

Shine

Rebecca Balcarcel

Shine! J.J. Grabenstein, Chris Grabenstein, 2021-09-14 Everyone deserves to shine in this sparkling book about a girl who's trying to find her place in the universe--and middle school--from the New York Times bestselling author of *Escape from Mr. Lemoncello's Library*! Shine on! might be the catchphrase of twelve-year-old Piper's hero--astronaut, astronomer, and television host Nellie Dumont Frisse--but Piper knows the truth: some people are born to shine, and she's just not one of them. That fact has never been clearer than now, when her dad's new job has landed them both at Chumley Prep, a posh private school where everyone seems to be the best at something and where Piper definitely doesn't fit in. Bursting with humor, heart, science, possibilities, and big questions, *Shine!* is a story about finding your place in the universe--a story about figuring out who you are and who you want to be. **BONUS!** Science experiment included!

Shine Lauren Myracle, 2011-05-01 When her best guy friend falls victim to a vicious hate crime, sixteen-year-old Cat sets out to discover who in her small town did it. Richly atmospheric, this daring mystery mines the secrets of a tightly knit Southern community and examines the strength of will it takes to go against everyone you know in the name of justice. Against a backdrop of poverty, clannishness, drugs, and intolerance, Myracle has crafted a harrowing coming-of-age tale couched in a deeply intelligent mystery. Smart, fearless, and compassionate, this is an unforgettable work from a beloved author. Praise for *Shine* "Cat eventually uncovers the truth in a cliffhanging climax in which she confronts fear, discovers that love is stronger than hate and truly 'shines.' Raw, realistic and compelling." -Kirkus Reviews "The page-turning mystery and Cat's inspiring trajectory of self-realization will draw readers in and give them plenty to ponder." -The Bulletin of the Center for Children's Books "Dramatic in both content and presentation. -Los Angeles Times "Myracle captures well the regret that many feel for things in their past about which they are ashamed. Cat's reflections on these moments are spot-on." -School Library Journal **AWARD: WINNER: Amelia Elizabeth Walden Award for young adult fiction YALSA 2014 Popular Paperbacks for Young Adults**

Shine Jessica Jung, 2020-09-29 An instant New York Times bestseller *Crazy Rich Asians* meets *Gossip Girl* by way of Jenny Han in this knockout debut about a Korean American teen who is thrust into the competitive, technicolor world of K-pop, from Jessica Jung, K-pop legend and former lead singer of one of the most influential K-pop girl groups of all time, Girls' Generation. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul's largest K-pop labels, known for churning out some of the world's most popular stars. The rules are simple: Train 24/7. Be perfect. Don't date. Easy, right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she's strong enough to be a winner, or if she'll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It's not just that he's charming, sexy, and ridiculously talented. He's also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea's most famous girl group, Girls' Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It's time for the world to see: this is what it takes to shine.

The Sun Does Shine Anthony Ray Hinton, Lara Love Hardin, 2018-03-27 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit--

Let it Shine Ashley Bryan, 2013-11-05 Coretta Scott King Award winner Ashley Bryan celebrates three favorite spirituals in this colorful and joyous picture book. This little light of mine, I'm gonna let it shine. Let it shine, let it shine, let it shine. Come, sing, and celebrate the power of the beloved songs "This Little Light of Mine," "Oh, When the Saints Go Marching In," and "He's Got the Whole World in His Hands" through kaleidoscopic illustrations of color and cut paper.

Shine Shine Shine Lydia Netzer, 2012-07-03 Sunny Mann has done everything in her power to create a run-of-the-mill life for herself in a quiet Virginian suburb. Her house is elegant, her friends are beautiful, and under her quiet supervision, no one ever goes without a casserole when a loved one is ill. But a minor fender bender between minivans sends her perfect blonde wig sailing out the window, exposing her true identity and threatening to crack her white picket fence existence wide open. Now, a meteor is coming, the local weatherman has gone mad, a murderous past has returned to life, her mathematical genius of a husband is helping his robots to stage an uprising on the moon, and it's up to Sunny to keep it all together. This gloriously inventive, funny novel is at once an intimate portrait of a very modern American family and a timeless love story. It's about the choices that make us human, the line between life and death, and is a captivating exploration of marriage, motherhood and self.

