

Shiny Postcards

Jeffrey L. Meikle

Marion Randy Winland,2013 The city of Marion has a rich heritage unique among Midwestern towns. It is the home of a president of the United States, a Miss America, manufacturers that revolutionized agriculture and mining, an inventor with over 100 patents, a renowned sanatorium, and even a world-class popcorn-machine museum. Once known as Shovel City due to its numerous power-shovel manufacturers, the city of Marion, with its strong industrial base and transportation network, forms an important crossroads in the Heart of Ohio.

Postcards from the Sonora Border Daniel D. Arreola,2017-02-21 Postcards from the Sonora Border: Visualizing Place through a Popular Lens, 1900s-1950s examines the urban landscapes of Mexican border cities through picture postcards. This volume aims to capture the evolution of Sonora border towns over time, and create a sense of visual time travel for the reader by relying on Arreola's personal collection of postcards--Provided by publisher.

Postcard America Jeffrey L. Meikle,2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and '40s is "an incredible tour . . . A veritable treasure trove of American culture" (Crave Online). From the Great Depression through the early postwar years, any postcard sent in America was more than likely a "linen" card. Colorized in vivid, often exaggerated hues and printed on card stock embossed with a linen-like texture, linen postcards celebrated the American scene with views of majestic landscapes, modern cityscapes, roadside attractions, and other notable features. These colorful images portrayed the United States as shimmering with promise, quite unlike the black-and-white worlds of documentary photography or Life magazine. Linen postcards were enormously popular, with close to a billion printed and sold. Postcard America offers the first comprehensive study of these cards and their cultural significance. Drawing on the production files of Curt Teich & Co. of Chicago, the originator of linen postcards, Jeffrey L. Meikle reveals how photographic views were transformed into colorized postcard images—often by means of manipulation—adding and deleting details or collaging bits and pieces from several photos. He presents two extensive portfolios of postcards—landscapes and cityscapes—that comprise a representative iconography of linen postcard views. For each image, Meikle explains the postcard's subject, describes aspects of its production, and places it in social and cultural contexts. In the concluding chapter, he shifts from historical interpretation to a contemporary viewpoint, considering nostalgia as a motive for collectors and others who are fascinated today by these striking images.

Iowa State Fair Ron Playle,2006-07-05 Each August, the Iowa State Fairgrounds, home to America's quintessential state fair, becomes 400 acres of sights, sounds, and aromas. More than just a showcase for farm machinery, the fair has one of the world's largest livestock shows, hundreds of competitive events, first-class entertainment, and ever imaginable food-on-a-stick. The first Iowa State Fair, held in 1854 at Fairfield, drew 10,000 visitors, and attendance now tops one million each year. Listed on the National Register of Historic Places, it has been held at its present location in Des Moines since 1886. In the early 1900s, fairgoers could choose from a large selection of postcards, stick on a penny stamp, and mail them to friends to describe their blue ribbon, an exciting midway ride, or the great entertainment. Over 190 vintage postcards provide glimpses of the fair from the 1890s to the mid-1950s in *The Iowa State Fair*.

Photo-era Magazine ,1921

A Rainbow Heart Lara Edmonds,2022-08-17 This story radiates hope. It inspires us to encounter God in our darkest hour. When the Holy Spirit gave the Edmonds their 'Rainbow Promise,' they were high up on the eleventh floor of a hospital tower with their critically ill baby, James. In faith, they embraced it fully. However, they had no idea that God would unravel His colorful supernatural sign, not only across the sky, but across generational timelines and even realms where angels moved. Ultimately, this radiant promise would lead them to heaven's gate. Lara and Andrew Edmonds have had the privilege of sharing their journey with a number of churches, schools, and ladies' groups over the years, and it has touched the hearts of many people... "Your testimony about your journey with little Baby James said what a hundred sermons could not say. I know that there wasn't a dry eye in the church. From all of us, who sat in your presence with

weeping hearts that night, I thank you for your courage and for the wonderful witness to the love of God, as revealed in His 'rainbow' fingerprints." (Rev Ian Mc Guigan - All Saints United Church, Pietermaritzburg, 2004). Lessons on letting go.

