Sherlock Holmes in Song Jim Ballinger,2022-03-24 Have you ever arrived at a Sherlockian meeting having not read the story of the day? What you need is a 3-minute synopsis. In verse. With music. That very solution is in your hands. Jim Ballinger began writing folk songs about each of the Sherlock Holmes stories in 1981 and performing them at meetings of the Bootmakers of Toronto with accompaniment on his guitar. After a hiatus or two, the project was completed with the sixtieth song in 2017. The lyrics and notation of the original music are included in this volume, edited by Mark Alberstat. The music encompasses a variety of styles from generic trad rock or folk rock to Victorian music hall, Gilbert and Sullivan patter songs, sea shanty (Black Peter), rhumba (The Dancing Men, The Sussex Vampire), bouzouki (The Greek Interpreter), country and western (The Three Garridebs), military band (The Naval Treaty), rugby song (The Missing Three-Quarter), and drinking song (The Six Napoleons). There's even some tasteful yodeling at the Reichenbach Falls in The Final Problem, and The Creeping Man strays dangerously close to punk rock. Other influences include Cole Porter, Noel Coward, Tom Lehrer and Gordon Lightfoot. Videos of the songs are posted on the YouTube channel Sherlock Songs.

**Imagination Theatre's Sherlock Holmes** David Marcum,Lawrence Albert,John Patrick Lowrie,M. J. Elliott,Dennis Bateman,Rick May,David Natale,Gareth Tilley,Matthew Booth,J. R. Campbell,Jeremy B. Holstein,Roger Silverwood,Teresa Collard,Jim French,John Hall,Steven Philip Jones,Iain McLaughlin,Claire Bartlett,Daniel McGachey,2017-11-27 2017 is the 130th anniversary of the publication of A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! In March 1998, legendary radio dramatist, producer, writer, director, and founder of Imagination Theatre listened to this request and broadcast the first of an astounding number of Holmes radio shows over their United States network of stations. In the intervening years, 128 original Holmes episodes (and one recently found lost episode) were broadcast before Imagination Theatre closed its doors in early 2017. Additionally, the cast and crew performed their version of the entire Holmes Canon between 2005 and 2016, featuring the same actors as Holmes and Watson, (John Patrick Lowrie and Larry Albert, respectively,) as well as having every script adapted by the same author, M.J. Elliott - something that has never been done before. Astonishingly, this great number of episodes were written by a relatively small group of dramatists. Imagination Theatre's departure from the airwaves left a great void, both in terms of those seeking movies for your mind, but also those wanting new quality stories about the true Sherlock Holmes, set in the correct period, and featuring tales that truthfully represented Holmes and Watson. This book serves both to honor Jim French and his lifetime of achievements, and also Mr. Sherlock Holmes, along with the dramatists, cast, and crew who brought the new adventures to life. Inside this volume, you will find a script by every one of the authors who wrote about Holmes for Imagination Theatre, representing some of the finest new Holmesian storytelling to be found, and honoring the man described by Watson as the best and wisest ... whom I have ever known. Featuring fourteen scripts from every writer who contributed to the series run of Imagination Theatre's Sherlock Holmes.

**My Sherlock Holmes** Michael Kurland,2004-01-22 For over a century, readers have thrilled to the exploits of Sherlock Holmes through the tales narrated by his sidekick and official chronicler, Dr. John Watson. But do Dr. Watson's tales really tell the true story of the great detective? In this collection of thirteen original tales, each told by a side character in the original canon, ranging from the famous (Irene Adler, Professor James Moriarty, and Mycroft Holmes) to the decidedly minor (Billy the page boy, Wiggins of the Baker Street Irregulars, and both Mrs. Watsons), readers finally get to hear another side of the legend. From what Inspector Lestrade really thought of Holmes to the untold tale of his encounter with Dr. Fu Manchu, from the bitter reminiscences of him by C. Auguste Dupin to the thoughts of his longtime landlady Mrs. Hudson, the totality of the veil of mystery over the legend that is Sherlock Holmes is at last removed. With stories from Barbara Hambly, Cara Black, Peter Tremayne, and Michael Kurland, among others, My Sherlock Holmes is a unique and compelling entry into the literature of the world's most famous detective.

**The Collected Papers of Sherlock Holmes - Volume 1** David Marcum,2022-02-08 At the age of ten in the mid-1970's, David Marcum discovered Mr. Sherlock Holmes, and from that point, he knew that the original 60 Canonical adventures would never be enough. This, coupled with his life-long desire to write, meant that eventually he would find a way to add new stories to The Great Holmes Tapestry. The years passed, and David collected, read, and chronologized literally thousands of traditional Canonical Sherlockian pastiches. Then, in 2008, with time on his hands while laid off from his civil engineering job during the Great Recession, David finally found his way to Watson's Tin Dispatch Box, producing The Papers of Sherlock Holmes. These first nine short stories originally sat on a shelf in his Holmes book collection before he eventually decided to share them with others. That first collection was initially published by a small press in 2011, and then in 2013 by the premiere Sherlockian publisher, MX Publishing - and after that, there was no turning back. Since then, in addition to editing over 60 volumes (most of which are Sherlockian anthologies), David has written and published over 80 Sherlockian adventures in a variety of anthologies and magazines. Now these are being collected - along with a few others that haven't been seen before. These first five volumes contain the majority of David's Holmesian stories - so far, with additional adventures to be collected and published as part of this ongoing series in 2022. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, the man described by the estimable Dr. Watson as "the best and wisest . . . whom I have ever known." The game is afoot! Volume I - Tales (9 Short Stories and a Novel) The Papers of Sherlock Holmes (9 Short Stories) The Adventure of the Least Winning Woman The Adventure of the Treacherous Tea The Singular Affair at Sissinghurst Castle The Adventure of the Second Chance The Haunting of Sutton House The Adventure of the Missing Missing Link The Affair of The Brother's Request The Adventure of the Madman's Ceremony The Adventure of the Other Brother and Sherlock Holmes and A Quantity of Debt (A Novel)

**Joe's Letters** David W Clark,2006-03-13 Flight Lieutenant Frank Clark died in a fiery collision between two Spitfires in the war-torn skies over Normandy. He left behind a one-year-old son and a thirteen-year-old brother. These two had an intense interest in trying to piece together the life and times of Frank Clark. However, there was no stash of photographs, no neat pile of letters, no log book, no diary. Then serendipity stepped in. A dozen photographs of Frank came to light and a cache of 50 letters written to his best friend. These letters revealed a colourful, flesh and blood person whose youth, vitality and good humour sprang out from the pages. This book is that story.

**Fic** Anne Jamison,2013-11-26 What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology—about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, Fic sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the literary landscape, but how it already has. Fic features a foreword by Lev Grossman (author of The Magicians) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings.