Shine Carley Hauck, MA, 2021-02-23 A top conscious business consultant shares the essential inner skills you need to be a force for change—in your workplace and in the world. The way we do business is changing. Every day, we see new evidence that we've got to move away from the status quo that is burning out workers, enabling greed, and endangering our planet. Yet how do you develop the skills and practical tools to prioritize people, planet, and prosperity? "Everything starts with your inner game," teaches conscious business consultant Carley Hauck. "In this book, I'll share the most powerful methods I know for learning to fully embody your highest values, lead with compassion and generosity, and create soul-nourishing workplaces that become forces of good in the world." With *Shine: Ignite Your Inner Game to Lead Consciously at Work and in the World*, Hauck distills the research-based methods and game-changing skills she's brought to corporate settings such as LinkedIn, Pixar, Genentech, Clif Bar, and more. Here you'll learn tools and practices for cultivating the six "inner game skills" for conscious leadership: • Self-Awareness—understand your strengths, blind spots, motivations, and behaviors, and how these impact others • Emotional Intelligence—learn how to navigate challenging feelings and develop the qualities of empathy and attunement • Resilience—how to adapt gracefully to the constant state of change in business and the world • Love—lead from the heart, create a caring and collaborative workplace, and build lasting connections based on shared passion and ideals • Well-Being—self-care techniques to prevent burnout in the workplace and promote sustainability for the planet • Authenticity—embracing the shadow sides of yourself and your workplace through vulnerability, forgiveness, and trust Leadership in a conscious workplace is not just about CEOs and executives—everyone has a role to play to create a healthier, more equitable, earth-friendly way of doing business. "I want to support you in cultivating a strong, brilliant inner game that will help you inspire greater collaboration, innovation, and belonging," says Carley Hauck. "We need each other's support for a collective response to today's complexities. When we grow the qualities that allow us to shine from the inside out, we each contribute our light to the creation of a better world."

Shine Sarah Asuquo, 2019-01-18 Kai is excited to go back to school after the summer holiday, but soon finds himself being mocked by his peers for being different. Kai's confidence is lowered and he begins to wish that he is 'normal' like everyone else. With the help of

his parents, Kai learns to be proud of himself and his unique qualities and values. Kai's mother explains how although the moon and stars are different they both shine beautifully in the sky. He learns an important lesson: that everyone is special and valuable in their own way. He realises that the things that make him different are the things that make him special. He makes a decision to use his qualities to 'shine his light'. Shine is a touching and heart-warming story which encourages young readers to celebrate diversity and to recognise how our differences make us special. It deals confidently with issues including bullying, low self-esteem, self-confidence and forgiveness in a manner that children can comprehend.

Shine Newsboys,2002-07-01 When you think of the Newsboys, do you think rock and roll, gold records, concerts, and fame? Shine: Make Them Wonder What You've Got reveals the Newsboys in a way you have never seen them before--not just as performers but as Christians. Follow them as they travel through seasons of personal and spiritual growth, undergoing struggles that are common to all believers, experiencing faith-stretching circumstances, and seeking to live for Christ in an authentic way. Their spiritual journeys reflect a deep and growing faith that permeates their music while also transcending it. This new path challenges the limitations we've put on Christianity in our postmodern culture and seeks the essence of the Gospel. Shine will challenge and stretch your own spiritual expectations as you discover the dynamics of a living faith.