The Hiding Place Paula Munier, 2021-03-30 Mercy and Elvis are back in *The Hiding Place*, the most enthralling entry yet in USA Today bestselling Paula Munier's award-winning Mercy Carr mystery series. When the man who killed her grandfather breaks out of prison and comes after her grandmother, Mercy must unearth the long-buried scandals that threaten to tear her family apart. And she may have to do it without her beloved canine partner Elvis, if his former handler has his way.... Some people take their secrets with them to the grave. Others leave them behind on their deathbeds, riddles for the survivors to solve. When her late grandfather's dying deputy calls Mercy to his side, she and Elvis inherit the cold case that haunted him—and may have killed him. But finding Beth Kilgore 20 years after she disappeared is more than a lost cause. It's a Pandora's box releasing a rain of evil on the very people Mercy and Elvis hold most dear. The timing couldn't be worse when the man who murdered her grandfather escapes from prison and a fellow Army vet turns up claiming that Elvis is his dog, not hers. With her grandmother Patience gone missing, and Elvis's future uncertain, Mercy faces the prospect of losing her most treasured allies, the only ones she believes truly love and understand her. She needs help, and that means forgiving Vermont Game Warden Troy Warner long enough to enlist his aid. With time running out for Patience, Mercy and Elvis must team up with Troy and his search-and-rescue dog Susie Bear to unravel the secrets of the past and save her grandmother—before it's too late. Once again, Paula Munier crafts a terrific mystery thriller filled with intrigue, action, resilient characters, the mountains of Vermont, and two amazing dogs.

The Complete Book of Retro Crafts Suzie Millions, 2008 Baby boomers feeling nostalgic, hipsters longing for the handmade, and anyone interested in going retro can stop right here! This is the definitive guide to the fun and quirky world of retro crafts, written by a diva of the style. It's jam-packed with history and wonderful images from vintage pamphlets, collections, and flea market hunts. Everything memorable is included, from the ridiculous to the sublime, along with the lowdown on collecting, Junking 101, and creating a crafting group. Forty retro-inspired projects run the gamut from glitter frames and matchbox purses to bottlecap men and teacup ladies, plus lovable Plastic Flower Pixies; the Sparkling Sputnik and its desk-top compadre, the Beauty Orb; and the unforgettable Reinbeer. Variations and creative suggestions will keep readers inspired.

D.H. Lawrence Brenda Maddox, 1996 Drawing on nearly 2,000 previously unpublished letters, Brenda Maddox presents a rich and startlingly new portrait of D. H. Lawrence: a hilarious mimic, a lover of nature, an inspired teacher, a brilliant journalist, an ecological visionary, and, above all - a married man.

Public Space and the Ideology of Place in American Culture Miles Orvell, Jeffrey L. Meikle, 2009 We typically take public space for granted, as if it has continuously been there, yet public space has always been the expression of the will of some agency (person or institution) who names the space, gives it purpose, and monitors its existence. And often its use has been contested. These new essays, written for this volume, approach public space through several key questions: Who has the right to define public space? How do such places generate and sustain symbolic meaning? Is public space unchanging, or is it subject to our subjective perception? Do we, given the public nature of public space, have the right to subvert it? These eighteen essays, including several case studies, offer convincing evidence of a spatial turn in American studies. They argue for a re-visioning of American culture as a history of place-making and the instantiation of meaning in structures, boundaries, and spatial configurations. Chronologically the subjects range from Pierre L'Enfant's initial majestic conceptualization of Washington, D.C. to the post-modern realization that public space in the U.S. is increasingly a matter of waste. Topics range from parks to cities to small towns, from open-air museums to airports, encompassing the commercial marketing of place as well as the subversion and re-possession of public space by the disenfranchised. Ultimately, public space is variously imagined as the site of social and political contestation and of aesthetic change.

