired needs a bit more hands-on motivation. His methods change everything for the inexperienced young woman, and his strong discipline starts to dominate Sandy's confused thoughts ... and desires. She lives in fear of the day he'll find out his punishments turn her on, and what he'll do when her secret is finally uncovered ... Reader Advisory: This story is for mature audiences only and features intensely erotic situations, a mature man of the house and a young inexperienced babysitter, discipline and physical punishment, forbidden desires, unprotected first time sex, dominance and submissiveness. All characters are 18 or older. Excerpt: He stood up and came around behind her. His hand positioned her waist, pushing her ass further outwards and her torso down into a more humiliating posture. His touch was strong and authoritative against her trembling stomach. Lift your skirt up. Her face burned more hotly as she reached back and lifted the hem of her skirt up to her waist, exposing her panties. She couldn't stifle a gasp of chagrin as she felt his fingers hook into the waistline of the panties and pull them down her thighs, leaving her suddenly

and mortifyingly uncovered. She stood there frozen, holding up her own skirt to expose herself for the man about to spank her. As she felt the cool air of the room playing across her bare ass and pussy, she realized with a tremble that she was wet. Not just a little wet, but very wet. Mr. Green's hand ran lightly over the full, tight curve of her ass. His fingertips made her skin tingle as they passed over her, effortlessly and perhaps unintentionally communicating how thoroughly he had come to control her, mind and body. This will happen every time you are bad, he said. Every time you are lazy or apathetic to the job you were hired to do. You will be spanked. I will bring you into my kitchen and you will lift up your skirt for me and then I will punish you just like I am about to do now. I don't care if my children hear you. They know what happens to rule breakers in this house. Do you understand? Yes - yes, sir, she said, her voice halfway between a whimper and a moan. Good. Count for me.