Shine Dagny Griffin,2020 Mia loves to read her Bible and sing praises to God, but most of all she loves to tell her friends the good news of the Gospel. Mia brings light and color to a grey world as she spreads the Gospel around her town in this wordless book--

Shine Andy Cope,Gavin Oattes,2018-05-29 Start living the life you've always wanted It could be that you've figured everything out on your own and have ended up acing your career, meeting and marrying your perfect partner, producing three wonderful kids, owning a holiday home in Mustique and having a drop-dead gorgeous life. In which case, we applaud you. If, on the other hand, you need the cheat codes, then this book will give you a nudge. Redefining the genre of 'self-help comedy,' Shine is a book about the brevity of life. It contains adult themes of mortality, change, exhaustion and unrelenting pressure. Thankfully, the bleakness is done with humour and the solutions are entertaining, do-able and uplifting. Shine is the literary equivalent of 'ctrl/alt/delete.' All you have to do is read the book, keep an open mind, and apply the learning. You will experience a personal re-boot with new mental software installed, upgrading you to 'best possible self.' It's a very simple process that also happens to be 'not very easy.' Because, of course, if being your best self was easy, everybody would be doing it. The average lifespan is 4000 weeks. Look around and you'll see too many people having a 'near life experience.' They're alive, but not living. Truth time: life's a short and precious gift that's hurtling by in a blur. If you want to make a dent in the universe, it's time to wake up. We figure that if you're going to rise, you may as well shine. Laugh and learn while you: Rediscover your ability to ping out of bed every single day with fire in your belly and a smile on your face. Identify what really matters in your life and how to stop stressing about the stuff that doesn't. Remember how to focus on all that makes you happy and cut the nonsense that worries you for no reason. Give up your low-level grumbling and experience the joy that comes when you focus on achieving all that you've ever wanted. Find out just how easy it is to boost your energy and increase your motivation. Discover how to break free from 'ordinary' and embrace a life of 'extraordinary.' Figure out how to channel your inner Mary Poppins.

Shine! Patrick McDonnell,2017-04-25 A shining new picture book about learning to appreciate the wonders in your world and within yourself, by New York Times bestselling author Patrick McDonnell and Naoko Stoop, creator of Red Knit Cap Girl, a New York Times Best Illustrated book Hoshi the sea star looks up in the sky and sees the stars shining. She wishes that she too could be in the sky amongst

the brilliant stars--and as she imagines how much better it would be up in the air, she fails to appreciate the beautiful world that surrounds her underwater. It takes Hoshi's friends, old and new, to help her realize that her shine comes from within. With gorgeous illustrations depicting colorful underwater life, *Shine!* teaches about the wonders that can be found inside ourselves. Naoko's gorgeous use of plywood as the canvas for her work offers the perfect texture and pattern to evoke waves and sea currents in the underwater scenes.

Shine Chris Baréz-Brown, 2012-02-07 We all have good days and bad days at work. Some days you feel bullet-proof. People listen to you, your meetings run like clockwork, and you keep having new ideas. Other days are like wading through quicksand. You can't get anything done, and when the printer jams (again) you want to quit. Wouldn't it be great if every day went your way? If you jumped out of bed every morning ready for anything? You can stand out, break the rules, and making things happen. You can be a bit more 'Elvis.' You can love every minute. The only limitation is you: your energy, your belief, your perspective.

Shine Allison Allen, 2017-09-05 It's time you stepped into the light of God's role for you Actors aren't the only ones who play characters. Many of us do, much of the time. We walk into a room, figure out who we're supposed to be in this context, slip into character, and say the lines we know we should say. We become someone else. Maybe we tell ourselves it's some version of us, but deep down we know this inauthentic character is not what God wants for our lives--and it's not what we want either. With fascinating personal stories and sharp insight into human nature, former actor Allison Allen calls you to drop the brave act and step into the role of a lifetime--being your real self in Christ, no matter what the critics might say. She gives you permission to talk about, rather than around, the things you feel, freeing you to step out of the shadows and into the light of God's true calling. The life-giving content on these pages has the power to fill your sails with holy wind and literally change the trajectory of your story!--Lisa Harper, bestselling author and Bible teacher In this book, Allison shares stories of conquering fear, pain, and rejection that uniquely paved the way toward growth, joy, and wisdom. She teaches us to rise above it all and experience God's beautiful light. You will most definitely be inspired.--Scott Hamilton, Olympic figure skating champion; sports commentator; inspirational speaker; cancer survivor Through Allison's beautifully transparent story, you and I are encouraged to step out of the shadows of fear and self-doubt and, in Jesus's name, shine!--Sheila Walsh, bestselling author of *In the Middle of the Mess*; co-host of *LIFE Today*