Fifa Ultimate Team Guide To Making 1 Million Coins ,

Real Photo Postcard Guide Robert Bogdan, Todd Weseloh, 2006-09-21 The Real Photo Postcard Guide is an informative, comprehensive, and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century. Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history, origin, and cultural significance to practical matters like dating, purchasing, condition, and preservation. Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country, the scope of the Real Photo Postcard Guide spans technical considerations of production, characteristics of superior images, collecting categories, and methods of research for dating photo postcards and investigating their photographers. In a broader sense, the authors show how real photo postcards document the social history of America. From family outings and workplace awards to lynchings and natural disasters, every image captures a moment of American cultural history from the society that generated them. Bogdan and Weseloh's book provides an admirable integration of informative text and compelling photographic illustrations. Collectors, archivists, photographers, photo historians, social scientists, and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable.

Des Moines Craig S. McCue, Ron Playle, 2007 The city of Des Moines experienced a rebirth at the beginning of the 20th century. The City Beautiful movement focused on cleaning up the city, starting with a new civic center along the Des Moines River. A progressive wave in city politics organized the Des Moines plan of commission government. Modern streetcars traveled along recently paved roads and newly constructed bridges, while electric lights kept the streets safe at night. The city motto said it all: Des Moines Does Things. This postcard collection showcases the best the city had to offer during that time, as the city changed and prospered, becoming the City of Certainties, through challenges during both world wars, and beyond into the postwar boom, when Des Moines became the crossroads of the nation.

Winston-Salem in Vintage Postcards Molly Grogan Rawls, 2004 The Moravian town of Salem joined with its industrial neighbor, Winston, to officially become the city of Winston-Salem in 1913. Located in the Piedmont section of North Carolina, at the foothills of the Blue Ridge Mountains, Winston-Salem has a rich cultural heritage. Tourists and residents alike visit Old Salem to experience the restored Moravian village and participate in traditional events. Some come to explore Winston-Salem's historic homes and neighborhoods and to sample the city's varied culinary treats. Others come to tour picturesque college campuses, attend sporting events, and partake in the city's vast array of arts offerings.

Postcards from Berlin Margaret Leroy, 2009-06-27 Catriona Lydgate is a housewife with two children and an adoring husband. But beneath the surface of her seemingly perfect life are the dark secrets of the past she's tried to forget. Disturbing postcards begin arriving in the mail; she is recognized by a man who knew her from her past—an avalanche of small moments that will threaten everything she thought was real. When her youngest daughter falls ill with a mysterious illness, the doctors and even her husband suspect that she is deliberately making her child sick. As her marriage unravels, she comes dangerously close to the edge—and to losing everything that she loves—as the past she has fought so hard to bury becomes her witness and prosecutor. This is a haunting, heartbreaking novel-domestic fiction at its very finest.

Strange Bewildering Time Mark Abley, 2023-02-07 A poet and journalist looks back on a remarkable journey from Turkey to Nepal in 1978, when the region was on the brink of massive transformation. In the spring of 1978, at age twenty-two, Mark Abley put aside his studies at Oxford and set off with a friend on a three-month trek across the celebrated Hippie Trail — a sprawling route between Europe and South Asia, peppered with Western bohemians and vagabonds. It was a time when the Shah of Iran still reigned supreme, Afghanistan lay at peace, and city streets from Turkey to India teemed with unrest. Within a year, many of the places he visited would become inaccessible to foreign travellers. Drawing from the tattered notebooks he filled as a youthful

wanderer, Abley brings his kaleidoscope of experiences back to life with vivid detail: dancing in a Turkish disco, clambering across a glacier in Kashmir, travelling by train among Baluchi tribesmen who smuggled kitchen appliances over international borders. He also reflects on the impact of the Hippie Trail and the illusions of those who journeyed along it. The lively immediacy of Abley's journals combined with the measured wisdom of his mature, contemporary voice provides rich insight, bringing vibrant witness and historical perspective to this beautifully written portrait of a region during a time of irrevocable change.

Some of the Parts Hannah Barnaby, 2016 A devastated teenaged girl sets out on a quest to track down transplant recipients after she discovers that her older brother was an organ donor.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shiny Postcards full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shiny Postcards eBooks, including some popular titles.

FAQs About Shiny Postcards Books

What is a Shiny Postcards PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shiny Postcards PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shiny Postcards PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shiny Postcards PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe

Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shiny Postcards PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
