Name It, Share It, Replace It! Mattie Slattery,2023-09-24 This book provides guidance and the rationale for a practice which, if adopted regularly, has the potential to facilitate coping with past, present and future challenges, as well as adversity, with clear and simple steps. The author presents the reader with more than techniques for managing thoughts and emotions. In addition, the reader is encouraged to consider information that is aimed at empowering the individual towards a new way of life in terms of self-management of one's thoughts, emotions and how to interpret and work through difficult experiences. On a journey towards greater well-being, happiness and peace of mind, the reader is invited to become more curious about their own mind, with three practical steps that relate to how to manage and regulate troublesome thoughts and emotions, when they arrive in-the-moment. The author has used these techniques extensively in his work as a personal development practitioner over 30 years, where he has worked with individuals and groups from all walks of life and observed many positive transformations. The final section of the book moves on to present a new way of thinking about what a human being is capable of. We will all experience troublesome thoughts and feelings, at least from time to time. The author describes the importance of tuning into the wisdom of our soul as a way to support and maintain our well-being, which goes beyond the initial practices outlined in the earlier chapters of the book.

Grin & Share It! Diane Hodges,2007-10-25 Covering children, teaching, school daze, college, and special occasions, this humorous collection adds fun to the job, spices up communication, and enlivens the school environment.

Share It Bussbuss,2017-09-07 This book began out of need in my family situation. The idea to write down my life experience is not a coincidence or an afterthought but an inspiration from God and my kids to publish this book. I decided to jot down these experiences for keepsake for my son, Isaac. Isaac is deaf with special needs. He is the main inspiration for my writing down of what life has taught me. We take for granted the amount of things we learn as a person who can hear (who is audible) without formal teaching. Most of our life lessons are picked up during conversation which is different with a deaf person. The need to equip Isaac with lifes road map, to give Isaac structured guidance, motivated me to write down these entries. His receptive language is strong since he is a visual learner. This project is very exciting to us, my kids and I. There is a saying, the faintest ink is better than the most retentive memory; I constantly battle how much can I write down and when to stop. As a mother, I have the responsibility to equip my kids for life in a Godly way. Though we may not have a choice of what life gives to us but we certainly have a choice in what we do with it. I have learned a lot being Isaacs mum. I no longer take things for granted but make teachable moments with my children, especially my son. I do not expect everyone to agree with all my entries because your life experiences are different from my own. However, we can both agree on the fact that these life experiences help shape our journey in life. Some of these entries I have learned through disappointments, hard times and fun times while some have brought me spiritual growth, joy, hope, fulfillment and a degree of efficiency to my life. Thank you for reading. I hope you will be encouraged to share your own life experience to enrich the next generation.

Share It Miriam Coleman,2012-08-15 The digital world offers a plethora of options and tools for researching and sharing information. The sheer volume of this media may seem daunting. Readers will explore the various kinds of media and digital tools available to students, and review step-by-step tips on how to make the best use of them. They will also learn how to share information with friends, family, teachers, or classmates.

Share It!: Instagram Projects for the Real World Rebecca Felix,2016-08-15 Share It!: Instagram Projects for the Real World is packed with projects inspired by the features and functions of the popular social media site. Young crafters will cut colored photo filters, create a geography photo gallery, and more! An introduction to Instagram, vibrant photos, and step-by-step directions bring each physical project and digital activity to life. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

What Is the Gospel and How to Share It Dr. Todd M. Fink,2020-03-11 Soon after the gospel was first preached, attacks from the Jews, non-believers, Satan, and worldly forces began assaulting its essence. Nothing has changed over the past 2,000 years. The gospel always has been and always will be under attack. Why? Because it's the vehicle through which we are saved. If Satan can twist and distort the gospel, then he can effectively wage war on the salvation of countless souls and their eternal destiny. Therefore, understanding the essence of the gospel and how to share it effectively is paramount. In this book, learn how to share the gospel in seven clear steps, how to start a conversation with the unsaved, the marks of saving faith, what we must believe to be saved, the four main excuses the unsaved use against the gospel, what to do after salvation, and more.

Tie-Dye Shabd Simon-Alexander,2013-06-04 THE MODERN TWIST ON TIE-DYE Tie-dye has grown up and resurfaced as one of today's most inspired looks. Whether dip-dye, shibori, ombré, or the traditional circle pattern, the new take on tie-dye is amazingly fresh, fashionable, and fun. In Tie-Dye: Dye It, Wear It, Share It, acclaimed fashion designer and artist Shabd Simon-Alexander shares her techniques for creating the innovative styles that make her own hand-dyed collection so popular. Packed with Shabd's design secrets, color guidance, expert tips on making each piece distinctly your own, and twenty-two step-by-step projects for garments, accessories, and home décor items, this book will soon have you creating sophisticated dresses, leggings, scarves, tees, and more. Once you experience tie-dye like this, you'll never think of it the same way again!