Shine (Short Story) Jodi Picoult, 2016-09-13 Jodi Picoult tackles issues of race and privilege in this ebook original short story, a prequel to her upcoming novel *Small Great Things*. In "Shine," the master storyteller and #1 New York Times bestselling author of *Leaving Time* and *My Sister's Keeper* introduces readers to the unforgettable Ruth Brooks. Today is Ruth's first day of third grade at Dalton. The prestigious institution on New York's Upper East Side couldn't be more different from her old school in Harlem. Despite being the smartest girl in her grade, Ruth suspects that her classmates and teachers only see her dark skin. She also notices that Christina, the daughter of her mother's employer, treats Ruth very differently when they're hanging out with the popular girls rather than playing together. Ruth must navigate between two worlds, never losing sight of the dreams she has for herself—in hopes that someday, someone will see her for who she really is. Includes a preview of Jodi Picoult's highly anticipated new novel, *Small Great Things*! Praise for Jodi Picoult "Picoult writes with unassuming brilliance."—Stephen King "It's hard to exaggerate how well Picoult writes."—Financial Times "Picoult writes with a fine touch, a sharp eye for detail, and a firm grasp of the delicacy and complexity of human relationships."—The Boston Globe "Picoult is a master of the craft of storytelling."—Associated Press

Shine Kris Den Besten, 2011-07-28 Let your light shine before all men, that they might see your good works and glorify your Father in heaven (Matthew 5:16). Kris Den Besten blends his successful business practices with his strong Christian faith through SHINE, a proven corporate culture model he designed and implemented. SHINE is based on five principles that produce a rewarding career and personal life: S - Serve Others H - Honor God I - Improve Continually N - Navigate by Values E - Earn Recommendations The author shares how his business was radically salvaged by SHINE principles that developed people's talents, increased productivity, and quantified the core values of integrity and honesty. Whether you are a CEO, middle management, or an entry-level employee, SHINE principles will change the way you think about yourself, your career-and the Light in your life.

Shine Krista A. Thompson, 2015-02-09 In Jamaican dancehalls competition for the video camera's light is stiff, so much so that dancers sometimes bleach their skin to enhance their visibility. In the Bahamas, tuxedoed students roll into prom in tricked-out sedans, staging grand red-carpet entrances that are designed to ensure they are seen being photographed. Throughout the United States and Jamaica friends pose in front of hand-painted backgrounds of Tupac, flashy cars, or brand-name products popularized in hip-hop culture in countless makeshift roadside photography studios. And visual artists such as Kehinde Wiley remix the aesthetic of Western artists with hip-hop culture in their portraiture. In *Shine*, Krista Thompson examines these and other photographic practices in the Caribbean and United States, arguing that performing for the camera is more important than the final image itself. For the members of these African diasporic communities, seeking out the camera's light—whether from a cell phone, Polaroid, or video camera—provides a means with which to represent themselves in the public sphere. The resulting images, Thompson argues, become their own forms of memory, modernity, value, and social status that allow for cultural formation within and between African diasporic communities.

Shine Brett J. Cole, 2022-06-04

Shine On, Luz Véliz! Rebecca Balcarcel, 2022-05-03 A beautiful coming-of-age story for fans of *Front Desk* and *Merci Suárez* Changes Gears, this book celebrates identity, language, heritage, family, and the determination to follow one's own inner light. Have you ever been the best at something . . . only to lose it all? Luz Véliz is a soccer star—or rather, she was a soccer star. With her serious knee injury, it's unlikely she'll be back on the field anytime soon. But without soccer, who is she? Even her dad treats her differently now—like he doesn't know her or, worse, like he doesn't even like her. When Luz discovers she has a knack for coding, it feels like a lifeline to a better self. If she can just ace the May Showcase, she'll not only skip a level in her coding courses and impress Ms. Freeman and intriguing, brilliant Trevor—she'll have her parents cheering her on from the sidelines, just the way she likes it. But something—someone—is about to enter the Vélizes' life. And when Solana arrives, nothing will be the same, ever again. Unforgettable characters, family drama, and dauntless determination illuminate Luz's journey as she summons her inner strength and learns to accept others and embrace the enduring connection of family. Through it all, Luz's light is a constant—a guide for others, a path forward through the dark, and an ineffable celebration of her own eternal self. This is the second novel by Pure Belpré Honor winner Rebecca Balcárcel! **FAST-PACED FAMILY DRAMA:** Fast-paced, deeply felt, and with all the high highs and low lows of adolescence, this story is downright fun—a page-turner even while it's dealing with serious issues. **WHO AM I?** This book grapples with a topic so many young people deal with daily: one's relationship to heritage and culture. Luz confronts her ties to her home country, the place of her father's birth, and her family itself in a thoughtful, emotional journey filled with humor, urgency, and grace. **CODING IS COOL!:** Coding is a language many kids enjoy learning and are encouraged to master. The way this book frames coding and computer programming as an

opportunity for communication, bonding, and building fun, practical skills will speak loudly to kids already interested in the field while also resonating with those who aren't. **AN ALL-AMERICAN EXPERIENCE:** This is an important book for its thought-provoking, empathetic look at immigration in the United States and at how the threat of deportation informs the experiences of some of our country's most vulnerable communities. With lyrical prose, deeply felt characters, and a relatable story, *Shine On, Luz Véliz!* adds substantively to our fraught discussion about immigration and opens it to young readers. **AUTHOR ON THE RISE:** Rebecca Balcárcel won the Pura Belpré Author Honor, which recognizes literature for children or youth that best portrays the Latino cultural experience, for her first book, *The Other Half of Happy*. She is a beloved presence in the children's literature community and is making her mark as a writer to watch. Perfect for: • Kids who love reading about family and friend drama • Kids who love coding • Parents • Grandparents • Educators • Fans of Meg Medina, Rebecca Stead, and Kelly Yang

Bright Jessica Jung, 2022-05-10 The “glitzy sequel filled with drama and self-discovery” (Kirkus Reviews) to the instant New York Times bestseller *Shine!* Crazy Rich Asians meets *Gossip Girl* in this knockout series from Jessica Jung, K-pop legend, fashion icon, and founder of the international luxury brand, Blanc & Eclare. Couture gowns, press parties, international travel. Rachel Kim is at the top of her game. Girls Forever is now the number-one K-pop group in the world, and her fame skyrockets after her viral airport styling attracts the attention of fashion’s biggest names. Her life’s a swirl of technicolor glamour and adoring fans. Rachel can’t imagine shining any brighter. The only thing that’s missing is love—but Rachel’s determined to follow the rules. In her world, falling in love can cost you everything. Enter Alex. When Rachel literally falls head over designer heels into his lap on a crowded metro, she’s tempted to give up her anti-love vows. Alex is more than just heart-stopping dimples and adorably quirky banter. He believes in Rachel’s future—both in music and in fashion. But the higher you rise, the farther you have to fall. And when a shocking act of betrayal shatters her world, Rachel must finally listen to her heart.

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Explore **Shine** .
